

Thanksgiving Fundraiser

The first grade is participating in a local fundraising project with Sensible Edibles Bakery. Sensible Edibles is an all-natural baking company. We are selling their pies and will earn a \$5 profit on each pie sold. As a grade, we will research and vote on which charity to donate the money earned.

Below is a list of the pies. Please select the pie or pies you would like to order, indicate the quantity and return this form with either cash or a check made out to Poly Prep. Forms are due by Monday, November 15th, and pies will be delivered to Poly on Monday, November 22nd, just in time for the Thanksgiving holiday. Pies should be picked up on Monday and Tuesday, November 22nd and 23rd, from 2:30 till 3:00 pm in the vestibule.

Thank you!
