

**Florida Department of Education
Parental Consent Form
Instruction in the State Standards Access Points Curriculum and
Florida Alternate Assessment Administration**

Student: _____ Date: _____
 Student D.O.B.: _____ Parent(s) Name: _____
 District: _____ School: _____

I understand that, as a participant of the individual educational plan (IEP) team, I have the right to consent or refuse consent for my child (or myself, if I am an adult student) to be provided instruction in the state standards access points curriculum and to be administered the Florida Alternate Assessment (FAA) (if applicable, based on my child's grade level).

Based on Section 1003.5715, Florida Statutes, I understand that the _____ County School District may not provide instruction in the state standards access points curriculum and administer the FAA unless I have provided written consent on this form; or the school district made documented and reasonable efforts to obtain my consent, and I have failed to respond; or the school district obtains approval through a due process hearing and/or appeals process. I understand that, during the pendency of a due process hearing or appellate proceeding regarding a due process complaint, my child will remain in his or her current educational assignment while awaiting the decision of any impartial due process hearing or court proceeding, unless the school district and I otherwise agree.

My consent is being sought because the IEP team has determined that the proposed actions are necessary in order for my child to receive a free appropriate public education. If I refuse to consent to the proposed actions, my child may not receive all the services and supports that the IEP team has determined are needed, which may impact my child's educational progress. I understand that, if I give consent, my child will not be eligible for a standard high school diploma but may receive instruction within the general education setting based on his or her IEP. I understand that access to future opportunities such as enrollment in college or enlistment in the military may be limited if my child does not have a standard high school diploma. This consent will remain in effect until the next annual review of the IEP, or until the next IEP meeting if instruction in state standards access points curriculum and administration of the FAA is addressed, whichever event occurs first.

I consent for the provision of instruction in the state standards access points curriculum and administration of the FAA (if applicable, based on my child's grade level).
