Form PTAX-342 General Information

What is the Disabled Veterans' Standard Homestead Exemption (DVSHE)?

Beginning in tax year 2007 and after, the Disabled Veterans' Standard Homestead Exemption (35 ILCS 200/15-169) provides an annual reduction in the equalized assessed value (EAV) of a primary residence occupied by a disabled veteran on January 1 of the assessment year. The DVSHE amount depends on the percentage of the service-connected disability as certified by the U.S. Department of Veterans' Affairs. A disabled veteran with at least a 70% service-connected disability will receive a \$5,000 reduction in property's EAV. A disabled veteran with at least 50%, but less than 70% service-connected disability, will receive a \$2,500 reduction in property's EAV.

Who is eligible?

To qualify for the DVSHE, the disabled veteran must

- be an Illinois resident who served as a member of the U.S. Armed Forces on active duty or state active duty, Illinois National Guard, or U.S. Reserve Forces, and who has an honorable discharge;
- have at least a 50 percent service-connected disability certified by the U.S. Department of Veterans' Affairs; and
- own and occupy the property as the primary residence on January 1 of the assessment year or lease and occupy a single family residence on January 1 of the assessment year and be liable for the payment of the property taxes to the county.

Note: The property's total EAV must be less than \$250,000 after subtracting any portion used for commercial purposes. "Commercial purposes" include any portion of the property rented for more than 6 months.

If you previously received the DVSHE and now reside in a facility licensed under the Nursing Home Care Act or operated by the U.S. Department of Veterans' Affairs, you are still eligible to receive the DVSHE provided your property

- is occupied by your spouse; or
- · remains unoccupied during the assessment year.

Is a surviving spouse eligible?

An **un-remarried** surviving spouse of a disabled veteran can continue to receive the DVSHE on his or her spouse's primary residence or transfer the DVSHE to another primary residence after the disabled veteran's original primary residence is sold, provided the **DVSHE** had **previously been granted to the disabled veteran**.

An **un-remarried** surviving spouse must occupy and hold legal or beneficial title to the primary residence on January 1 of the assessment year.

Do I need to provide documentation?

Your Chief County Assessment Officer (CCAO) will require documentation to verify your eligibility for the DVSHE. You must provide a disability award or verification letter from the U.S. Department of Veterans' Affairs for the current assessment year and one of the following documents that is the original or a copy certified

by the county recorder, recorder of deeds, Illinois Department of Veterans' Affairs, or the National Archives Record Center.

- Form DD 214 or separation of service from the War Department (military service prior to 1950); or
- Certification of Military Service Form.

You can call the U.S. Department of Veterans' Affairs at 1 800 827-1000 to request a verification letter that specifies your "service-connected disability rating." Any other rating is not valid.

An **un-remarried** surviving spouse of a disabled veteran, who previously received this exemption, must provide the following documents to transfer the DVSHE to themselves or to transfer the DVSHE to a new primary residence:

- the disabled veteran's marriage and death certificates; and
- proof of ownership.

When will I receive my exemption?

The year you apply for the DVSHE is referred to as the assessment year. The county board of review, while in session for the assessment year, has the final authority to grant your DVSHE. If granted, your DVSHE will be applied to the property tax bill paid the year following the assessment year.

When and where do I file my Form PTAX-342?

You (including an **un-remarried** surviving spouse applying for the first time or for a new primary residence) should file your Form PTAX-342 with your CCAO by the due date to receive this exemption. Contact your CCAO at the address and phone number below for assistance and filing information with your county.

Note: To continue receiving the DVSHE on your residence, you must file Form PTAX-342-R, Annual Verification of Eligibility for Disabled Veterans' Standard Homestead Exemption, each year with your CCAO.
