

VISA BALANCE TRANSFER REQUEST

Complete information is required to accomplish the transfer.

Member Name _____ Account # _____

Please transfer the balance of the following accounts to my CFCU Visa Credit Card. I understand that CFCU may not be able to process a balance transfer request if it exceeds my available credit limit. If all of the balance transfers cannot be executed, they will be processed in the order in which they were recorded on this form.

The transferred balance will appear on your CFCU credit card statement and will be treated as a cash advance, subject to all cash advance terms as per your Christian Financial Credit Union Credit Card Agreement. A finance charge (based on the account's Annual Percentage Rate) will be imposed from the date these checks post to your account. There is no cash advance fee.

Please note that it may take up to three (3) weeks to process your request and post the balance transfer transaction. This means that you may need to make a payment to your other accounts to keep them current. Balances from Credit Cards issued outside the U.S. cannot be transferred. All balance transfer requests will be subject to your credit limit.

Complete this form by filling in the spaces below. Then print, sign in ink, and return to the address listed at the bottom of the page.
