

March 2013

Dear NHS Parents and Guardians,

Do you remember your prom? It may seem like yesterday or it may seem like a long time ago now that you have a child about to experience this same milestone. You have watched your child grow, mature and become more independent, and along each step of the way you have provided structure and support to keep them safe as they spread their wings. The Natick After Prom is another chance to provide your child an opportunity – the privilege of late night fun with their friends.

This year is Natick's 25th annual After Prom Party, to be held in the new high school. Our theme this year will be "Mardi Gras". The all-night party begins midnight May 24th and ends at 5:00 a.m. May 25th. The night is **FREE** for ALL NHS Juniors and Seniors and their guest *whether you attend the prom or not.*

With the success of last year's event we urge you to encourage your child, invited guest and their friends to check out this year's event. Here are a few of the planned activities: back by popular demand – **Lazor Tag** (start recruiting your team), money booth, t-shirt art, casino, fortune tellers, and relax in the new auditorium watching your favorite TV show reruns. As always, fabulous food, music, dancing and big prize giveaways such as: TVs, iPod, iTouch, college dorm accessories, luggage, and concert tickets, tons of restaurant gift cards and so much more.

The After Prom Party is a substance-free event that continues the fun after the Prom. **We ask that you please understand private home parties (may lead to unwanted activity) are in direct competition with our event and its mission.**

This is not a lock-in event. Anyone may leave during the night, however they may not re-enter. We will make a phone call to inform you that your child will be leaving...not to ask. We will leave a message if there is no answer.

Months of planning go into creating a fantastic event for the Juniors and Seniors. We need your help! And there are ALL kinds of ways to help, from the very easy with no heavy lifting, to opportunities for those that like to dive in the deep end. See the next page to find a way to participate.

Any questions or concerns, please do not hesitate to email Jean Whitney at jakejr_1@msn.com or contact Rose Bertucci directly.

Sincerely,

Rose Bertucci, Principal
