# "Once an Eagle, always an Eagle."

Following a very successful inaugural event in 2008, this is the Council's ultimate camp for advancement and Scouting knowledge. Six merit badges required for Eagle Scout are offered this week, plus in-depth information about service projects, NESA, paperwork and many other important details needed for obtaining the highest award in Scouting. This in an intensive week, thus, Scouts should be aware that all of the merit badges offered at camp require work done outside of camp to complete. In order to have the merit badges completed at camp, work done prior to camp must be brought to camp along with properly filled out partial merit badge blue cards. If prior work has not been completed, partial work will be credited at conclusion of camp. Blue cards will not be issued at the conclusion of Eagle Encampment. Instead, official accomplishment documents will be provided to each participant which should be provided to each unit's advancement chairman to ensure the participant receives proper credit at the Troop level.

Throughout this country, even non-Scouters know that an Eagle Scout is special. An Eagle Scout represents the finest in Scouting's ideals and demonstrates to all, that as a youth, you met a lofty goal of character, citizenship and accomplishment. It is the same with this event. Participation is selective.

Each Scout who registers will be part of the "Trail to Eagle Patrol" at camp, and they will work together as a troop. This program is not designed to replace the normal troop summer camp activity and Scouts are encouraged to attend camp with their troop on a different week.

This week will not just be about working on merit badges; there will be plenty of opportunities for leisure every day. For example, on Tuesday and Wednesday afternoons there will be a field trip (limited to 40 participants each) to fulfill a couple of the Citizenship Merit Badge requirements.

The "Eagle Encampment" is an opportunity for any Scout who is **serious** about working on his Eagle rank and wants to make great strides while at camp. This week is a chance to meet new challenges and make new friends. The time spent at camp during this week is priceless and the experiences that each Scout leaves with will help them know that,

# Merit Badge Seminars and Pre-Requisites (A)

Requirements based upon updates as of October 15, 2013 via http://usscouts.org/advance/changes/advchanges13.asp

Please bring a merit badge book with a color cover for each of the merit badges you are taking at Eagle Encampment to have on hand at check in June 15, 2014.

Please use a black or blue Sharpie to write the owner's name on the front cover of each merit badge booklet, top right hand corner to avoid confusion at Eagle Encampment.

**The EE Workbook:** Participants must bring one medium (2 inch) 3-ring binder, at least 3 pens, 3 pencils with 1 separate pink or white eraser, 12 index cards (3 inch X 5 inch) & 30 sheets of college ruled paper.

Question: What is the secret to being successful at Eagle Encampment with regard to

completing merit badges?

**Answer:** Thoroughly completing prerequisites before camp! **Solution:** Start prerequisites NOW! Don't procrastinate

# Prerequisites explained – sorry for the wordiness – this is important:

Prerequisites are the requirements which won't be covered at camp and these items must be completed *prior* to arrival at camp. In the cases where the Scout comes to camp with a partial merit badge, if the camp's merit badge counselor needs to review or endorse previously completed work, the Scout must present a legible, partially completed merit badge blue card to instructor(s) on day one of each applicable merit badge. <u>All</u> previous work on merit badges must be completed with a Council-approved merit badge counselor - - no exceptions. A council wide approved counselor list will be used by each of the Eagle Encampment's merit badge instructors to review partial merit badges; please be sure previously utilized merit badge counselors are on the Council's list. In the event of questions, please include a legible and current phone number for previous merit badge counselors used to enable corroboration if required. All participants will be provided with a Council approved progress report from Troopmaster. Following Eagle Encampment, the Troopmaster report should be given to the participant's advancement chairman by the participant. The Eagle Encampment staff will not send or issue participant's results to anyone except the participant on June 20, 2014. The Eagle Encampment Troopmaster report will take the place of blue cards. Blue cards will not be issued by Eagle Encampment. As a reminder, Scouts have until the day before their 18<sup>th</sup> birthday to complete partial merit badges.

