## 2. *The City* of Ljubljana and how to get there

### THE CITY

Ljubljana lies in a basin between the Karst and the Alps, some 298 m above sea level. We like to say that it is big enough to encompass everything one would expect from a capital city, while being small enough to allow people to retain their individuality.

Ljubljana is a pleasant city to live in. The city is home to 280,000 people. Although it is not among Europe's largest cities, it has everything one finds in other capitals: museums and galleries, one of the oldest philharmonic orchestras in the world, other orchestras, many theatres, a university, institutes and libraries.

The city's increasingly vibrant commercial and trading life and the rapid increase in foreign diplomatic representatives are giving it an ever greater cosmopolitan touch. It offers a wide variety of cafes, pubs, bars and restaurants. Relief from the hustle and bustle of life in the capital can be found in the numerous parks and woodland areas, which in some places reach nearly into the city centre.

## HOW TO GET THERE

**AIR:** Ljubljana Jože Pučnik Airport, 20 km from the centre of Ljubljana, has good connections with other European airports. Airport shuttle buses take passengers to the centre of town.

<http://www.lju-airport.si/eng/default.asp>

**RAIL:** Ljubljana has good railway links with all large European cities. The railway station is in the centre of Ljubljana. Organisations in your own country may be able to offer discounts to students and others under age 26. Train travel within Slovenia is convenient and inexpensive.

<http://www.slo-zeleznice.si/en/>

**BUS:** The bus is one possible means of reaching Ljubljana, but not a very comfortable one over long distances. Organisations in your own country may be able to offer discounts to students and others under age 26.

### 3. *University of Ljubljana*

University of Ljubljana is an institution with a very rich tradition. With its 50.000 undergraduate and post-graduate students participating in over 300 undergraduate and post-graduate study programs, it ranks among the largest universities in the world. A total of 23 faculties and three art academies employ approximately 6000 full-time higher education teachers, researchers, assistants and administrative staff.

The University of Ljubljana was established in 1919 on the foundations of a long-established pedagogical tradition. For almost half a century it remained the only Slovenian university until joined, about 20 years ago, by the University of Maribor. In 2003 the third Slovenian University was established in Koper.

The University has its seat in Ljubljana, Slovenia's capital. Nearly one-tenth of Ljubljana's inhabitants are students, which gives the city a young and lively character.

The University was founded in the centre of Ljubljana, where the central university building and the majority of its departments are located. Later on, some new, modern buildings were constructed in the suburbs.

The University is composed of three academies and 23 faculties (university departments):  
 The Academy of Music;  
 The Academy of Theatre, Radio, Film and Television;

The Academy of Fine Arts and Design;

### FIRST RESIDENCE PERMIT (EU CITIZENS)

From 1st May 2004 any citizen from a European Union state can enter the Republic of Slovenia with a valid identity card or a valid passport, without a special entrance permit (i.e. a visa or a residence permit). This holds true no matter what the purpose of entry and stay in the Republic of Slovenia is. For the first three months of stay in the Republic of Slovenia a person does not need a residence permit. However we oblige the student to apply for the residence permit and report to the Police immediately.

The residence permit can be obtained from the administrative office within the residential district (for Ljubljana: Office for passports and Aliens/Odsek za tujce, Tobačna 5, Ljubljana). The residence permit will be issued in accordance to the conditions set by the European Union. In order to issue a residence

permit to a citizen from a member state for the purpose of study the following conditions have to be met:

- A valid identity card or passport,
- Evidence of enrolment at an educational institution,
- Health insurance covering all risks in the host member state,
- Sufficient means for living (higher than the level under which the host country approves social aid to its citizens.

According to the practice of the European Union's court a statement handed in writing and signed by the student as to his means is sufficient).

According to the stated directive the residence permit is granted for the period of studies or at the most for one year and can be extended in the event that the studies last for over a year.

## FIRST RESIDENCE PERMIT AND MEDICAL INSURANCE (NON EU CITIZENS)

At your nearest diplomatic or consular representative office (DCRO) of the Republic of Slovenia you have to submit an application for First Residence Permit before your arrival.

You may submit your application in person, send it to the DCRO by registered mail, or a third person may submit it on your behalf with your authorisation.

There is a consular fee of app. 80 EUR that you have to pay upon submitting the application.

