Cardholder Agreement

In this section entitled "Cardholder Agreement", the words "you", "your" and "yours" means each Cardholder. The words "we", "us" and "our" and "TDFS" mean TD Financing Services Inc. and its affiliates. If you obtain a TDFS product that offers insurance benefits, "we", "us" and "our" also mean the insurers who provide those benefits from time to time and their reinsurers. The word "Merchant" means RE.NOVATE. Read this Agreement carefully and keep it so you can refer to it later. You acknowledge receipt of a copy of this Agreement at the time of signing the application and prior to the extension of credit. Signing, activating or using your Card or Account means that you have read this Agreement and accept its terms. This Agreement replaces any previous Agreements provided to you for the Account.

1. Definitions: In this Agreement, the words listed below have the following meanings:

"Account" means the credit card account opened and maintained by TDFS for each Card. **"Agreement"** means this Cardholder Agreement and the Disclosure Statement, as amended from time to time.

"Applicant" means the person or entity who applied for the Account and in whose name the Account has been opened.

"Balance" means the total amount of all Transactions, fees (including those set out in the Disclosure Statement), interest and other amounts payable under this Agreement, less any payments or other credits which have been posted to the Account.

"Card" means each credit card issued by us to access the Account and any renewal or replacement issued by us from time to time.

"Cardholder" means you and each individual to whom a Card has been issued at your request.

"Disclosure Statement" means the disclosure statement (Credit Card Rates and Fees), as amended from time to time, that is attached to this Agreement.

"Preferred Rate" means the annual interest rate identified as the "Preferred Rate" in the Disclosure Statement, as such rate may be changed from time to time upon notice to you.

"Promotional Due Date" means the last day of the Promotional Term.

"Promotional Offer" means a special promotional offer that is made available to you from time to time as contemplated in Section 6 of this Agreement.

"Promotional Term" means the period of time that applies to a particular Promotional Offer, as stated in the promotional materials or sales slips or invoices provided by a merchant, that Purchases (including applicable fees charged by the merchant) and any other Transactions will be subject to the terms of a Promotional Offer.

"Purchase" means the purchase of goods and services (plus applicable taxes) that is charged to the Account.

"Regular Credit Purchase" means a Purchase, other than a Purchase that is subject to a Promotional Offer during the Promotional Term, but includes any outstanding balance owing for a Purchase that is subject to a Promotional Offer after the Promotional Due Date or after a Promotional Offer is cancelled as a result of your default under this Agreement.

"Regular Rate" means the annual interest rate identified as the "Regular Rate" in the Disclosure Statement, as such rate may be changed from time to time upon notice to you.

"Transaction" means any use of the Card or the Account to make a Purchase (including through a Promotional Offer) or any other charges to the Account, including interest charges, fees, payments, and credit or debit adjustments.

2. Use of Card and Making Payments: Each Cardholder may use a Card to make Purchases and for any other type of Transaction that we allow from time to time wherever the Card is accepted. You authorize us to charge the Account with the amount of each Transaction. A Cardholder must sign their Card as soon as they receive it. A Cardholder shall not use the Card or the Account for anything that is illegal or fraudulent. We reserve the right to block use of the Card and prevent use of the Account without telling you in advance if we suspect illegal, unauthorized or fraudulent use of the Account.

If a Cardholder uses or gives the Account number to someone for a Purchase or if a Cardholder otherwise authorizes the Account to be charged without presenting the Card or without signing a sales draft (including by mail, telephone, Internet or any other electronic method of communication), the legal effect is the same as if the Cardholder had presented the Card and/or signed a sales draft or slip. If a Cardholder has at any time authorized a person to use the Account, you will be liable for any use of the Account by that person even though you intended to limit that authorization to a particular use or time. Please read Section 14 ("Electronic Services/Use of PIN and Password with Card") for more details about the use of your Card with a PIN or Password.

You are responsible for and must repay us the Balance owing on the Account. It is your responsibility, not TDFS's, to seek reimbursement from any Cardholder for any portion of the Balance arising from use of a Card or the Account by any Cardholder. We may limit the number of Cards issued on the Account.

All payments must be received by us in sufficient time so that they may be processed by the date that they are due. In order for us to process a cheque in the time, we must receive it at least two business days before the date that the payment is due. You should therefore mail cheques at least one week in advance of the due date. If you initiate an electronic funds transfer, please allow two business days from the date that you initiate the transfer.

