American Academy of Pediatrics
DEDICATED TO THE HEALTH OF ALL CHILDREN™

What to expect when you attend the 2013 Uniformed Services Pediatric Seminar

The course reviews the most recent and scientific advances in pediatric medicine and their application to clinical practice. Key topics are covered by recognized experts in a variety of areas specifically designed to update today's health professionals providing care to infants, children, adolescents, and young adults. Information is included for those deployed in operational and humanitarian environments as well as those providing care to military families in the United States. The course combines lectures, question-and-answer sessions, research presentations, and small interactive group sessions to allow course participants the opportunity to interact with distinguished faculty.

Upon completion of 2013 USPS, you (the learner) should be able to:

- Apply knowledge gained in a broad range of general pediatric and subspecialty areas
- Incorporate current and active areas of research that will have an impact on your practice
- Implement changes in practice to better advocate for medical issues unique to military families
- Promote knowledge of primary prevention in pediatric practice
- Use new insights gained to advance your military and academic career

Acknowledgments

The AAP gratefully acknowledges support for the 2013 USPS in the form of educational grants from:

You should attend 2013 USPS if you are:

- A pediatrician, family physician, or pediatric/family nurse practitioner on active duty in the uniformed services, in the military reserves, in training, or retired from military service
- A pediatrician, family physician, or pediatric/family nurse practitioner interested in updating your knowledge and skills in the care of infants, children, adolescents, and young adults
- A civilian pediatrician, pediatric nurse practitioner, or family physician providing care to military families

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 25.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 25.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME. Physician assistants may receive a maximum of 25.0 hours of Category 1 credit for completing this program.

Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credit is pending.

This program is accredited for 25.0 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

Schedule and Faculty

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.pedialink.org/cmefinder for schedule, faculty, and session updates.

Electronic Syllabus

In order to provide high quality images and readable graphics, and in the spirit of going green, the syllabus for the 2013 Uniformed Services Pediatric Seminar will be distributed to all registered attendees online for download in advance of the course. The electronic syllabus will contain presentations as submitted by faculty for the various educational sessions along with other useful information. You will be able to take notes directly on the syllabus contents using Adobe Reader X.

Please Note: Due to the expense, we will not be able to provide electrical power for laptops and tablet devices in the meeting rooms in San Antonio. However, there is sufficient time scheduled throughout the day to re-charge your laptop or tablet device battery so that it will last through the end of the day.

“This course is great for military pediatricians because it is relevant to the issues we deal with every day.”

Special group rates beginning at \$209 per night, plus tax, for single or double occupancy, have been negotiated at the Hyatt Regency San Antonio. A portion of the AAP's hotel block will also be made available at the prevailing government per diem rate, on a first-come, first-served basis. These rates represent substantial savings from published rates.

The cutoff date for reservations at the group rate is February 4, 2013. Call the hotel directly to make your reservations.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to February 4, 2013; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Air Transportation

The AAP Travel Office is pleased to offer negotiated airline discounts to our CME courses. For complete details call the AAP Travel Office at 888/227-1772, Monday-Friday, 8:00AM-4:30PM CST, to make your travel arrangements.

AAP members only may also take advantage of making their travel arrangements online, through nuTravel. nuTravel can be accessed through the Member Center of the AAP Web site under membership matters. If you have used nuTravel (formerly known as ResX) previously you can go directly to <http://www.aap.org/en-us/my-aap/membership-information/travel-services/pages/travel-services.aspx> and login.

If you are new to nuTravel, please follow the instructions for first time user.

All applicable airline discounts will be taken at the time of ticketing by the AAP travel agency.

Ground Transportation

For information on shuttle service from the San Antonio International Airport, contact GO Airport Shuttle at www.goairportshuttle.com or call 210/281-9900. Taxi service is also available.

Car Rental Discounts

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details. Hertz can be reached directly at 800/654-2240 or www.hertz.com. The AAP discount code is CV01570017. Avis can be reached at 800/331-1600 or www.avis.com. The AAP discount code is AWD A628999.

Parking

Self-parking and valet parking are available.

Special Needs

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations on your registration form. Scooter and wheelchair rentals are available by contacting ScootAround, Inc., toll-free at 888/441-7575, by email at info@scootaround.com, through their website at www.scootaround.com, or by fax at 204/478-1172.

Registration

Using your Visa, MasterCard, American Express, or Discover, fax your registration to 847/228-5059 or 847/434-8757 or, call toll-free, 800/433-9016, option 3. Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and concurrent small group session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly. Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.
