2. Purchase and Sale.

(a) Purchase and Sale of Assigned Equity Interest. Subject to the terms and conditions of this Agreement, the Seller agrees to sell, convey and transfer to the Buyer, and the Buyer agrees to purchase all rights, title and interests in and to the Assigned Equity Interest (which will result in the Buyer becoming the record and beneficial owner of all rights, title and interests in and to all the Assigned Equity Interest), free and clear of all Encumbrances (other than Permitted Equity Interest Encumbrances), for the Purchase Price.

(b) Consideration. In consideration for the conveyance and transfer of the Assigned Equity Interest as contemplated in (a) above, the Buyer agrees to deliver or cause to be delivered the estimated Purchase Price as set forth in the Proposed Closing Statement to the Seller, in the form of cash by wire transfer of immediately available funds.

(c) The Closing. The closing of the transactions contemplated by this Agreement (the “*Closing*”) shall take place at the offices of Akin Gump Strauss Hauer & Feld LLP, 1111 Louisiana, 44th Floor, Houston, Texas, commencing at 9:00 a.m., local time, on the third business day following the satisfaction or waiver of all conditions to the obligations of the Parties to consummate the transactions contemplated hereby (as set forth in Article 7) has occurred (other than conditions with respect to actions each Party shall take at the Closing itself) or such other date and place as the Parties may mutually agree (the “*Closing Date*”). The Parties will use commercially reasonable efforts to complete the Closing by November 30, 2011.

(d) Seller’s Deliveries at the Closing. At the Closing, the Seller shall deliver (or cause to be delivered) to the Buyer:

(i) The Assignment, duly executed by the Seller.

(ii) An Officer’s certificate for the Seller, in the form of Exhibit B(i), duly executed on behalf of the Seller.

(e) Buyer’s Deliveries at the Closing. At the Closing, the Buyer shall deliver (or cause to be delivered) to the Seller:

(i) An Officer’s certificate for the Buyer, in the form of Exhibit B(ii), duly executed on behalf of the Buyer.

(iii) The estimated Purchase Price pursuant to Section 2(b).

(f) Proposed Closing Statement and Post-Closing Adjustment.

(i) At least five (5) business days prior to the Closing Date, the Seller shall prepare and deliver to the Buyer a statement (the "***Proposed Closing Statement***"), setting forth the Seller's reasonable good faith estimate, together with accompanying reasonable detail, of the Purchase Price and the components thereof, including any estimated Purchase Price Increases and Purchase Price Decreases.

(ii) As soon as practicable, but in any event no later than forty-five (45) days following the Closing Date, the Seller, with the assistance of the Buyer, shall cause to be prepared and delivered to the Buyer a statement, including reasonable detail, of the Purchase Price and the components thereof, including any Purchase Price Increases and Purchase Price Decreases (the "***Closing Statement***").

(iii) Upon receipt of the Closing Statement, the Buyer and the Buyer's independent accountants shall be permitted to examine the schedules and other information used or generated in connection with the preparation of the Closing Statement and such other documents as the Buyer may reasonably request in connection with its review of the Closing Statement. Within thirty (30) days of receipt of the Closing Statement, the Buyer shall deliver to the Seller a written statement describing in reasonable detail its objections, if any, to any amounts or items set forth on the Closing Statement. If the Buyer does not raise objections within such period, then the Closing Statement shall become final and binding upon the Buyer. If the Buyer raises objections, the Parties shall negotiate in good faith to resolve any such objections. If the Parties are unable to resolve any disputed item (other than disputes involving the application or interpretation of the Law or other provisions of this Agreement) within fifteen (15) days after the Buyer's delivery to the Seller of its written statement of objections to the Closing Statement, any such disputed item shall be submitted to Ernst & Young LLP, or another nationally recognized independent accounting firm mutually agreeable to the Parties, who shall be instructed to resolve such disputed item in accordance with the terms of this Agreement within forty-five (45) days of its joint engagement by the Parties. The resolution of disputes by such accounting firm shall be set forth in writing and shall be conclusive, binding and non-appealable upon the Parties, and the Closing Statement, as adjusted by the resolution of the disputed items, shall thereupon become final and binding. The fees and expenses of such accounting firm shall be paid one-half by the Buyer and one-half by the Seller. The Parties agree that any disputed item related to the application or interpretation of the Law or other provisions of this Agreement shall not be resolved by the designated accounting firm, but shall instead be resolved pursuant to the other provisions of this Agreement.