3. Statements: Each month we send a statement (the "Statement") to your address as set out on your Credit Application. We will not issue you a statement if there has been no activity on the Account (including any Promotional Offers where payments and interest are waived or reduced in that month) or if you owe us or we owe you less than \$1.00 on the Account. The number of days covered by a statement is between 28 and 33 days depending on when your statement period ends. You must tell us no later than 30 days following your statement date, of any error or omission in your statement. Otherwise, you agree that your statement is correct, except for any amount that we have improperly credited to the Account which we may reverse at any time. If you do not receive your statement in any month for any reason, you must contact us to obtain the information required to meet your payment obligations.

4. Credit Limit and Overlimit Fee: We will determine the maximum amount that may be charged on the Account at any time (the "Credit Limit"). The current Credit Limit is shown on the Card carrier that you receive with your Card. We may change the Credit Limit from time to time, without prior notice to you, but if we do, the new Credit Limit will be shown on the monthly statement that we provide to you. The amount of credit that is available to you at any time (your "Available Credit") is the positive difference between the Credit Limit and the Balance that is outstanding on the Account at such time. Depending on your method of payment, it may take up to five business days before your Available Credit is increased by the amount of any payment that you make.

If the Balance owing on the Account at any time exceeds the Credit Limit, we may refuse to extend further credit until you have made a payment to bring your outstanding Balance below your Credit Limit. We may choose, from time to time and without notice to you, to allow the Balance that is outstanding on the Account to exceed the Credit Limit, but we are not required to do so even if we have done so before. If we allow you to exceed the Credit Limit, you are responsible for and must pay the amount that exceeds the Credit Limit when the statement is received. The Account may be charged an overlimit fee in the amount shown in the Disclosure Statement if you exceed your Credit Limit. Only one overlimit fee will be charged per statement period. You remain liable for the entire Balance owing on the Account whether or not it exceeds the Credit Limit.

5. Interest and Grace Period: Interest accrues on each Purchase and any other amount that is charged to your Account (except applicable Promotional Offers) from the transaction date that appears on your Statement until the particular amount has been paid in full. The order in which amounts charged to your Account are paid is described below (see Section 11 "How We Apply Payments to your Account"). We calculate interest on the closing Balance each day, except that we do not charge interest on interest until after default. You can avoid paying any interest on amounts that have been charged to your Account for the first time by paying your Balance in full by the Payment Due Date shown on your Statement (other than interest on Purchases made under the "Equal Monthly Payment with Interest" Promotional Offer where interest will be charged as described in Section 6 of the Agreement). If we do not receive payment of the Balance in full by the Payment Due Date in any month, then interest will continue to accrue daily on the unpaid portion of the previous month's Balance until that Balance has been paid in full, which means that additional interest charges may appear on the next Statement.

Interest accrues at the Preferred Rate, unless you fail to pay the Minimum Payment by the Payment Due Date shown on your Statement two or more times in any 12 consecutive statement periods. If that happens, interest will then accrue at the Regular Rate beginning with the first day of the statement period following the statement period for which such failure to pay occurred for the second time and will continue to accrue at the Regular Rate until the last day of the sixth consecutive statement period for which you have made the Minimum Payment by the Payment Due Date. The number of days between the statement date and the Payment Due Date shown on your Statement is the Grace Period. The minimum Grace Period is 25 days.

6. Promotional Offers and Interest on Promotional Offers: We may from time to time make available to you in connection with a Purchase one of the special promotional offers described below (each, a "Promotional Offer"). Each Promotional Offer is subject to the terms of this Agreement and to any additional terms contained in any promotional material and/or sales drafts or slips provided by the Merchant for Purchases subject to the particular Promotional Offer.

