Dear Parent (s) / Guardian (s),

*****DO NOT COMPLETE THIS FORM IF YOU HAVE ALREADY DONE SO IN THE PAST*****

The Genesis Student Management System is our information system which allows parental access to student grades and/or assignments. An access account can be provided to you after we receive your e-mail information.

Please take a moment to fill out the form below and return it to the main office of your child's school. If you have more than one child in the district, please indicate the name and school they are currently attending. If you choose to establish a family account then only one e-mail address is necessary. Pequannock Township High School students have the option of signing up for their own account. Log on information and password will be sent to you via e-mail once the form is received.
