Dear Parent (s) of South Georgia State College Student:

The Federal Direct Parent PLUS Loan is an educational loan for parents of dependent undergraduate students enrolled at least half-time (6 hours). Financial need is not an eligibility requirement, but good credit is required. Loan eligibility is based on Cost of Attendance minus other aid received. Student must complete a current year's Free Application for Federal Student Aid (FAFSA) before applying for the Parent PLUS loan.

To apply for the PLUS loan a parent should first apply for a pin number at www.pin.ed.gov. Once a pin has been received and activated the parent should complete the credit check online at www.studentloans.gov.   Upon the credit check approval a Master Promissory Note (MPN) must be completed by the same parent whose credit was approved.

Please submit the Federal Direct PLUS loan Request Form, verification of your credit check approval and the first page of your MPN to the Financial Aid Office at SGSC. Only one parent will need to complete the request form. To avoid delays in processing, please provide accurate parent information. **Please provide a copy of the parent borrower's driver license or other photo ID along with the loan request form.**