- "Equal Monthly Payment with No Interest": Each such monthly payment is calculated by applying a special repayment factor (as disclosed in the Disclosure Statement and that is based on the number of months in the Promotional Term) to the amount of the Purchase.
- "Equal Monthly Payment with Interest": Interest at the reduced rate disclosed in the Disclosure Statement (rather than the Preferred Rate) accrues on each Purchase during the Promotional Term provided that you pay each monthly payment under this Promotional Offer when due. Each such monthly payment includes both a principal amount that is calculated by applying a special repayment factor (as disclosed in the Disclosure Statement and that is based on the number of months in the Promotional Term) to the amount of the Purchase, and interest.
- "No Interest with Minimum Payment": Interest at the Preferred Rate accrues on each Purchase (and any fees charged for the Purchase) from the transaction date for the Purchase, but interest that accrues during the Promotional Term will be waived if during the Promotional Term you pay the Minimum Payment (which includes the portion of the Minimum Payment for this Promotional Offer) each month by the Payment Due Date and if you pay the balance outstanding under this Promotional Offer by the Promotional Due Date.
- "Same as Cash": Interest at the Preferred Rate accrues on each Purchase (and any fees charged for the Purchase) from the transaction date for the Purchase, but interest that accrues during the Promotional Term will be waived if you pay the balance outstanding under this Promotional Offer by the Promotional Due Date.

If you default in complying with any term of this Agreement, including failing to make any Minimum Payment by the Payment Due Date or failing to make any payment due under any Promotional Offer, we may, without notice to you, cancel each Promotional Offer in which you are participating effective on the date that such default occurred. On that date the Promotional Term will end and all Purchases made under such Promotional Offers (and any fees charged for those Purchases) will then be treated as Regular Credit Purchases.

7. Fees: You authorize us to charge your Account, where applicable, with the fees shown on the Disclosure Statement.

8. Minimum Payment: You may pay your Balance in full at any time. However, each month you must pay at least that portion of your Balance shown as the Minimum Payment by the Payment Due Date shown on your statement. The Minimum Payment is calculated in the manner outlined in the Disclosure Statement.

9. Good Standing: Your Account is considered to be in good standing when you are in compliance with all terms of this Agreement. Your Account will not be in good standing if

you fail to make any Minimum Payment (as shown on your statement) by the Payment Due Date or fail to comply with any other term.

10. Our Rights if you Default: If you do not make the Minimum Payment on the Payment Due Date, or otherwise do not comply with this Agreement, or if anything occurs which causes us to believe that you or any Guarantor will not make any payment or otherwise will not comply with this Agreement:

- the entire Balance will, at our option, become due and payable despite any other provision of this Agreement, together with interest at the annual interest rate then applicable on the Balance, or, if different interest rates apply at that time to different portions of the Balance, then at the annual interest rate then applicable to the particular portion of the Balance.
- we may, without notice to you, deduct money from any other account that you have with us or any of our affiliated companies and use it to pay the amount that is owing to us, and
- you must pay all our legal expenses, on a solicitor and own client basis, (including all legal fees charged by our own internal legal counsel) that we incur to collect or attempt to collect what is owing to us.

11. How We Apply Payments to Your Account: We apply your Minimum Payment in this order: interest; insurance premiums; fees; tax on insurance premiums; and Purchases. If the amount you pay at any time exceeds the Minimum Payment that is then due, such excess payment will be applied in this order: (1) to amounts appearing on your monthly statement carrying the highest rate of accruing interest and then to other such amounts in descending order based on the interest rate accruing on those amounts, provided that if you have a balance owing under a Promotional Offer (whether or not interest is accruing on that balance) under which an amount is required to be paid before the end of the second billing cycle following the billing cycle in which such excess payment is made, we will apply such excess payment first against such required payment before we apply it in the above order in this paragraph (1), unless your Promotional Offer specifically provides otherwise; (2) after application under paragraph (1) above, if you have any other Promotional Offers outstanding under which any payment thereunder is not due until after the end of the second billing cycle in which such excess payment is made, to any such Promotional Offers beginning with the oldest of such Promotional Offers; and then to (3) unbilled amounts carrying the highest rate of interest and then to other unbilled amounts in descending order based on the interest rate applicable to those amounts.

12. Benefits and Optional Services: We, or third parties, may make special services or benefits available to you which may be subject to additional terms and conditions. All such benefits and services may be modified or cancelled without notice to you. We are not responsible or liable for any product or service supplied by third parties. Subject to applicable laws, if you have enrolled in optional credit insurance, insurance premiums (plus applicable taxes) are treated as a Transaction, unless the promotional material or sales slip indicates otherwise.

13. Security Interest: You hereby give TDFS a security interest in any items purchased on your Account and the proceeds thereof, including insurance proceeds (the "Collateral"). Additionally, you authorize us to file any financing statements showing our security interest in the Collateral without your signature and further agree we hold a purchase money security interest in the Collateral. Any item of Collateral will remain as security for all Purchases until such time as the Purchase for that item of Collateral is completely paid for. Where permitted by law, you waive the right to receive a copy of any financing statement or financing change statement registered by us.

