

**American Cancer Society
Relay For Life 2010
Media Sponsorship Packet**

The American Cancer Society saves lives and creates more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back against cancer.

The American Cancer Society's **Relay For Life** is an overnight community celebration where individuals and teams camp out, barbecue, dance, and take turns walking or running around a track "relay" style to raise funds to fight cancer. At nightfall, participants will light hundreds of luminaria candles around the track in a moving ceremony to honor cancer survivors as well as friends and family members lost to the disease. Funds raised support cancer research, education, advocacy, and patient services in the community.
