

Brighton Masonic Lodge - Danny Beacome Scholarship Program

Welcome Brighton Lodge #247 F.&A.M. Scholarship Award Applicant,

The scholarship committee, officers, and members of the Brighton Masonic Lodge heartily welcome your application for this scholarship award. Each year the Brighton Lodge scholarship committee receives and evaluates many applications. It is our hope that your academic achievements along with your extracurricular activities are exemplary and will have prepared you for your higher education.

In the event that you are chosen to receive an award, we hope that it is able to offset some of the costs of your education. This scholarship award is to be used to support the costs of the full time undergraduate studies in the coming academic year. Please note that applicants chosen to receive an award must return the full sum of the award in the event that they do not matriculate at a college, university or other approved institution for higher learning in the coming academic year. Regardless of this scholarship award, it is our most sincere hope that you will invest yourself in your college education. Many years from now it is likely that you will look back at this stage in your life and reflect that your education has been one of the best investments you have ever made. The brothers of Brighton Lodge wish you the very best luck in applying for the award and any and all other scholarship awards that you choose to pursue. We hope that you find college to be a challenging and highly fulfilling experience.