With your application you have to enclose:

- a certified photocopy of a valid passport
- enrollment certificate (Confirmation of enrolment at University of Ljubljana)
- certificate of sufficient means of support during your stay in Slovenia (this shall mean regular income, such as scholarship, parent's income, personal income, pensions and not a single fund deposit in Republic of Slovenia or a credit card).
- health insurance certificate. This certificate should contain, in addition to stating that you have health insurance, a clear description of the scope of your rights and it should be already valid from the time of the application for the residence permit. If you have no health insurance in your home country, you may submit a certificate of commercial insurance of the insurance company that will cover your insurance in the Republic of Slovenia  
(contact ASSISTENCE CORIS,  
Ul. Bratov Babnik 10, 1000 Ljubljana,  
tel.: +386 1 519 20 20,  
fax: +386 1 519 16 98).
- confirmation of no criminal proceedings being instituted against the person in question: issued by a competent body in your home country.

All certificates, confirmations or appendices must be translated into the Slovene language and the translation certified by a notary.

Upon receiving notification that you may collect your permit, you will have to come in person with your passport to the DCRO where you submitted your application. The permit in a form of a label and a stamp will be added to your passport.

In case your application is denied, you have the right to appeal, which should be submitted within the prescribed time limit to the DCRO.

Within three days after your arrival in the Republic of Slovenia, you are required to report the place of your temporary residence at the Administration Unit (Office for Passports and Aliens, Tobačna 5, Ljubljana) or to a police station.

## HOUSING

The University of Ljubljana does not provide or guarantee accommodation.

However, there are some options that you can use to find your own accommodation:

- to rent a private room or flat; check the local newspapers and real-estate agencies;
- to rent a room managed by student residence halls (very limited number of beds!)

The International Office can help you with providing rooms in student residence halls, but due to shortage of rooms we can not guarantee you that you will really get a bed.

All rooms in student residence halls are double rooms. They are furnished and have a shared kitchen and bathroom.

We strongly advise our students to book some temporary accommodation for the first few weeks of their stay in Ljubljana and then look for a private accommodation.

Temporary accommodation can be found at some hostels and low-rate hotels (for information and booking please contact directly to addresses listed below):

## APPLICATION PROCEDURE

If you wish to undertake a period of study at the University of Ljubljana, you should contact the **Office of International Relations** (intern.office@uni-lj.si.) to request the application package. A copy of this package, which includes all forms will be sent to you.

You can also down-load these forms from our web-site:

[http://www.uni-lj.si/en/mobility\\_programmes/socrates\\_erasmus\\_programmes.aspx](http://www.uni-lj.si/en/mobility_programmes/socrates_erasmus_programmes.aspx)

The forms should be completed and returned to the University together with a transcript of your previous studies.

### The Learning Agreement

This document is an agreement between incoming students and the host institution. Students select the subjects they wish to study in consultation with their academic advisor at their home institution. The draft proposal is then sent to Ljubljana with the application form. The options the student has selected are then considered by the University of Ljubljana on the basis of availability and the candidate's ability and academic background. A decision is then forwarded to the candidate and, if both sides are in agreement, the document is considered as a contract. However, departments do have the right to withdraw their courses at any time before the study period begins.

### The Transcript of Records

This document has two functions. Firstly, it is used by departments to make decisions about a candidate's suitability based on the information supplied on the transcript of records. The transcript functions as a formalised curriculum vitae or resume.

The certificate presented to students upon the completion of their studies in Ljubljana is also known as a transcript. It outlines the courses taken and the grades achieved.

### Language Requirements

The University of Ljubljana offers instruction in the following languages: Slovenian and English. The University of Ljubljana requires that the student has very good language skills (very good knowledge in reading, writing and speaking of the language) in at least one of the two languages in order to be able to study here.

Please note that fluent language skills in Slovenian (or English) are vital for successful studies at the University of Ljubljana. If the language requirements are not met, the University of Ljubljana will not accept you.

### Required Language Skills - Language Skills in English

Students must present a certificate of their English language skills. Very good language skills refers to level B2 on the CERF scale of the European Language Portfolio Levels.

### How to prove the language skills in English

- Language skills in English are listed on the Transcript of Credits of the home university; or
- Submit the Language Certificate with CERF scale; or
- Submit TOEFL score of 79 (IBT) or IELTS score of 6.

Most useful of these are: the Student ID card of the University, International Student Identity Card (ISIC) and EURO <26 card, and other plastic ID- style cards with your photograph, which provide discounts on admission to museums and sights, inexpensive meals in some restaurants and discounts on many forms of transport. The Student ID card of the University is an official document that gives the exchange student the same rights as to Slovene students. The card is used as an accession to libraries and faculty exams.