14. Electronic Services/Use of PIN and Password with Card: The following provisions apply if we allow you to access or use the Card or the Account (with or without a personal identification code such as a Personal Identification Number (PIN), and/or Password), over the phone, on the Internet or other electronic service or if we allow you to access or use the Account using your Card with a PIN or Password and/or not sign a sales draft.

a) Protecting your Card/PIN/Password: You are responsible for the care and control of the Card and any personal identification number (PIN) or password (Password) that may be provided to you with your Card. You must maintain them safely at all times which includes: keep possession of the Card; keep your PIN and Password separate from your Card; take all reasonable precautions to ensure that no one finds out your PIN or Password, including while you key in your PIN or Password at any point-of-sale terminal; keep your PIN and Password strictly confidential; avoid such PIN or Password combinations that may be easily determined by others, such as birthdays, phone numbers, age, Social Insurance Number, etc.; ensure that each PIN or Password is unique; and contact us immediately if your Card is lost or stolen or your PIN or Password becomes known to an unauthorized person. Your Card, PIN and Password are reserved strictly for your own use. If they are used by someone else, you will be required to prove that you took all reasonable precautions to protect these items.

b) Your responsibility for use of the Card, PIN and Password: You are responsible for the full amount of all authorized activity resulting from use of the Card, and Card with PIN or Password for any service by any person. You are responsible for the full amount of all unauthorized activity with respect to any service which occurs before we receive notification that your PIN, Password or Card was lost or stolen or that you PIN or Password may have become known to an unauthorized person. On receiving such notice from you we will promptly block the Card's ability to access the Account or any services we may offer.

15. Account Activity: Our records will be conclusive proof of use of the Account or electronic services and will be considered your written request to perform the transaction. Even though you may be provided with a Transaction receipt, verification or confirmation number, the following applies to all Transactions or other activity on the Account:

- our acceptance, count and verification of Transactions will be considered correct and binding unless there is an obvious error, and

For purposes of clarification, the Balance appearing on your statement will include any past due amounts and any amount over your Credit Limit. You may also prepay all or part of the Balance at any time without any prepayment charge or penalty.

How Interest is Calculated: Interest is charged at the Regular Rate (subject to the terms of a Promotional Offer as described in Section 6 of this Agreement) on any amount that is charged to your Account from the date of the Transaction, as shown on your monthly statement, until the particular amount has been paid. Interest is calculated daily. Interest is charged on overdue interest (compound interest) monthly after default.

Interest-Free Grace Period: Not less than 25 days for Regular Credit Purchases and fees that appear on your statement for the first time if the Balance shown on your statement (other than for Promotional Offers that are in good standing) is always paid in full by the Payment Due Date shown on your statement. See Section 5 (“Interest and Grace Period”) of the Agreement for more information about your Grace Period and how you can avoid paying interest. This Interest-Free Grace Period does not apply to Purchases and fees that are subject to a Promotional Offer unless specified in that Promotional Offer. See Section 6 (“Promotional Offers and Interest on Promotional Offers”) of the Agreement and “Promotional Offers” below in this Disclosure Statement for details on how interest is applied to Purchases and fees under a Promotional Offer.

Statements: You will receive a statement each month which will cover a period of from 28 to 33 days depending on when your billing cycle ends.

Maximum Liability for Unauthorized Use of Card: We may require you to pay us up to \$50.00 for any unauthorized use of a Card, until we receive notice from you of the loss, theft or unauthorized use of your Card. However, if a Card is used with a PIN, Connect ID or Password, you will be liable for the full amount of all unauthorized use of a Card which occurs before receive notice from you.

Promotional Offers: You may be offered Promotional Offers from time to time. These Promotional Offers are subject to this Agreement, including this Disclosure Statement, and any terms indicated in the promotional materials or sales slips or invoices provided by the Merchant.

We may require payment from any Guarantor before we attempt to obtain a payment from the Applicant, and the obligations of any Guarantor will not be affected by the bankruptcy of the Applicant or any other Guarantor. Each Guarantor acknowledges that this guarantee is not subject to any escrow or any agreement that it is not effective until any condition has been complied with.
