TO: Parents of Students Interested in Participating in Athletics

SUBJECT: STUDENT INSURANCE FOR ATHLETICS

SPORT(S) _____

Please read this Notice and Release and make sure you understand its provisions before deciding whether to permit your son or daughter to participate in middle or senior high school athletics.

1. Board of Education Policy No. 5143 requires that the Student Accident Insurance offered by the school system will be required for all students participating in middle and senior high school athletics unless an insurance waiver form is signed by the parent indicating adequate personal insurance and releasing the Board of Education and its employees from responsibility for any claim due to injuries received while participating in a school sponsored athletic program.
2. There ARE limitations in the Student Accident Insurance coverage. IT WILL NOT ALWAYS PAY ALL OF THE CHARGES INCURRED FOR EVERY ACCIDENT. For a summary of the coverage and benefits provided by the Student Accident Insurance, please read the current Student Accident Brochure carefully that has been furnished to each student at the beginning of the school year. If you did not receive the brochure or if you have questions about the insurance coverage provided under this policy, contact the Athletic Director at the school where your child is enrolled.
3. To be eligible to practice or participate in any school athletic program, each participant must receive an ANNUAL MEDICAL EXAMINATION and return a physical examination form each calendar year (once every 365 days) signed by a physician licensed to practice medicine.
4. Neither the Board of Education nor any of its employees will assume responsibility for claims resulting from injury to your child while he or she is participating in the school athletic program. This means that you will have to pay for any medical expenses not covered by the Student Accident Insurance, any personal insurance coverage that you might have and/or any other applicable insurance.

I, _____, (print name) state that I have read and understand the provisions of the Notice and Release and the Student Accident Brochure. I further state that prior to signing this document, I have had an opportunity to ask questions and that my questions have been answered to my satisfaction. I acknowledge that neither the Board nor any of its employees assumes any responsibility for claims resulting from injury to my child while he or she is participating in the school athletic program. In consideration of my child being permitted to participate in this school athletic program, I HEREBY WAIVE, RELEASE AND DISCHARGE the Charlotte-Mecklenburg Board of Education and its employees from any responsibility for claims resulting from injuries to my child due to his or her participation in this school athletic program. I hereby certify that my child has received a MEDICAL EXAMINATION and has returned a physical examination form in compliance with the policy set forth in paragraph 3 of the Notice and Release. Based upon this foregoing, I certify that I consent to have my child participate in the school athletic activity or activities identified above. With regard to insurance coverage for my child's participation in athletics, I make the following representation and selection (check one, sign and return promptly):

_____ I have adequate personal insurance that will cover injuries that might be sustained by my child as a result of his/her participation in school athletics. I understand that in the event that my child sustains any injuries as a result of his/her participation in school athletics, I am responsible for payment of medical expenses or other items not covered by any personal insurance.

_____ My son/daughter has enrolled in the Student Accident Insurance Program on ____/____/____ and I understand that in the event my child sustains any injuries as a result of his/her participation in school athletics, I am responsible for the payment of any medical expenses or other items not covered by the Student Accident Insurance.