(iv) If the Purchase Price as finally determined in accordance with this Section 2(f) exceeds the estimated Purchase Price as set forth on the Proposed Closing Statement, the Buyer shall pay to the Seller cash in the amount of such excess. If the

estimated Purchase Price as set forth on the Proposed Closing Statement exceeds the Purchase Price as finally determined in accordance with this Section 2(f), the Seller shall pay to the Buyer (or its designee(s)) cash in the amount of such excess. After giving effect to the foregoing adjustments, any amount to be paid by the Buyer to the Seller, or to be paid by the Seller to the Buyer, as the case may be, shall be paid in the manner and with interest as provided in Section 2(f)(v) within five (5) business days after the Buyer's acceptance of the Closing Statement or the resolution of the Buyer's objections thereto pursuant to Section 2(f)(iii).

(v) Any cash payments pursuant to this Section 2(f) shall be made by causing such payments to be credited in immediately available funds to such account or accounts of the Buyer or the Seller, as the case may be, as may be designated by the Buyer or the Seller, as the case may be, by notice to the other Party. If any cash payment is being made after the fifth business day referred to in Section 2(f)(iv) the amount of the cash payment to be made pursuant to this Section 2(f) shall bear interest from and including such fifth business day to, but excluding, the date of payment at a rate per annum equal to the Prime Rate plus two percent. Such interest shall be payable in cash at the same time as the payment to which it relates and shall be calculated on the basis of a year of 365 days and the actual number of days for which due.

(vi) Each Party shall bear its own costs and expenses incurred in connection with the preparation and review of the Closing Statement, and none of such costs or expenses shall be taken into account in the determination of the Purchase Price (or any component thereof) pursuant to this Section 2(f).

(vii) The Parties acknowledge and agree that any inaccuracies, omissions, mischaracterizations or similar errors contained in the Proposed Closing Statement or the Closing Statement shall not be subject to any "deductible," including the deductibles provided in Sections 8(b)(i) and 8(c)(i).

(g) Receipt of Poseidon Settlement Amount. In the event that the Company receives the Poseidon Settlement Amount, to the extent the Buyer thereafter receives cash distributions from the Company relating to the Poseidon Settlement Amount, the Buyer shall pay to the Seller promptly an amount, in cash, equal to the Pro Rata Share of the Poseidon Settlement Amount (but only to the extent the Poseidon Settlement Amount is not reflected in the Working Capital Adjustment). Any payment by the Buyer to the Seller under this Section 2(g) shall be deemed to be an increase in the Purchase Price.

3. Representations and Warranties Concerning the Buyer. The Buyer hereby represents and warrants to the Seller that the following statements contained in this Article 3 are true and correct as of the date hereof and will be true and correct as of the Closing Date.

(a) Organization and Good Standing. Each Buyer Party is duly organized, validly existing and in good standing under the Laws of the State of Delaware and is duly qualified and in good standing under the Laws of each other jurisdiction that requires qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, delay or materially affect the ability of the Buyer Parties to consummate the transactions contemplated by this Agreement. Each Buyer Party has full power and authority to carry on the business in which it is engaged, and to own and

use the properties owned and used by it except where the failure to have the power and authority to carry on such business and to own and use the properties so owned and used would not, individually or in the aggregate, delay or adversely affect the ability of the Buyer Parties to consummate the transactions contemplated by this Agreement. There is no proposed, pending or, to the Buyer's Knowledge, threatened action relating to the dissolution, liquidation, insolvency or rehabilitation of any of the Buyer Parties.

