

Missouri Archaeological Society

Jesse Wrench

Research Mentorship

Application
(Fall 2014–Spring 2015)

Interest proceeds from the Jesse Wrench Fund, set up in memory of the Society's first president, finance \$1,000 annually (\$500 per semester) for a deserving undergraduate student at any Missouri university or college. The recipient must work with a mentor at their institution to develop and implement a year-long archaeological research project. The winner will also be required to write an article for the *MAS Quarterly* concerning the project. The article must be written in SAA style format and a rough draft must be submitted to the MAS office no later than August 1, 2015.

Name: _____

Address: _____
