

Job shadowing introduces the potential respiratory care student to the roles and responsibilities of today's respiratory therapists.

A minimum total of eight (8) hours must be completed prior to being accepted into the Respiratory Care Program at SSCC. Following is contact information to consider for shadowing experience. The lists below are not intended to be all inclusive.

Four (4) hours must be completed at a *rural* hospital.

Berger Hospital: John Payne (740) 420-8323 or john.payne@bergerhealth.com

Clinton Memorial Hospital: Debbie Young (937) 382-9274 or deyoung@cmhregional.com

Fayette County Memorial Hospital: (740) 333-2735

Greene Memorial Hospital: Contact SSCC Respiratory Care Department for GMH's information/forms. Student must have a negative TB test or chest x-ray within past 12 months and usual childhood immunization records prior to scheduling shadowing experience. (937) 352-2729

Highland District Hospital: Contact HDH's Respiratory Dept at (937) 393-6168 for orientation packet.

Mercy Health – Clermont Hospital: Student must have a negative TB test or chest x-ray within past 12 months prior to scheduling shadowing experience; a MMR or titer; and current flu vaccine prior to scheduling the shadowing experience. Documents verifying compliance of these required health requirements must be submitted to the SSCC Respiratory Department. Chyane will then assist you in contacting the facility to schedule the shadowing experience.

Four (4) hours must be completed at an *urban* hospital.

Miami Valley Hospital: Contact SSCC Respiratory Care Department for MVH's information/forms. Student must have a flu shot past 12 months prior to scheduling shadowing experience. Contact for scheduling: John Martin (937) 208-6174.

Nationwide Children's Hospital: Contact SSCC Respiratory Care Department for NCH's information/forms. Student will also need a flu vaccine for the current year.

The Ohio State University Wexner Medical Center: Andrea Yagodich prefers email communication for shadowing information at andrea.yagodich@osumc.edu. (614) 293-8666

Riverside Methodist Hospital: Craig Gordon (614) 566-4984 or craig.gordon@ohiohealth.com only for students who have applied to SSCC Respiratory Care Program.

With the exception of some hospitals noted above, it is the individual student's responsibility to contact the site(s). We recommend you shadow a registered respiratory therapist (RRT) or an *experienced* respiratory care professional (RCP). Some hospitals may require **orientation, immunizations, and paperwork prior to you shadowing. **Ask, and plan accordingly.****

Dress code policies at all facilities require the student to wear scrubs or business casual attire (khakis or dress slacks). Jeans, shorts, t-shirts and sandals/open-toed shoes are ***never*** acceptable. It is the student's responsibility to verify proper attire when scheduling his/her shadowing experience.

The shadowing experience must be completed within the two (2) years prior to the start of the program. Complete the form after each portion of the shadowing experience.
