Payment information - To avoid having additional interest and/or fees imposed on your outstanding balance, please pay the amount indicated by the date shown using the enclosed payment voucher. Additional interest accrues on the first business day of each month.

Notices being generated due to returned payments are not subject to additional appeal rights. Appeal rights were given on the original notice and/or filing of the return. If this notice is for a return check charge for a returned estimated tax payment, you can either replace the payment by submitting a new voucher and check to the address listed on the voucher, or adjust your records to reflect the absence of this payment.

If you cannot pay the full amount due by the pay by date, you may ask to make installment payments. It is to your advantage to pay the amount due in full rather than in installments to avoid the accumulation of additional interest and collection fees. In addition, installment agreements with the department are subject to a \$20 installment agreement fee and will not prevent the filing of a tax lien. You may obtain the Installment Agreement Request Form (Form A-771) by visiting our web page at www.revenue.wi.gov, by calling us at (608) 266-1961, or by writing to Wisconsin Department of Revenue, PO Box 8901, Madison, WI 53708-8901.

If you do not appeal this notice or pay the amount due, you will be charged additional interest of 18% per year and a delinquent tax collection fee equal to the greater of \$35 or 6 1/2% of the unpaid balance. We may also take additional collection action, which could include filing a tax lien.
