District Governor's "Engage Rotary" Challenge

We hope you will accept this challenge to become ENGAGED in Rotary in your club, in your community, in our district, and in Rotary International. With your involvement and continued support of the Rotary Foundation and Membership Recruitment, Rotary will continue to be a key player in humanitarian assistance and development around the world.

RI President Ron D. Burton announced our theme "Engage Rotary Change Lives" which is your challenge to become engaged in local and district Rotary activities. The more you get involved in Rotary, the more return you get from knowing that you have helped make this a better world to live in! Wear your pin every day and tell people about your Rotary Moment! Everyone likes a story-teller and that is something that is in all of us!

Fill out this form and discuss it with your Club President (2013-14). He or she can send me an email (dinty@wightman.ca) with your name. You must complete the required number of elements in each of the categories. All submissions should be sent BEFORE March 31st, 2014.

Starting in January 2014, a monthly draw will be held in January, February, and March for the Saturday meal package at the 2014 District Conference. The monthly draws will be held on the second Thursday of those months.

This form does not have to be sent, but should be retained by the Club President.
