AND WASHOE TRIBE OF NEVADA AND CALIFORNIA**

THIS MEMORANDUM OF UNDERSTANDING hereinafter referred to as “Agreement” made and entered into this day ____ of _____, 2006, by and between the COUNTY OF SAN MATEO Human Services Agency hereinafter referred to as “HSA”, and the WASHOE TRIBE OF NEVADA AND CALIFORNIA, hereinafter referred to as “WTNC”,

WITNESSETH

WHEREAS, on June 5, 2006, the U.S. Department of Health and Human Services (hereinafter referred to as “HHS”) approved the transfer of the provision of Temporary Assistance to Needy Families (TANF) services from the San Mateo County Human Services Agency to a tribal government in accordance with Public Law 104-193, as amended, Chapter 270, Statutes of 1997 (California Assembly Bill Number 1542), as amended and the Welfare and Institutions Code, Section 10553.1 – 10553.3, as amended; and

WHEREAS, HSA and WTNC desire a smooth transfer of the provision of such TANF services; and

WHEREAS, The WTNC desires to provide a tribal family assistance program (hereinafter referred to as “Native TANF”); and

WHEREAS, the Board of Supervisors of the County of San Mateo delegated authority to the Director of the Human Services Agency or his/her designee to negotiate, an agreement with the Washoe Tribe of Nevada and California relating to the transfer of TANF services.

NOW THEREFORE, it is mutually agreed as follows:

I. PURPOSE

The purpose of this Agreement is to outline HSA’s and WTNC’s responsibilities in connections with provision of Native TANF in San Mateo County. This Agreement shall have no fiscal impact for either party.

II. TERM

The term of this Agreement begins the date of signature by the County of San Mateo, Board of Supervisors or its designee, or HHS approval of the WTNC plan, whichever is later, and ends June 30, 2007. It will be automatically renewed for successive County fiscal year periods beginning on July 1, 2007 and terminate when the delegation of authority terminates, on June 30, 2008 unless terminated earlier as provided in Section VI.

III. RESPONSIBILITIES OF COLLABORATIVE PARTNERS

For qualified Native American Indian families residing in San Mateo County who choose to receive Native TANF, the following general provisions are agreed to by HSA and WTNC.

- A. WTNC will provide Native TANF cash aid, and employment and supportive services.
- B. HSA will provide Food Stamps and Medi-Cal.

- C. A process for recruiting and transitioning qualified HSA CalWORKs cases to Native TANF will be established and mutually agreed upon by both parties.
- D. Qualified Native American Indian families can choose to receive Native TANF **or** CalWORKs but cannot receive aid from both programs simultaneously. All approved CalWORKs cases will be given the option to transfer to Native TANF; up to the maximum of 175 cases will be transitioned within 180 days after this Agreement begins.
1. HSA will contact Native American CalWORKs customers and provide them Native TANF program information developed in conjunction with WTNC.
 2. HSA and WTNC will develop a contingency plan to address transitioning existing CalWORKs recipients, as well as CalWORKs applicants, should the maximum service level (i.e. 175 cases) be reached.
 3. The contingency plan will address waiting lists, priority for services, etc. For any approved family on a waiting list for Native TANF services, HSA will provide CalWORKs cash aid, employment and supportive services.
- E. WTNC and HSA will exchange information as needed to determine eligibility for Native TANF, CalWORKs, Medi-Cal or Food Stamps pursuant to Welfare and Institutions Code section 10850.
1. HSA and WTNC agree to exchange Social Security Numbers, as needed, to prevent duplicate aid.
 2. WTNC agrees to inform HSA in advance of any planned program changes (e.g., cost-of-living increases) to ensure Food Stamp and Medi-Cal program integrity.
 3. WTNC agrees to comply with all applicable Federal and State statutes related to client confidentiality.
- F. The federal 60-month time limit applies to both TANF programs, and the time aid is received in either program counts toward that 60-month time limit.
- G. Previously imposed or current sanctions are not transferable from one program to another. CalWORKs sanctions will not be applied to families transitioning from CalWORKs to Native TANF; conversely, Native TANF sanctions will not be applied to families opting to receive CalWORKs. If however, a client chooses to transfer back to CalWORKs after transferring to Native TANF, that client will transfer back to CalWORKs with his or her previous CalWORKs sanctions. The converse also applies if a client transfers from Native TANF to CalWORKs and then back to Native TANF.
- H. HSA will identify a formal Native TANF liaison to resolve issues that arise in administering this program. The HSA Tribal Liaison and designated Native TANF staff will meet as needed to develop procedures, outreach efforts, mutual education and to resolve issues that may arise in the administration of the Native TANF program.
- I. Both agencies will allow reciprocal outreach programs at their respective offices. HSA staff will conduct Food Stamp and Medi-Cal outreach activities through the Native TANF offices; conversely WTNC will conduct Native TANF outreach through HSA offices.
- J. On Native TANF cases where fraud is suspected, WTNC may collaborate with San Mateo County HSA and share pertinent information with identified HSA investigative staff. The HSA

investigator will review database information regarding suspected fraud, and share the information with WTNC. On such matters WTNC will determine whether to pursue a referral to the District Attorney's office. If after an investigation WTNC determines Native TANF fraud has occurred, it will share with HSA all information that may impact that client's Medi-Cal or Food Stamps case. If after an investigation HSA determines Medi-Cal or Food Stamp fraud had occurred, it will share with WTNC all information that may impact that client's Native TANF case. If a Native TANF case is transferred back to HSA, WTNC will inform HSA of any history of fraud, intentional program violations or sanctions at the time of transfer from WTNC to HSA. If a HSA case is transferred to WTNC, HSA will inform WTNC of any history of fraud, intentional program violations or sanctions at the time of transfer from HSA to WTNC.

- K. Collaboration will occur between both parties to respond and facilitate issues identified as barriers to self-sufficiency and family unity of Native TANF customers.
