**\*Manufacturer's label is maintained in the clinic for parents to review upon request**

**III. PARENTAL PERMISSION (To Be Completed By Parent/Guardian). Form is void if this section is incomplete.**

I request the designated school personnel to assist my child in the administration of the above described medication/s. I give permission for my child to take the medication indicated above by my checking the yes box according to the condition/symptoms described while in school or while participating in school activities away from the school site. I understand that: (1) there is no liability on the part of the school district, its personnel, or agents, including Escambia County Health Department personnel, for civil damages as a result of the administration of this medication to my child when the person administering the medication acts as an ordinarily reasonably prudent person would have acted under the same or similar circumstances; (2) these medications are stocked and maintained by school clinic with standing orders prescribed by the Director of the Escambia County Health Department; (3) I will be notified of the medication and time that the OTC medication was administered to my child; (4) I will be contacted if my child's symptoms do not improve and s/he is unable to remain at school. I hereby authorize the exchange of medical information regarding my child's treatment plan between the physician and school health personnel of the Escambia County Health Department and the Escambia School District. Furthermore, if my child is covered by Medicaid and receives services under an IEP, I consent for the school district to bill Medicaid for those services.

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Students are not allowed to bring or carry any over-the-counter medications to school or school sponsored activities.**

# MEDICATION PROTOCOL AT SCHOOL

## PARENT RESPONSIBILITIES

### Prescription Medication

1. An Authorization for Administration of Prescription Medication form (9400-HES-005A) must be filled out by the physician, and signed by the parent.
2. A separate authorization form must be filled out for **EACH** medication administered.
3. Changes in medication require a **new** authorization form signed by the physician and parent.
4. Medication must be in the original pharmacy-labeled container.
5. No more than a 30-day supply of medication may be accepted.
6. A responsible adult must deliver and pick-up the medications in the school clinic.
7. Notify clinic staff directly of any medication changes, including discontinued medications.
8. If your child is authorized to receive an early morning medication at school, do not give this dose at home.
9. Discontinued medication must be picked up by parent within one week of the stop date. Unclaimed medication will be destroyed one week after the stop date.
10. During the last month of the current school year, bring only enough medication to be used by the last day of school. Unclaimed medication will be destroyed at the close of the last day of school.

### Non-Prescription Medication

1. The **ONLY** non-prescription medications/over-the-counter medications that will be administered at school are:
  - a. Acetaminophen (Tylenol®)
  - b. Calcium Carbonate (Tums®)
  - c. Diphenhydramine (Benadryl®)
  - d. Ibuprofen (Advil®, Motrin®)
  - e. Sting Relief Pad (2% Lidocaine; external use only)

Any medically required exception to the above non-prescription medication, requires an Authorization of Prescription Medication form (9400-HES-005A) from the student's physician.

2. The Medical Director of Escambia County Health Department provides standing orders for these OTC medication to be administered with parental consent and according to the dosage and time on the manufacturer's label.
3. Authorization for Administration of Over-the-Counter Medication (OTC) form (9400-HES-005B) is available in the school clinic for parent to indicate which of these OTC medication/s can, or cannot, be administered to the student each school year.
4. Over-the-counter medications as listed above are provided and maintained by the school health staff in the school's clinic in the original containers with the manufacturer's label.
5. Notify clinic staff directly of any medication changes, including withdrawal of parental consent.
6. Over-the-counter medications provided by the school will not be administered to pregnant or breast feeding students unless there is an Authorization of Prescription Medication form (9400-HES-005A) from the student's physician.
