## HEAD COACH JEFF GEETER

Geeter begins his fifth year and 13th overall of leading the women's program after three seasons of just coaching the men's team. He was the women's coach from 1990 through 1997.

Geeter has compiled a 63-120-10 mark in 12 seasons as the women's head coach. In 2003, the Panther women finished 9-9-1. It was the first non-losing season in the program's history. The record was a turn around from a 2-14 mark in 2002. The Panther women tied for 13th nationally as one of the most improved teams in NCAA Division III. The outstanding season earned Geeter the Great South Athletic Conference (GSAC) Women's Coach of the Year award.

The 1992 team, which finished 7-9, was fourth in the nation in scoring. The Panthers were led by Karen Goodman, who led the nation in scoring average, total points and was in the top ten in four other categories.

Under Geeter, the Panthers have produced three all-region players, five all-conference players and five academic All-Americans.

Geeter, an Atlanta native, came to LaGrange from his alma mater of Tennessee Wesleyan. He was the men and women's head coach from 1986

until accepting the Panthers' head job in 1990.

Geeter started his collegiate playing career at Andrew College in Cuthbert, Ga. before attending the University of Alabama at Huntsville.

He transferred to Tennessee Wesleyan, graduating with a B.A. degree in health and physical education.

At Tennessee Wesleyan, Geeter was named to the all-conference, all-district, all-area and NAIA All-American teams. He was the team's most valuable defensive player as a goalkeeper, leading TWC to a 17-4 record, its best ever. Geeter was inducted into the school's Athletic Hall of Fame in 2002.

Geeter is married to the former Dianne Frazier and they have a son, Zach, 17.

### ATHLETIC TRAINING STAFF

#### **Asst. Athletic Trainer Rob Dicks, MAT, ATC, LAT**

Rob joined the Panther Athletic Department in August 2001 as assistant athletic trainer. He graduated from Valdosta State University in May 2001 with a B.S. in Sports Medicine/Athletic Training and completed his Masters in Arts of Teaching in 2004. He first came to LC as an intern during the spring of 2001. He also interned with the Tampa Bay Buccaneers in May 2001 and the Atlanta Falcons in the summer of 2001. He is certified by the National Athletic Trainers' Association Board of Certification and licensed by the state of Georgia. Rob, a native of Augusta, GA, is married to the former La'Shanda Collins and they have two daughters, Zykeria and Zakiya.

#### **Asst. Athletic Trainer Eva Beaulieu, M.Ed., ATC**

Eva is the newest member of the Athletic Training staff. She graduated from Georgia College & State University in May 2004 with a B.S. in Health Education: Athletic Training. She also received her Master's of Education from GC&SU in May 2006. Eva worked with a variety of sports while in college and was the athletic trainer for the 2006 GC&SU softball team which qualified for the NCAA DII World Series. She is certified by the National Athletic Trainers' Association Board of Certification and licensed by the state of Georgia.

# ATHLETIC TRAINING

Athletic training is an allied health profession, which deals with the care of the physically active. Athletic trainers are specifically educated in prevention of athletic injuries and to recognize, evaluate, and assess athletic injuries. Athletic trainers provide immediate care to injuries as well as provide appropriate treatment and rehabilitation to those injuries if the need arises. At LaGrange College, the athletic training staff's mission is to provide the best possible care to the student-athletes at LaGrange College.

The new athletic training room is equipped with various modalities to aid the athletic training staff in their attempts to return the Panthers to the playing field or court. In addition to a hydrotherapy room, treatment space, taping space, and a rehab area, the athletic training room has a physician's exam room. The Southern Center for Orthopedics are the team doctors for the athletic department and hold clinics to see the athletes in the athletic training room throughout the academic year

## Assistant Coach Kristen Lockman

Kristen will assist Geeter this season as she makes the transition from player to coach, after taking two years away from the game to receive her Master's Degree in Psychology. She will be working towards her second Master's Degree in Education at LaGrange. She enjoyed a stellar career for the Panthers,

playing from 2000-03. She was a member of the 2003 team that went 9-9-1 and advanced to the semi-finals of the GSAC tournament. The nine wins were the most in school history. Lockman holds the game record in assists with four. She currently sits second all-time in career points and goals. She is single and currently lives in LaGrange.

## Panther Field, Home of LaGrange College Soccer

LaGrange College plays its home games on beautiful Panther Field, a 120 yard by 80 yard Bermuda grass pitch with seating for over 500 fans. Excellent lighting, attractive landscaping and ample parking helps make Panther Field one of the finest collegiate playing facilities in the Southeast. Over the past few years LaGrange has hosted several conference tournaments and hopes to host future NCAA regional matches in the future. The adjacent Callaway Education Building houses the Panthers' training facilities, locker rooms and an auxiliary weight room. The building has convenient restroom facilities for fans and a lounge area. All in all, the Panther Field complex is a great place to play and watch soccer.

## Assistant Coach Mike Petite

Petite begins his fifth season with the Panthers. Petite works with all facets of the Panthers' program. His duties include aiding in practices and games, along with recruiting responsibilities. In 2004, Petite helped guide the Panthers to a 9-9-1 mark, the program's first non-losing season.

Petite also serves as the head coach for the LaGrange Academy soccer programs in LaGrange. Petite has had the Academy's girls' team in the state playoffs for seven consecutive seasons that included a berth in the 2004 state championship game. The girls' team has finished first or second in their respective region for seven straight years.

Petite was a four-year letterman at East Forsyth High School in Kernersville, N.C. He played on the Greensboro (N.C.) Bucs club team for four years and was a member on a state championship squad. Petite holds degrees in finance from Appalachian State University and social science education from the University of Georgia. He completed his master in sports administration from Georgia State University in 2004.

Petite is married to the former Catherine Rivenbark. They have a daughter, Madison who turns one in

# Great South Athletic Conference

## About the Great South

The Great South Athletic Conference is an athletic affiliation of eight NCAA Division III member institutions in Alabama, Georgia and Tennessee.

The purpose of the Great South Athletic Conference is to provide an association through which the membership may encourage organized competition in intercollegiate sports. In particular, we recognize athletics as integral to the campus life program of our students and as essential to the total development of our student-athletes. We direct significant institutional resources to our athletic programs to assure that student-athletes have appropriate coaching, facilities, equipment and opportunities for travel to compete against other conference schools.

Colleges and universities in NCAA Division III place the highest priority on the overall quality of the educational experience and on the successful completion of all students academic programs. They seek to establish and maintain an environment in which a student-athlete's athletic activities are conducted as an integral part of the student-athlete's educational experience. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletic staff. The purpose of the NCAA is to assist its members and developing the basis for consistent and equitable competition while minimizing infringement on the freedom of the individual institutions to determine their own special objectives and programs.
