2. Drawers may not use letters, numbers, or symbols (@, #, \$, etc.) when sketching.
3. Drawers may not use verbal or physical communication.
4. Judges will determine if forms of the word will be acceptable (For example, "draw" vs. "drawing")
5. The FINAL SCORE will be tallied from the point totals from each round (see below). Team with the highest number of points will be awarded the winner.
6. In the event of a tie, there will be a DRAW OFF
7. In the event of a dispute, or a really ugly drawing, the decision of the judges will be final.

THE GAME

ROUND 1: HAND OFF

- a. Each team will draw individually (while the other teams watch).
- b. The host will select a word for the first Drawer. The Drawer will sketch clues for the team.
- c. Sketching and guessing continue until the word is guessed or time is up.
- d. The Drawer may pass on a word only after 10 seconds have elapsed. The host will then select a substitute word for the Drawer.

- e. Once the word is guessed, the Drawer hands off the pen to the next team member, who becomes the new Drawer.
- f. Each team member must draw.
- g. At the end of the round, points will be awarded for each correctly guessed word.

ROUND 2: DRAW OFF

- a. Two teams will compete against each other through a random pairing.
- b. The same word will be presented to the Drawers of each team.
- c. The first team to correctly guess the word gets the point.
- d. Play continues with the next Drawer of each team until time runs out.

ROUND 3: SPEED DRAW

- a. Each team selects their best Drawer.
- b. The Drawer will draw continuously during this round while teammates guess.
- c. Points will be awarded for each correctly guessed word.

PRIZES

Prizes will be awarded to the First, Second and Third place teams.
