Please refer to the most recent U.S. Figure Skating rulebook for details on byes.

3. TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2013 season, all events and levels at all championship competitions (regional, sectional, U.S. Championships) will be conducted in accordance with the international judging system (IJS). Check the U.S. Figure Skating website for technical and/or rules updates.

B. AGE AND TEST QUALIFICATIONS

All age and test requirements can be found in the U.S. Figure Skating Rulebook starting with Rule 4200 (senior singles).

C. TECHNICAL ELEMENTS

The well-balanced program charts for all levels and disciplines are posted on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp?id=355. As referenced earlier in this announcement, U.S. Figure Skating will incorporate all changes made by the ISU with regard to well-balanced programs. Please refer to this web site often for continuous updates.

PLANNED PROGRAM CONTENT SHEET (Required component)

All competitors entering into the 2013 qualifying competition season are required as part of their online registration to submit a planned program content sheet (PPCS) detailing the elements in their program(s). You may update your PPCS at www.usfsaonline.org up to two weeks prior to the start of your competition. Failure to do so creates extra work for the officials working your competition. **You will not be allowed to receive your credential at registration until your PPCS is submitted.**

D. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program and free skate: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

COMPACT DISCS (CDs)

For all qualifying events during the 2013 season, CDs are the only acceptable media. CDs must be:

- Clearly marked with name (last name, first name), event entered and the music time/length.
- **Each CD must have only ONE (1) track on it. In the case of a short program and free program, two (2) separate discs must be used.** Any disc with more than one (1) track will NOT be accepted!
- Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.
- **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**
- Each CD must be turned in - in a paper CD sleeve with a see through window (obtainable at any office supply store), also labeled with the skater's name and event.
- Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted.

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music. The originals will not be kept and forwarded on from Regionals to Sectionals; rather the Music committee will make digital copies at each event to pass the music up to the next level of competition. The music CD's will be returned to the competitors at the end of their final event. Each competitor that qualifies for Sectionals or the 2013 U.S. Figure Skating Championships will be required to bring CD copies to the next event as backup.

Skaters receiving byes to the U.S. Championships are required to email their competition music no later than one (1) month (Dec. 19, 2012) prior to the start of the U.S. Championships to the following email address:

Richard Larsen
U.S. Championships Music Tech
rclarsen@charter.net

All competitors must have at least one (1) additional copy rink-side at practice sessions and during the actual competition event. Skaters receiving byes must also bring CD copies of their music to the event as backup. The LOC will accept no responsibility for damage or loss. CDs not picked up by the end of the competition are not the responsibility of the LOC and will be discarded.

E. SEEDING AND QUALIFYING ROUNDS AT REGIONAL CHAMPIONSHIPS

Any skaters who are added to an event due to unforeseen circumstances will be added to one of the groups (which group will be at the discretion of the chief referee) up to 48 hours before the start of the first qualifying group in that event. No reseeding or reassignments between groups will be made after the competitors are notified of their qualifying groups. Posting of the start order will be on the LOC website or the arena. The official schedule of events will be posted at the competition.

F. OFFICIAL BULLETIN BOARD/EVENT WEBSITE

The official bulletin board and event website will contain any announcements or changes, and it is the responsibility of the competitors to check often for official notices. Please refer to the local portion of the announcement for further information regarding the bulletin board and event website.
