We had our annual Christmas Tree Lighting & Craft Fair on December 7, 2013. We had more vendors than ever before. Unfortunately we had the worst weather we ever had as well. It rained for most of the day. Most of the Vendors held out all day with the rest of us hoping the weather would improve. When it finally cleared up, people started coming out but not as many as past years. The bright spots of the day were listening to Crazy Creek Band play music all day through the rain & watching Mr. & Mrs. Clause dance to the music. Luckily enough people came

### FRIENDS OF THE LIBRARY

We will have our first meeting of 2014 on January 13 at the library, starting at 1 pm. We will be discussing our plans for future book sales as the last few were very disappointing in terms of attendance and sales.

We need to find more ways to increase our donations if we are to help the library. If you have any suggestions, please attend or contact me. We need more board members too. We have reduced the number of meetings to 5 a year. We need your support to help get books for library and to support the reading programs.

Julia Maruyama,  
Secretary 928-9886

### Year in review

On February 4th of 2013 we were all shocked by the murders of Connie & Maria Gonzales. In the months since, we have seen many changes in the community that are a direct result of their deaths.

- The community pulled together to help rid the community of crime.
- Many concerned citizens stepped forward & joined Nuevo Citizens Patrol & doubled their numbers from 20 to 40 members strong. Thus increasing the number of Patrols.
- County Supervisor Marion Ashley & the Riverside County Sheriff's Dept. gave Nuevo Citizens Patrol the use of the old Volunteer Fire Station to use as their new Headquarters.
- As of January 1, 2014 our area was moved from being served by the Hemet Sheriff's Station to the Perris Sheriff's Station. I am sure you have already seen the increase in patrols & shortened response times.

With all these improvements we must still remain vigilant and continue to report all crimes A.S.A.P. Let us all never forget Connie & Maria and continue to keep both Hector Sr. & Hector Jr. in our thoughts & prayers.

out for the tree lighting at the end and picked up Angel Tags from the Angel Tree Booth to put a large dent in the tags they had. The remaining tags were taken by people through Nuevo Community Watch Facebook Page. Thanks to all who came out to support the event and let's hope for much better weather next year.

### ANGEL TREE OF NUEVO

**This year was our biggest year ever. 69 families including 216 children.**

We normally prepare stockings & angel tags for 200, but we had to hustle to get the additional ones prepared. Thanks to Leslie for all her stockings & crayon books. You are great!

FINALLY, the Angel Tree work is done this year. It has been a struggle because we did not get a room until December 10th. A great big THANKS to Roberto for allowing us to use his little house on Nuevo Road & Western Star for the overflow space in his office. That gave us 2 weeks to receive all the presents & gift tags that were out, check our list, and purchase clothing & toys for the ones who were not picked up. This year we had 8 angel tags that did not come back; therefore, we had to purchase all the clothing & toys for those children at the last moment. THANK YOU for all the people who did pick up an angel tag and for the many gifts. You are awesome! We received several phone calls from individuals who wanted to do more. They purchased basketballs, soccer balls & hoodies to make up for children who did not get one that they asked for.

The Angel Tree of Nuevo's goal is to provide warm clothing (such as a hoodie or jacket), an outfit and a toy for each child.

The Coins for Kids jars in each room of the elementary schools are our main source of income, providing the monies necessary to purchase additional hoodies & toys for the children. Thank you to each & every child who was able to help out with your change. Bless you.

Heritage High School came through again with their food drive. Friday we sorted & filled 69 boxes of food to give away. Thanks to everyone who helped.

May you have a blessed New Years and enjoy that feeling in your heart that you gave to someone in need. It truly is better to give than receive at this time of year and the children thank you.

### NUVIEW LIONS CLUB

**A VERY HAPPY & PROSPEROUS NEW YEAR TO ALL!**

By the time you read this, the holidays will be over for 2013. We are so fortunate to live in a small town - generous and friendly. The Lions Club delivered Thanksgiving dinners to those in need and The Angel Tree group provided toys, clothing and food, including turkeys, to many of our Nuevo families for Christmas.

Our Lions Pancake and Burrito Breakfast went very well, with Nuview holding a Silent Auction and the Lions had photo opportunities with Mr. and Mrs. Santa Clause.

Please start off the new year by continuing to help by collecting your used eyeglasses, grocery coupons, soda tabs and Sunday Comics. It is all very much appreciated.

Thank you,  
John Lynch

## Community Clean Up

We will be having our Nuevo/Lakeview/Juniper Flats Community Clean up on March 8th at Valley View Elementary School.

More information on what can and cannot be brought to the clean up and the time of the event will be posted in this newsletter, as soon as it becomes available, along with flyers and signs around town.

*Dedicated  
to Saving  
Animals!*

Are you aware that 2 unaltered dogs who produce 12 puppies in 1 year will, over 5 generations, produce 12,000 dogs. Shelters are full and strays are everywhere. Let's give the animals a chance for love and a good home.....Please spay and neuter!

**Animal Rescue Kompany is accepting entire litters of puppies under 10 weeks old. All puppies will be altered, vaccinated, and placed in loving homes. We will then spay your mama dog for free!**

According to the California Food and Agricultural codes section 31751 it is mandatory for a 501c (3) non-profit animal rescue organizations to alter all animals before placement. Unfortunately, not all groups follow the guidelines. Thus the breeding and overpopulation of unwanted animals continues.

**A.R.K. alters all animals before placement.**

**We are dedicated to eliminating the suffering of unwanted animals.**

Please visit our website [www.animalrescuekompany.org](http://www.animalrescuekompany.org) to make donations or sponsorship packages to assist us in saving homeless pets. We are also in need of any families willing to foster a mama and her litter. We will supply all food, kennels, blankets etc. to make the foster arrangement successful!

**For relinquishing a litter of puppies/kittens  
please call Joy 951-677-5998**

## the Pet Corner:

*By Julia Maruyama*

We continue to see many loose dogs on the streets, and some unfortunately have been hit by cars. Our recent high winds frightened many pets and they escaped their yards too. A collar with name tag, or better yet, a micro chip and ID tag; that way, if the dog is found, we can re-unite you with your pet and not have animal control come out. It is very expensive to get your dog out of the shelter, especially if they are not licensed. Our Shelter is in San Jacinto but Ramona Shelter is three streets away so you need to check both places.

Our Facebook page under Nuevo Community Watch is a great place to post lost/found dogs and many pets get re-united quickly.

If you have any questions about lost/found dogs, you can contact me.

### Nuview Bridge Early College High School

would like to thank all parents and community members for their support this school year. Our students are doing amazing things. The school recently secured an agreement with Moreno Valley and Mt. San Jacinto Colleges to expand our colleges offerings. Our Football and Girl's Volleyball Teams are enjoying a winning season and we are excited by the changes being made to our campus, including a new solar system in the parking lot and a Lobby Guard system to help secure the safety of our students while in their campus. We are also in the process of transitioning to new Common Core Standards which will help our students obtain and maintain a 21st Century skills set which will make them more competitive in their future careers.

Nuview Bridge Early College High School

would like to invite you to be a part of one of the most innovative and successful high school programs in the state. NBECHS is currently seeking students to enroll for the spring semester. Applicants must have a 2.0 GPA and not be credit deficient. Applications are currently available on the NBECHS website, <http://www.nuview.k12.ca.us/Domain/434> through December 13th. Applications for Fall 2014 will be available as of February 1st, 2014.
