SECTION 17
FIRE DEPARTMENT IDENTIFICATION NUMBERS (FDID)

On the following pages, you will find the Fire Department Identification Numbers, which have been separated into four distinct sections.

Instructor Note: Please refer to this section for information on each locality when having students fill out their Student Registration/Personal Data Form.

The following format has been adopted for quick reference:

- ❒ Locality
- ❒ Agency
- ❒ Address 1
- ❒ Address 2
- ❒ City
- ❒ State
- ❒ Zip Code
- ❒ FDID

FDID code plus (98) last two digits denotes Rescue Squad and Law Enforcement agencies. Example 00098.

FDID code plus (99) last two digits denotes miscellaneous entries. Example 00099.

When using FDID code (99999) student will be registered outside entity no emergency service recognition. Example 99999.
