ABOUT ENNYLUAP

Ennyluap (pronounced enni-lope), is an upscale clothing label dedicated to timeless style, and high quality for women, by designer Amanda Williamson of Atlanta, Ga. Ennyluap lives by its motto of "Timelessly Bold", we design what comes to mind and respect, but never try to follow fads. Ennyluap encompasses class along with style and fun. This year Ennyluap will show during Mercedes-Benz Fashion Week 2013, and has recently been discovered by Vogue, where we are featured in the July edition of British Vogue. We were fortunate to have been chosen as a finalist in the Belk Southern Designer Showcase, and have been featured on the cover of the June 2012 issue of Social the Magazine as well as a featured swim wear spread in the August 2012 edition. We are pleased that Ennyluap has graced the red carpets of events including the 54th Grammy Awards, and the American Music Awards. Along with showing at New York Fashion Week this coming September, Ennyluap has also been chosen to be in the covers of the July edition of British Vogue. All details from the fabric to the last stitch are carefully handpicked, to ensure that the final product speaks for itself.

"Styles come and go, be you, be bold, stay timeless."
