## EOSSAA/OFSAA TRANSFER POLICY

EOSSAA and OFSAA recognize the right of all students to choose which school they attend and which subjects they study. EOSSAA/OFSAA, however, is charged with the responsibility of drafting, implementing and enforcing rules of eligibility for those who seek the privilege of participating in EOSSAA/OFSAA sponsored events. The overriding purpose of these rules is to ensure fair and equitable competition. The EOSSAA/OFSAA Transfer Policy applies to all students transferring into Ontario high schools. No school shall include in its lineup any student who has been registered as a transfer from another school within the previous twelve (12) months.

In accordance with the EOSSAA/OFSAA Transfer Policy Procedural Process, a student or his/her representative may apply to the EOSSAA Transfer Appeal Board Chair/OFSAA Board of Reference to be deemed eligible to participate in EOSSAA/OFSAA sponsored events on the grounds that:

- a) there has been an accompanying change in the legal residence to within the designated school\* boundaries by the student's parent(s) or the student's legal guardian as determined by a court of competent jurisdiction.
- b) the student did not participate in that sport at the interschool level for the twelve (12) months prior to the date of transfer. However, a student who completes a twelve (12) month period of ineligibility as a result of a previous transfer and then transfers again, may not apply to be deemed eligible under this subsection for interschool competition in that sport.
- c) the student has transferred from a non-semestered school for Semester I and is either within one (1) semester of graduation or is within four (4) OACs of the academic requirements for university admission. The purpose of such transfer is to complete high school in one semester. Such a student is eligible for Semester I only and will be ineligible twelve (12) months after the conclusion of the semester. Students who claim to be eligible under this subsection must transferred to the school nearest to their parent's or legal guardian's residence which offers the subjects he/she for have seeks.
- d) the student has been placed in a school by an I.P.R.C. (Identification, Placement and Review Committee) decision. The EOSSAA Transfer Appeal Board/OF SAA Board of Reference shall require and receive a letter from the principal of the school from which the student has transferred stating the reason for the placement of the student by I.P.R.C.
- e) the student's case is an exceptional one. In the event that a student should apply under this subsection, the EOSSAA Transfer Appeal Board/OFSAA Board of Reference shall require and receive letters from the principal of the school at which the student is enrolled at the time of the application, and the principal of the school from "which the student has transferred stating the exceptional nature of the student's case. Under this subsection, the EOSSAA Transfer Appeal Board/OFSAA Board of Reference may consider a student's case to be exceptional on the basis of transfer for academic reasons or goals. In all cases the Transfer Appeal Board/Board of Reference will consider the proximity of the receiving school to the residence of the student's parents or legal guardians.

### Notes:

1. Once a student has changed schools he/she is considered a transfer student and even if he/she returns to a school, he/she must comply with the Transfer Policy.
2. A student attending a school as a result of the closure of his/her for their school is not considered a transfer student.
3. Students transferring for the purpose of upgrading may apply under section (e) only.
4. Notwithstanding any of the above, no student may play the same sport for more than one school in the same Local Association or municipality in the same school year unless the student is ruled eligible by the EOSSAA Transfer Appeal Board/OFSAA Board of Reference under subsection (e) of the Transfer Policy.
5. \*Students must attend the closest school within the same type of school system (public, separate or independent) from where the student has transferred. If this is not the case, the student may apply under section (e) of the Transfer policy.
6. The word "participation" in section (1,) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play
7. The EOSSAA Transfer Appeal Board/OFSAA Board of Reference shall, each in their sole and exclusive discretion and authority, consider such application and rule the student eligible or ineligible.

The following section must be completed in accordance with the EOSSAA/OFSAA Transfer Policy which appears above.