(b) Authorization of Transaction. Each Buyer Party has full power and authority (including full entity power and authority) to execute and deliver each Transaction Agreement to which such Buyer Party is a party and to perform its obligations thereunder. The execution and delivery of each of the Transaction Agreements to which any Buyer Party is a party and the consummation of the transactions contemplated thereby have been duly authorized by all required entity action on the part of such Buyer Party. This Agreement has been, and each of the other Transaction Agreements to which any Buyer Party is a party will be at or prior to the Closing, duly and validly executed and delivered by such Buyer Party, and each Transaction Agreement to which any Buyer Party is a party constitutes the valid and legally binding obligation of such Buyer Party, enforceable against such Buyer Party in accordance with its terms and conditions, subject, however, to the effects of bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally, and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Except as set forth on Schedule 3(b), no Buyer Party needs to give any notice to, make any filing with or obtain any authorization, consent or approval of any Governmental Authority or any other Person to consummate the transactions contemplated by this Agreement or any other Transaction Agreement to which such Buyer Party is a party.

(c) Noncontravention. Except as set forth on Schedule 3(c), neither the execution and delivery of any Transaction Agreement to which any Buyer Party is a party, nor the consummation of any of the transactions contemplated thereby, will (A) violate any Law to which any Buyer Party is subject, (B) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any Person the right to accelerate, terminate, modify or cancel or require any notice, payment or lien under any agreement, contract, lease, license, instrument or other arrangement to which any Buyer Party is a party or by which any Buyer Party is bound or to which any Buyer Party's assets are subject or (C) violate any order of any Governmental Authority, except where the violation, conflict, breach, default, acceleration, termination, modification, cancellation, failure to give notice, right to payment or other compensation or Encumbrance would not, individually or in the aggregate, materially affect such Buyer Party's ability to consummate the transactions contemplated by such Transaction Agreement.

(d) Brokers' Fees. The Buyer does not have any liability or obligation to pay any fees or commissions to any broker, finder or similar agent with respect to the transactions contemplated by this Agreement.

(e) Sufficiency of Funds. On the Closing Date, the Buyer will have sufficient funds to fund the payment of the Purchase Price. The Buyer's obligation to consummate the transactions contemplated by this Agreement is not subject to any condition or contingency with respect to financing.

(f) Company Organizational Documents. Upon the Closing, the Buyer would satisfy the representations and warranties set forth in Section 3.04 of the Poseidon LLC Agreement.

(g) No Other Representations or Warranties. Except as and to the extent set forth in this Agreement, the Buyer makes no representations or warranties whatsoever to the Seller and hereby disclaims all liability and responsibility for any representation, warranty, statement, or information made, communicated, or furnished (orally or in writing) to the Seller or its representatives (including any opinion, information, projection, or advice that may have been or may be provided to the Seller by any director, officer, employee, agent, consultant, or representative of the Buyer or any Affiliate thereof).

(h) No Reliance. Each Buyer Party has reviewed and had access to all documents, records, and information which it has desired to review in connection with its decision to enter into this Agreement, and to purchase the Assigned Equity Interest and to consummate the transactions contemplated hereby. In deciding to enter into this Agreement, and to consummate the transactions contemplated hereby, each Buyer Party has relied solely upon its own knowledge, independent investigation, review and analysis (and that of its representatives) and not on any disclosure or representation made by, or any duty to disclose on the part of, the Seller, its Affiliates, or any of their representatives, other than the representations and warranties of the Seller expressly set forth herein and the other Transaction Agreements.

(i) Acquisition of Assigned Equity Interest for Investment. The Assigned Equity Interest, when acquired by a Buyer Party at the Closing, will be acquired from the Seller for such Buyer Party's own account, for investment purposes, and such Buyer Party is not acquiring the Assigned Equity Interest from the Seller with a view to, or to make offers of sales for the Seller in connection with, any distribution thereof, or to participate or have a direct or indirect participation in any such undertaking, or to participate or have a participation in the direct or indirect underwriting of any such undertaking, in each case within the meaning of the Securities Act of 1933, as amended (the "*Securities Act*"), or applicable state securities Laws. Each Buyer Party understands that: (i) the Assigned Equity Interest has not been registered under the Securities Act by reason of its issuance in a transaction exempt from the registration and prospectus delivery requirements of the Securities Act and has not been qualified under any state securities Laws on the grounds that the offering and sale of securities contemplated by this Agreement are exempt from registration thereunder; and (ii) the Seller's reliance on such exemptions is predicated on the Buyer's representations set forth herein. Each Buyer Party understands that the resale of the Assigned Equity Interest may be restricted indefinitely, unless a subsequent disposition thereof is registered under the Securities Act and registered under any state securities Law or is exempt from such registration. Each Buyer Party is an "accredited investor" as that term is defined in Rule 501 of Regulation D promulgated by the SEC under the Securities Act. Each Buyer Party is able to bear the economic risk of the acquisition of the Assigned Equity Interest pursuant to the terms of this Agreement, including a complete loss of such Buyer Party's investment in the Assigned Equity Interest, for an indefinite period of time and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of its acquisition of the Assigned Equity Interest. For purposes of state "blue sky" Laws, the Buyer represents and warrants that the principal executive offices of the Buyer Parties are located in the State of Texas and that the decision by the Buyer Parties to acquire the Assigned Equity Interest shall be deemed to occur solely in the State of Texas.

