Pursuant to the environmental remediation recovery mechanism approved in PSC Order No. 6401 (April 20, 2004) in Docket No. 04-53, Delmarva Power & Light Company ("Delmarva") has filed an application (the "Application") with the Commission proposing an increase in the Environmental Surcharge Rider ("ESR") from a positive surcharge of \$0.00021 per ccf to \$0.00059 per ccf for all firm delivery customers, with the increased rate to become effective with usage on and after

November 1, 2013, with proration, subject to modification and refund after an evidentiary hearing.

For a typical residential space heating customer using 120 ccf of gas in a winter month, the effect of the proposed ESR rate change will be an increase in the monthly winter bill of approximately 5 cents or a 0.1% increase in their total bill. Commercial and industrial customers will see an increase varying from 0.03% to 0.05% depending on usage.

By **Order No. 8464** dated September 26, 2013, the Commission permitted the proposed rates to become effective with usage on and after November 1, 2013, with proration, subject to modification and refund after an evidentiary hearing.

On November 21, 2013, starting at 1:00 p.m., the Commission will consider whether to grant Delmarva's Application. The evidentiary hearing will be held at the Commission's office located at 861 Silver Lake Boulevard, Cannon Building, Suite 100, Dover, Delaware 19904. The Commission will render a decision based upon the evidence presented to it at this evidentiary hearing.

Interested persons or entities are afforded the opportunity to file written comments or objections to the proposed change in the ESR rate. Such written comments or objections must be filed **on or before October 17, 2013**. Please send these written comments to the Commission's address listed above and note the "attention to" as "PSC Docket No. 13-348." Written comments may also be sent electronically to psc@state.de.us and should include "PSC Docket No. 13-348" as the subject line.

In addition, the Commission will accept public comments on the Application immediately prior to the commencement of the evidentiary hearing on November 19, 2013.

If you wish to formally participate as a party in this matter, with the right to present evidence and be represented by counsel, you must file with the Commission a written petition asking for leave to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (26 Del. Admin. C. §1001-2.9) **on or before Monday, October 14, 2013**. All such petitions should be sent to the Commission's address listed above with attention to "PSC Docket No.13-348." Petitions for intervention that are not received by the Commission **on or before October 14, 2013**, will not be granted unless good cause is shown. If intervention status is granted, any intervenor wishing to oppose the Application must file written pre-filed testimony with the Commission on or before **October 28, 2013**. Any submissions sent by an intervenor that are not received by the Commission **on or before October 28, 2013**, will not be considered. Such written submissions shall also be served on the persons identified in **Order No. 8464** in this docket.
