

# Bemidji Elementary Schools Field Trip Lunch Order form

It is that time of year again. Now, when you send in your child's permission slip for a field trip, you can also include the form below and your child can have a sack lunch prepared by the school cafeteria before leaving for their trip. The lunch will be charged to your child's meal account, just like any school day.

This form needs to be returned to the classroom teacher. Please allow at least 4 days notice for Food Service preparations.