4. Representations and Warranties Concerning the Seller, the Company and the Company Assets. The Seller hereby represents and warrants to the Buyer that the following statements contained in this Article 4 are true and correct as of the date hereof and will be true and correct as of the Closing Date (unless any such representation and warranty expressly speaks to a specific date).

(a) Organization and Good Standing. (i) The Seller is duly incorporated, validly existing and in good standing under the Laws of the State of Ohio. The Company is duly organized, validly existing and in good standing as a limited liability company under the Laws of the State of Delaware.

(ii) (A) each of the Seller and the Company is duly qualified and in good standing as a foreign corporation or limited liability company, as applicable, under the Laws of each other jurisdiction that requires qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, delay or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement;

(B) each of the Seller and the Company has full power and authority to carry on the business in which it is engaged, and to own and use the properties owned and used by it; and

(C) with respect to the Organizational Documents of the Company, (1) neither the Seller nor, to the Seller's Knowledge, any other member of the Company or the Company is in breach, default or violation of any provision of any such Organizational Document, and, to the Seller's Knowledge, no event has occurred that, with notice or lapse of time, would constitute a breach or default by any such party to any such Organizational Document, and (2) to the Seller's Knowledge, (x) each such Organizational Document is enforceable and will continue to be so enforceable after the Closing and (y) no member of the Company or the Company has repudiated any such Organizational Document,

except in the case of each of clause (ii)(A), (ii)(B) and (ii)(C)(2)(x) of this Section 4(a) (which clauses shall be considered together as one representation and concurrently for purposes of the application of the proviso to Section 8(b)(iii)), for such failures to be so qualified or in good standing, failures to have such power and authority and failures to be so enforceable as would not, individually or in the aggregate, have a Company Material Adverse Effect; and

(iii) The Seller has delivered to the Buyer correct and complete copies of each of the Organizational Documents of the Seller and the Company. Neither the Seller nor the Company is in breach of any provision of its Organizational Documents. There is no pending or, to the Seller's Knowledge, threatened or proposed action relating to the dissolution, liquidation, insolvency or rehabilitation of the Seller or the Company.

(b) Authorization of Transaction. The Seller has full corporate power and authority to execute and deliver each Transaction Agreement to which the Seller is a party and to perform its Obligations thereunder. The execution and delivery of each of the Transaction Agreements to which the Seller is a party and the consummation of the transactions contemplated thereby have been duly

authorized by all required entity action on the part of the Seller. This Agreement has been, and each of the other Transaction Agreements to which the Seller is a party will be at or prior to the Closing, duly and validly executed and delivered by the Seller, and each Transaction Agreement to which the Seller is a party constitutes the valid and legally binding obligation of the Seller, enforceable against the Seller in accordance with its terms and conditions, subject, however, to the effects of bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally, and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Except as set forth on Schedule 4(b), the Seller does not need to give any notice to, make any filing with or obtain any authorization, consent or approval of any Governmental Authority or any other Person to consummate the transactions contemplated by this Agreement or any other Transaction Agreement to which the Seller is a party.

