

Get a Jumpstart on college — and your career — at Jackson Area Career Center!

JACC programs offer the potential to earn free college credit at recognized institutions such as Baker College, Ferris State, Jackson Community College, Lansing Community College, Northwood and others!! You can earn these credits by mastering specific standards that are taught – FOR FREE – in JACC programs.

JACC instructors will explain these standards to you. We'll also help you get the information you need to have these credits applied to your future college transcript should you choose to attend one of colleges or universities that have articulation agreements with JACC.

JACC can also help you take – and pass – state and national certification exams! You'll do the work – we'll help you get the certificate.

I can get FREE College Credit in high school??

You can! Students who successfully complete certain requirements while taking classes at Jackson Area Career Center can earn credit toward an Associate's Degree or various other job-related certifications.

That means you can earn free college credit while still in high school! By enrolling in certain programs at the Career Center – and doing the work – you'll have the chance to graduate from high school with several college credits you can use toward your next degree.

From Where?

The following colleges and universities have agreements with Jackson Area Career Center:

Baker College
Ferris State University
Jackson Community College
Lansing Community College
Northwood University
University of NW Ohio
