### *Please Read This Section Carefully and Completely*

#### **I agree in signing below to the following:**

- I will complete installation/conversion of my equipment, listed in item (A) above, within six (6) months from the date said gas service is installed by Con Edison Company of New York, Inc. ("the Company"). Electronic notification of gas service installation will be provided by the Company. Complete installation/conversion of equipment means that the building is ready to have a Final Inspection conducted by the Company or its contractor and pass the required inspection. I understand that if I do not complete my gas conversion, I am responsible to Con Edison Company of New York, Inc. for the cost of the installation of my gas service. This cost will be refunded in accordance with the terms of the applicable tariff should I complete the installation/conversion at a later date. Should force majeure prevent the completion of the Final Inspection within this six (6) month time period, I agree to request, in writing, an extension from the Company not to exceed sixty (60) days in length.
