## Josiah Viera shirts

2007 Miracle Kid Josiah Viera and his family are selling special t-shirts to benefit Children's Miracle Network at Geisinger.

Josiah has Hutchinson-Gilford Progeria syndrome, a genetic condition often referred to as early aging disease. Josiah is one of only 40 kids in the world to be diagnosed with the disease.

Big hearts come in small packages and Josiah is always trying to find a way to help other sick and injured children. These special shirts are a way to honor Josiah and support Geisinger Janet Weis Children's Hospital.

For more information, call 1.570.271.6188. Josiah & his sister Daisha model the t-shirts.
