

DARC GEO-TRAIL PASSPORT

Discover your Florida history through museums and archaeological sites in this unique geotrail. Geocaches have been hidden at participating sites across Northwest Florida. All the sites on this geotrail are connected to Florida archaeology and are featured in the *Road Trip Through Florida Archaeology* exhibit at the Destination Archaeology Resource Center in Pensacola. Once you find the geocache record the name, date, and code in this passport and take a photo of yourself with the geocache container. The first 300 participants who record at least 10 sites will receive a traceable, special edition geocoin produced specifically for this geotrail.

RULES

-  Log onto www.geocaching.com to retrieve the coordinates and location information for the geocaches. Basic membership for site is free.
-  Search for the geocache online by GC code number or use advanced search by user name "DARC Geotrail."
-  Locate at least 10 DARC Geo-trail geocaches and record the code word from each geocache in your passport. Take a picture of yourself with the geocache at the site and post it to the corresponding Geocaching.com page.
-  Bring in your completed passport to the address below. The first 300 people to complete the challenge will receive the coin.

To receive your DARC geocoin bring or mail your completed passport to:

*Coins will be awarded on a first come first serve basis as supplies last. Only one coin per person with a valid passport. Once your passport has been validated you will be rewarded with a DARC geocoin. FPAN and UWF are not responsible for any lost, stolen or misdirected passports. All geocaches are officially registered at www.geocaching.com. Participants will need to register at Geocaching.com to retrieve coordinates and other location information for geocaches. Participants must log the find with a photo from the cache location. Basic membership to Geocaching.com is free.
