## ABOUT ISTRUCTE MEMBERS' NIGHT

Continuing in the tradition of having the IStructE family members gathering for the annual dinner, the IES/IStructE Joint Committee is organising a special **IStructE Members' Night** on 20 September 2013 @ Si Chuan Dou Hua Restaurant to celebrate the 25<sup>th</sup> birthday of the IStructE Singapore Regional Group. This Members' Night provides a great opportunity for members of IStructE Singapore Regional Group to celebrate our achievements, to get to know each other in a relaxing ambience and to receive an update on the IStructE Singapore Division activities from Joint Committee members. The sumptuous dinner will be punctuated with a lifestyle talk on Aromatherapy and demonstrations on Wushu and Tai Chi. Also, it is an opportunity for the Joint Committee to receive valuable members' feedback on the activities and suggestions for future activities to meet members' needs.

Members' Night is free of charge to members of the Institution of Structural Engineers. Members who wish to attend this 25<sup>th</sup> anniversary event, however, need to register and attach a deposit cheque of \$100 made payable to the Institution of Engineers, Singapore, with the Registration Form. The deposit cheque will be returned to the member upon participation at the event. Members need to register early as there are only 100 places available (due to the space constraint in the restaurant) and successful registration will be on a first-come-first served basis.
