

## Teacher Feedback Form

You had students who were served by the Family & Youth Resource Program (FYRP) approach. Please evaluate how well you received communication about and were involved in the student's Service Plan – and how you feel you were kept “in the loop” with respect to the student's progress.

	<b>YES</b>	<b>UNDECIDED</b>	<b>NO</b>
1. I was informed regularly about progress of my student(s) who were in FYRP.	☺	☹	☹
2. I was an essential participant in the FYRP process.	☺	☹	☹
3. I believe the FYRP approach helped my student(s) and their families to be successful.	☺	☹	☹
4. I believe FYRP approach are an important addition to the services offered at our school.	☺	☹	☹
5. <b>SUCCESS STORY:</b> Please describe, using the questions below, one “success” story that best illustrates the success of your FYRP approach in Fall 2009. (Print/type in English)			

- a. Briefly describe the student's/family's problem or issue (Example: the student was failing because he was upset by family problems at home).

b. Briefly explain how your FYRP approach was applied to help this client (Example: how community resources were coordinated to meet student's/family's needs).

c. What were the results of your efforts (Example: What did the student get out of the experience)?

d. What is the major significance of the results? Why was this "success" important?

6. I have the following suggestions to improve FYRP in our school: (Use back of paper to respond)
