2011 CALIFORNIA
IMMUNIZATION
COALITION
SUMMIT

Immunizations: A Lifetime Connection

CIC's 2011 Summit will focus on current vaccine issues that impact our entire community – from infants to seniors. This year's event will feature speakers, expert panels, workshops and important opportunities for discussion with some of the top leaders in immunization and healthcare in California and beyond with a focus on promoting a healthy and lifetime connection with immunizations. Workshop topics will include discussion on personal belief exemptions, update on immunization registries in California, influenza vaccine for healthcare workers, vaccine safety monitoring systems, implementation of the new school law-AB 354, and the role of pharmacies within immunization delivery.

Who Should Attend

Physicians, nurses, pharmacists, administrators, educators, immunization stakeholders, advocates, and other providers from public and private sector health organizations interested in learning more about current immunization issues, strategies, and activities are invited to attend.

Summit Objectives

- Strengthen partnerships to promote immunizations across the lifespan
- Disseminate approaches to implement new policies, requirements or recommendations and
- Increase participants' knowledge of resources and modalities for communicating effectively about immunizations

About the California Immunization Coalition

The California Coalition is a statewide, non-profit, public-private partnership dedicated to achieving and maintaining full immunization protection for all Californians. CIC is dedicated to assisting local and statewide communities fight the spread of vaccine-preventable diseases and their effects by raising immunization levels across the lifespan. The CIC provides networking and partnership opportunities with a wide range of organizations and experts in the field of immunization.

Our Mission

The California Immunization Coalition is a public-private partnership dedicated to achieving and maintaining full immunization protection for all Californians to promote health and prevent serious illness.
