

Download IRS Tax Return Transcript Online

View and print your IRS tax return transcript immediately online by following the instructions below.

1. Copy and paste the following link into your browser: <https://sa.www4.irs.gov/icce-core/load/gettrans/pages/availableTranscripts.xhtml>.
2. Click **OK** when prompted with the user agreement.
3. Click Create an Account.
4. Enter your first name, last name, and email address, and then click **Send Email Confirmation Code**.
5. The IRS will immediately email you a confirmation code. Retrieve your confirmation code by viewing your email account in another browser window. If you close the IRS website you will have to restart the process.
6. Enter your 8 digit confirmation code and click **Verify Email Confirmation Code**.
7. Enter your Social Security Number, date of birth, filing status and address. Select the check box to continue as a "Guest". This will speed up the retrieval process by skipping the account creation process. Click **Continue**.
8. Answer the identity verification questions and click **Continue**.
9. Under the Return Transcript category, click on the year for which you would like to retrieve a tax return transcript.

Request Mailed Copy of IRS Tax Return Transcript Online

Request a mailed copy of your IRS tax return transcript online by following the instructions below.

1. Copy and paste the following link into your browser: <http://www.irs.gov/Individuals/Get-Transcript>.
2. Click **Get Transcript by MAIL**.
3. Click **OK** when prompted with the user agreement.
4. Enter your Social Security Number, Date of Birth, Street Address and ZIP/Postal Code.
5. Enter the Type of Transcript (**Return Transcript**) and the Tax Year.
6. The screen will indicate that "your request for a 20XX Return Transcript" has been accepted and to allow for 5-10 days to receive it. The transcript will be sent to the address the IRS has on file.
7. An option to request a different transcript will be available.