# Packing Notes

- -> Try to fit everything in a footlocker (except sleeping bag) or a backpack. A footlocker is probably better from a security standpoint (lock it and give the check-in registrar an extra key or the combination). If the sleeping bag does not fit in the footlocker, that's fine - alternately, contain it in a sleeping bag stuff sack with participant's name.
- -> Please pack a swimsuit, towels and medications at the top so that they can be quickly found during check-in.
- -> Label each item of clothing and equipment with Scout's name, home Troop number and address to help in returning items lost at camp.
- -> When packing clothing, leave non-Scouting logos and camouflage gear at home except for raingear, sleep clothes and swim wear. Scoutmaster has final decision if something is not appropriate. Uniform parts and pieces must be BSA official.
- -> We cannot stress enough the importance of bringing the Merit Badge Pamphlets for the badges you will be working on.

Dear Scouts, Parents, Guardians & Scoutmasters:

The Air Conditioned Eagle Encampment is a special program with unique opportunities for fun, personal growth and advancement. We will have fun. I truly believe we will all experience personal growth from our week at camp and the staff will provide each participant with unparalleled learning and advancement opportunities. Many people will offer each participant support and encouragement. With the participant's effort and the staff's support, each and every participant can progress towards the rank of Eagle Scout.

Think about that...Eagle Scout. Throughout this country, even non-Scouters know that an Eagle Scout is special. Eagle Scout represents the finest in Scouting's ideals and demonstrates to all, that as a youth, the recipient met a lofty goal of character, citizenship and accomplishment. And, once an Eagle Scout, always an Eagle Scout. As indicated above, we will have fun. But, our fun will be in the context of the Scout Oath and Law, the Scout Motto, the Scout Slogan and the Outdoor Code. Eagle candidates aspire to be Eagle Scouts – it is not a gift and the rank must be earned. I challenge each participant to exemplify the standards of an Eagle Scout. Let the whole camp see what it means to be an Eagle Scout.

# What will increase each participant's likelihood of success at Eagle Encampment?

- 1) **MEDICAL FORM and REQUIREMENTS:** Parents/guardians, please scrutinize your Scout's medical form. Is it signed? Is it complete? Have you listed allergies? (If none, it must say "none.") All medications, prescription or not, must be in their original, labeled containers. Even non-prescription medicines require a doctor's note! Remember, everyone drinks at least 3 quarts of water each day! Each year, campers get dehydrated and may even end up at the hospital. Help us!
- 2) **Do those pre-requisites. You will not receive a merit badge just for showing up.** You earn the merit badge. You are *awarded* the merit badge after completing all the requirements. There are many requirements that must be completed **prior to** June 15, 2014.
- 3) **No electronics.** People, we are camping. Trust us, a week without headphones, first person shooting games, explosions, amplifiers or other distractions is a good thing. Let's make new friends, have conversations, maybe even read!
- 4) **No food in the bunks.** There are many interesting animals I'd like to see in the woods. There are no animals I'd like to see in my bunk. No food or drinks are permitted in the bunk houses at all. Water only.
- 5) **Let's "uniform" well.** I understand that different troops have different standards for wearing the uniform. Eagle Scouts represent Scouting's highest standards. I insist that we all wear complete field (formerly known as class A) uniforms to dinner. As to t-shirts, please, Scouting t-shirts only. I reserve the right to disallow any non-Scouting t-shirt (or other garment) I don't like. Typical activity shirts (formerly known as class "B") are required. Let's leave our rock band logos, clothing store brand names, college team/name, sports team and other non-Scouting t-shirts, hats, shorts, pants, shoes, sweaters, jackets and socks at home.
- 6) **Check your checklist:** Forgetting the wrong item can impact your week. I am really looking forward to our week at camp, to get to know each participant, to help, to share some laughs and special moments. If there is anything I can do, or if anyone has any questions, please do not hesitate to contact me.
- 7) Eagle Encampment begins on Sunday 12 noon, when check-in begins and ends Friday @ 4pm for departure home. Nobody leaves early on Friday.

