ABOUT THE UPDATE

The Midwest Neuropsychopharmacology Update provides the opportunity for attendees to interact with regional and national experts on topics of interest in the care of patients with psychiatric and neurologic disorders. The conference is held each year in a city in the Midwest. The Update is a regional meeting of the College of Psychiatric and Neurologic Pharmacists, an organization dedicated to the promotion of rational pharmacotherapy and care for patients with brain disorders.

Target Audience:

Designed for Pharmacists, Physicians, and Physician Assistants who are interested in the management of psychiatric and neurologic disorders.

Statement of Need:

The conference provides a variety of cutting edge topics that are related to recent clinical studies and current clinical controversies encountered by practicing psychiatric clinicians.