### E-MAIL AND INTERNET ACCESS

Most faculties and libraries are geared up for Internet access. There are also few Cyber cafes in Ljubljana;

- **CyberCafe Xplorer**

## COST OF LIVING

We suggest that you bring approximately 450 EUR per month to cover all your basic living costs. Exactly how much you spend will depend on your lifestyle, but this figure would take into account all costs including accommodation, food, public transport and books.

## TELEPHONE & POSTAL SERVICES

Calls may be made from private homes, phone booths or post offices. The rates are the same in all cases. Public telephone boxes can be found in all central places in urban areas. The phones operate on magnetic cards which can be bought at newspaper and tobacco stands as well as at all post offices.

## Useful telephone numbers:

Slovene country code	386
Ljubljana city code	1
Slovene exit code	00
Police	113
Fire brigade	112
Emergency first aid	112

Ljubljana has around 30 post offices. They are open Monday through Friday from 7 a.m. to 7 p.m., and on Saturdays until 1 p.m.

## EATING OUT

The influences of the East and West, North and South have mingled in Slovenia, a phenomenon noticeable in Slovenia's traditional dishes. The city of Ljubljana offers a great variety of

cuisine and prices. Most restaurants serve food until 11 p.m., but some do so until early in the morning. There are also numerous specialised national restaurants: Chinese, Italian, Mexican, Thai and Spanish.

The tip is not included in the price of the meal. (10% for anything more than a coffee) In general, eating out in restaurants is not cheap.

Being an exchange student, you can use a system of subsidized student meals. The system is used in the majority of restaurants in Ljubljana and also in other cities in Slovenia. The subvention for meal is 2,59 EUR. To be able to register you need your mobile phone for identification and the student card issued by the university. More information you can find on: [www.studentska-prehrana.si](http://www.studentska-prehrana.si)

## WORK PERMIT

A work permit is obligatory for foreign students wishing to seek a long-term employment in Slovenia. Exchange students, however, do not need a work permit. The easiest way for foreign students to obtain part-time jobs is at so-called Študentski servis – a service providing information about part-time jobs for students.

This service is a mediator between companies and students and with the help of Študentski servis, you usually get less demanding, non-professional jobs (e.g. teachers/instructors for foreign

languages or music, computer programmers and translators). It is definitely a good way to earn some extra money. There are many such services throughout Ljubljana.

To get a job with the help of Študentski servis you are required to obtain a Slovene tax number and a bank account in one of the Slovene banks.

## TAX NUMBER

Anyone who wants to open a bank account in Slovenia, has to obtain a Slovene tax number. The beforementioned tax number is obligatory for all students who will work and be paid through Študentski servis and obtain a scholarship from a Slovene institution.

You can get a Slovene tax number at:

**Tax office Ljubljana** (Davčni urad Ljubljana)

**Sector for Foreigners** (Odsek za tujce)

p.p. 107, 1001 Ljubljana

Davčna ulica 1, Ljubljana

Phone: +386 1 369 30 00

e-mail: gp.durs-lj@gov.si

Office hours

Monday from 8.00 - 12.00 and from 13.00 - 15.00

Tuesday from 8.00 - 12.00 and from 13.00 - 15.00

Wednesday from 8.00 - 12.00 and from 13.00 - 18.00

Friday from 8.00 - 13.00

If you already have a residence permit, you will be issued a residential tax number, otherwise a non-residential one.

## BANK ACCOUNT

As a foreigner, you can open a bank account practically in any bank. You will be able to open a residential or a non-residential bank account, depending on your residence permit status.

## LEISURE ACTIVITIES

A rich and varied selection of sports and cultural activities is available to University of Ljubljana students, ranging from athletic teams, choirs, photo and film clubs, to dance and theatre groups. In addition, various departments of the University undertake their own cultural and sports activities. There are six cultural or information centres in Ljubljana: French, Italian, British, German, Spanish and American.

## ENTERTAINMENT AND CULTURE

You will find that Ljubljana offers a great variety of entertainment. Various classical concerts are held in Cankarjev dom, the Philharmonic and in churches. Besides classical music there are many pop, rock and alternative music concerts in halls, clubs, pubs and discotheques.

The city has 12 cinemas, well stocked with most current movies. Foreign films are shown with Slovene subtitles.

Throughout Ljubljana there are about 15 museums and 25 galleries and collections, and seven major theatres. A detailed program of daily events is listed in the daily newspaper.