Signed, Your Eagle Encampment Senior Staff (Mr. Karney, Mr. Scott, & Mr. Eisinger)

## Miscellaneous Notes:

- 1. It is anticipated that the air-conditioned Eagle Encampment will reach capacity well before the registration due date of June 5, 2014. Do not delay if thinking about registering. Register today! There is not a late fee because late registrations are not possible due to the anticipated popularity of this event.
- 2. In terms of day one at Eagle Encampment, the plan will be regrettably, to turn away late arrivals and day of registration participants. Do not assume a Scout will simply walk up to this event on June 15th and be admitted without proper and approved prior registration. Call Bob Karney with questions at 407-625-4898.
- 3. Eagle Scouts have a long tradition of looking sharp! Towards that goal, uniforms at Eagle Encampment will be by the book, regardless of local Troop policy. announced during the week at camp, only official BSA complete (head to toe) uniforms are worn during the instructional periods and as required by the camp Scoutmaster. Non-BSA official green or khaki pants/shorts and other pieces are not allowed. If the scout's local Troop does not wear a full and complete uniform, as prospective Eagle Scouts, Eagle Encampment participants are required to show up on day one in full and complete uniforms (official BSA issued uniform shirt, pants, socks, belt and a neckerchief). This may require some participants to purchase additions to their local unit uniform. Only official BSA hats allowed - all other hats are to remain at home. Again, full uniforms will be worn during all instructional periods during the week [recommend each person bring two uniforms]. In terms of proper insignia placement, refer to the enclosed uniform inspection sheets or the official online insignia guide: http://www.scouting.org/media/insigniaguide/06.aspx. Each scout should consider bringing a sewing needle and plenty of thread just in case they need to make an onsite adjustment. Better yet, inspect and fix before coming to camp. Closed toe shoes with official scout socks are required. Open toe shoes (i.e. flip flops, sandals, crocks, etc.) can only be worn for showering.
- 4. During similar past events, some Scoutmasters or parents signed up their scouts for merit badges without the scout's consent and when the scout arrived to camp, they were clueless as to what they were doing at camp. Parents, please help the staff avoid this type of awkward situation. The scout must determine his schedule [although there is minimum of three merit badges to be taken at Eagle Encampment].
- 5. Un-scout-like behavior is not allowed. If a Scout is sent home early, the Eagle Encampment Scoutmaster's decision is final. No refunds are available. Transportation logistics are at the participant's expense.
- 6. Parental visitation during the week is not recommended. Parents/guardians are encouraged to write letters one week in advance in order to ensure timely delivery. Be sure the Scout's full name and "EE 2014" are written on the front of envelope or care package.

# **Statement of Understanding & Acceptance**

The Eagle Encampment is not simply a merit badge camp; if participants are interested in <u>earning</u> their merit badges, then this is the place to go. Participants will **not** earn merit badges just for showing up and to be clear, the adults volunteering this week are not running a baby-sitting service. Each candidate is expected to take the necessary time to complete all required pre-requisites before coming to camp. The opportunity for significant progress on the Trail to Eagle is possible for those who remain focused on the objectives. Distractions from those not focused on objectives will not be tolerated; therefore, un-Scout-like behavior is not acceptable. There is a zero tolerance for activity which violates the Scout Oath, Law, Slogan or Motto. All participating Scouts will utilize the **full** Scout uniform as per the Boy Scout official inspection sheet (<a href="http://www.scouting.org/filestore/pdf/34283.pdf">http://www.scouting.org/filestore/pdf/34283.pdf</a>). Note: If local unit does not utilize <u>full</u> uniform (i.e. no Scout pants, socks, neckerchief etc.), these must be obtained for Eagle Encampment and an inspection will occur at admittance. Incomplete uniform = no admittance.

No exceptions. Use the inspection forms included in this package. Borrow items if you need them.

The Eagle Encampment Scoutmaster is authorized to send a participant home for actions/behavior not acceptable while at camp. There are no exceptions and the Scoutmaster's decision is final. Logistics regarding travel back home will be the parent's responsibility and there will be no camp fee refunds if this occurs.

**SPECIAL NOTE #1 ->** The participating Scout agrees to drink at least 3 quarts of water <u>each</u> day (7 am – 7 pm) while at camp unless unable due to medical reasons and that must be stated on medical form. Please note that soda, punch, Gatorade and other liquids do not count towards the total; just plain water counts towards the total of 3 quarts of water per day. \_\_\_\_\_\_ Initialed as understanding (Scout).
