is a Certified Development Company ("CDC"), a corporation certified by the United States Small Business Administration ("SBA") to participate in the SBA loan program designed to help small businesses finance the purchase or construction of a long-term fixed asset ("Asset") such as real estate, buildings, and equipment (the "504 Program").

In accordance with 504 Program rules, CDC used the proceeds of a debenture guaranteed by SBA ("Debenture") to partially finance a borrower's purchase of an Asset (the "CDC loan") which is secured by a lien on the Asset and other borrower property as deemed appropriate by the CDC (the lien on the Asset and other borrower property is hereinafter referred to collectively as "Liens"). In consideration of SBA's guaranty of the CDC Debenture, CDC, among other things, (1) assigned to SBA the Liens and the note underlying the CDC loan and (2) agreed to continue to service the CDC loan.

Borrower has requested the CDC to undertake action in conjunction with the CDC loan. CDC has certified to SBA that it has used forms of documents approved by SBA for this purpose and consistent in all respects to the approval by SBA to consummate the Borrower's request.

Therefore, SBA, reposing special trust and confidence in CDC, hereby appoints CDC its attorney-in-fact to prepare, sign, file and/or record on SBA's behalf the form of approved from time-to-time by SBA for this purpose and to consummate approved loan servicing transaction or to otherwise modify SBA's security interest as necessary to effectuate same.

This authorization does not limit in any manner the duties, obligations, and responsibilities of CDC to SBA and the authorization may be rescinded in writing at any time in the sole discretion of SBA.
