I fully understand that failure to make a full disclosure of any fact or information called for may result in the denial of my application and receipt of an adverse moral character determination.** I therefore agree to give the Committee through the State Bar's Office of Admissions any further information which may be required in reference to such investigation. I understand that the contents of my moral character investigation are confidential and that I will not receive and am not entitled to have disclosed to me the information received or obtained during such investigation except as provided under California Evidence Code section 1040.

I also understand that pursuant to Rule 4.42, I am under a continuing obligation to keep my application current and must update in writing my responses to the application promptly whenever there is an addition to or a change to information previously furnished the Committee

I hereby release and exonerate the State Bar of California (including its Board of Governors, the Committee, members of the Committee of Bar Examiners, and officers, employees, agents and representatives of the State Bar) from any and all liability of every nature and kind arising out of the furnishing or inspection of such documents, records, and other information pertaining to me or the moral character investigations made by or on behalf of the Committee.
