

Employee's Withholding Allowance Certificate

North Carolina Department of Revenue

10-03

PURPOSE. Complete Form NC-4 so that your employer can withhold the correct amount of State income tax from your pay. **EXEMPTION FROM WITHHOLDING.** Read line 6 of the certificate below to see if you can claim exempt status. If exempt, only complete the certificate; but do not complete lines 4 and 5. No State income tax will be withheld from your pay.

BASIC INSTRUCTIONS. If you are not exempt, complete the Personal Allowances Worksheet. An additional worksheet is provided on page 2 for employees to adjust their withholding allowances based on itemized deductions, adjustments to income, or tax credits. The worksheets will help you figure the number of withholding allowances you are entitled to claim. However, you may claim fewer allowances if you wish to increase the tax withheld during the year. If your withholding allowances decrease, you must file a new NC-4 with your employer within 10 days after the change occurs except that a new NC-4 is not required until the next year in the following cases:

1. When a dependent dies during the year.
2. When an individual ceases to be a dependent during the year and the support furnished will be the chief support for the year.

3. When an individual ceases to be head of household after maintaining the household for the major portion of the year.

HEAD OF HOUSEHOLD. Generally you may claim head of household status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. **Note:** "Head of Household" for State tax purposes is the same as for federal tax purposes.

QUALIFYING WIDOW(ER). You may claim qualifying widow(er) status only if your spouse died in either of the two preceding tax years and you meet the following requirements:

1. Your home is maintained as the main household of a child or stepchild for whom you can claim an exemption; and
2. You were entitled to file a joint return with your spouse in the year of your spouse's death.

Note: "Qualifying Widow(er)" for State tax purposes is the same as for federal tax purposes. Because the standard deduction used in the tax tables for married and qualifying widow(er) is \$3,000 and you are entitled

to a standard deduction of \$6,000, you may elect to claim an additional personal withholding allowance on line C below to avoid having too much tax withheld.

MARRIED AND SPOUSE DOES NOT WORK OR HAS WAGE INCOME OF LESS THAN \$3,500. The withholding tax tables are based on both spouses earning wages during the year. If your spouse does not work or will earn wages of less than \$3,500 during the year, you may elect to complete line B below to avoid having too much tax withheld.

TWO JOBS. If you have more than one job, figure the total number of allowances you are entitled to claim on all jobs using only one form NC-4. This total should be divided among all jobs. Your withholding will usually be most accurate when all allowances are claimed on the NC-4 filed for the higher paying job and zero allowances are claimed for the other.

NONWAGE INCOME. If you have a large amount of nonwage income, such as interest or dividends, you should consider making estimated tax payments using Form NC-40.
