### Topics of Discussion:

**Specified** Parts of the IMDG Code, namely the use of the Dangerous Goods Table, Documentation (IMO Form), Classification, Marking and Placarding, Stowage and Segregation. Additional US requirements under CFR 49.

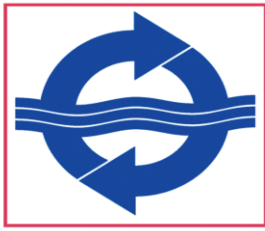

**Training will be conducted by:**  
**Captain Eric Rounds**  
**Senior Surveyor**  
**National Cargo Bureau, Inc.**

The Maritime Exchange sponsors this seminar to assist its membership in complying with this regulation. The seminar provides attendees with training, methodology and hands on experience with the latest International Maritime Dangerous Goods Code, (IMDG), 2012 Edition, (Amendment 36) as well as the additional US requirements under the 49 CFR. Attendees will gain the ability to address their own functions and the knowledge of where to find guides for routine tasks.

Each attendee will be supplied with a copy of the latest edition of Title 49, Code of Federal Regulations, Parts 100 – 185, the 2012 U.S. Department of Transportation Emergency Response Guidebook, a HazMat Wall Chart, and other appropriate and miscellaneous handouts. Excerpts of the two volume IMDG Code will be provided for use in the class.

NOTE: The Exchange requires a minimum of 10 registrants per class. Should the number of registrants fall below 10, the Exchange reserves the right to postpone or cancel the class.

*The Maritime Exchange reserves the right to invoice for reservations not cancelled.*
