

The following is an example of a standard commercial invoice used in seed shipments. Added to this standard invoice is a model template of basic text that could be used to address the requirements of Article 18.2(c) for LMOs intended for intentional introduction into the environment. The proposed template for Article 18.2(c) requirements is highlighted within the text box in this example.

Selling Company Inc.

Invoice No.

1001

Company Address
City, State ZIP Code
Phone Number Fax Number

INVOICE