(c) Noncontravention. Except as set forth on Schedule 4(c), neither the execution and delivery of any Transaction Agreement to which the Seller is a party, nor the consummation by the Seller of any of the transactions contemplated thereby in accordance with the terms thereof, will (A) violate any Law to which the Seller or, to the Seller's Knowledge, the Company is subject, (B) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any Person the right to accelerate, terminate, modify or cancel or require any notice, payment or lien under any agreement, contract, lease, license, instrument or other arrangement to which either the Seller or, to the Seller's Knowledge, the Company is a party or by which the Seller or, to the Seller's Knowledge, the Company is bound or to which any of its assets are subject or (C) violate any order of any Governmental Authority, except where the violation, conflict, breach, default, acceleration, termination, modification, cancellation, failure to give notice, right to payment or other compensation or Encumbrance affecting the Seller would not, individually or in the aggregate, materially affect the ability of the Seller to consummate the transactions contemplated by this Agreement. For the avoidance of doubt, no representation is made in this Section 4(c) as to any violation or conflict with any Law or any order of any Governmental Authority as applied to the Buyer.

(d) Brokers' Fees. Neither the Seller nor the Company has liability or obligation to pay any fees or commissions to any broker, finder or similar agent with respect to the transactions contemplated by this Agreement.

(e) Title to and Condition of Assets.

(i) To the Seller's Knowledge, the Company has, and immediately after the Closing the Company will have, good title to, or valid rights to lease or otherwise use, all of the assets necessary to operate the business of the Company as currently conducted, free and clear of all Encumbrances, except for (A) Encumbrances disclosed in Schedule 4(e)(i) and (B) Permitted Encumbrances (all such assets being the "*Company Assets*").

(ii) Except as set forth on Schedule 4(e)(ii), the Seller does not have any Knowledge that any Company Asset is not (A) in good operating condition and repair (normal wear and tear excepted), (B) free from any material defects (other than Permitted Encumbrances), and (C) suitable for the purposes for which it is currently used, or that any such Company Asset is in need of maintenance or repairs except for ordinary routine maintenance and repairs and except for regularly scheduled overhauls from time to time.

(f) Capitalization.

(i) Schedule 4(f) specifies the owners, legally and beneficially, of the Equity Interests of the Company.

Except as described in Schedule 4(f), the Assigned Equity Interest is held, as set forth above, free and clear of any Encumbrances (except Permitted Equity Interest Encumbrances), and there are no Commitments of the Company (except Permitted Equity Interest Encumbrances) with respect to any Equity Interest of the Company. Except as set forth in the Organizational Documents of the Company, the Assigned Equity Interest is not subject to any voting trusts, proxies or other contracts or understandings with respect to voting, redemption, sale, transfer or other disposition of such Equity Interest.

(g) Subsidiaries. The Company does not have any Subsidiaries.

(h) Damage, Casualty, Etc. To the Seller's Knowledge, since December 31, 2010:

(i) with respect to the tangible Company Assets, there has not been any physical damage, destruction or loss (whether or not covered by insurance), pending or threatened adverse change, or operation or maintenance outside the Ordinary Course of Business, that, in each case, has or could reasonably be expected to have a Company Material Adverse Effect;

(i) Legal Compliance. To the Seller's Knowledge, the Company is in compliance and has complied with all applicable Laws of all Governmental Authorities except where the failure to comply would not, individually or in the aggregate, have a Company Material Adverse Effect.

(ii) to the Seller's Knowledge, each Company Contract will continue to be so enforceable on terms identical to those contemplated in (i) above following the consummation of the transactions contemplated by the Transaction Agreements (except for those that expire at the end of their term, without regard to the transactions contemplated by the Transaction Agreements);

(iii) to the Seller's Knowledge, (x) neither the Company nor any applicable counterparty thereto is in breach or default of any Company Contract, and (y) no event has occurred that, with notice or lapse of time, would constitute a breach or default under any Company Contract;

(iv) to the Seller's Knowledge, none of the Seller or any of its Affiliates is in breach or default of any Company Contract to which it is a party, and no event has occurred that, with notice or lapse of time, would constitute a breach or default by any such party under any such Company Contract; and

If the Buyer has a right to terminate this Agreement pursuant to Section 10(a)(ii), without taking into consideration any new information provided by the Seller pursuant to this Section 5(b)(i) (the “*New Seller Information*”) for purposes of qualifying any of the representations and warranties of the Seller set forth in this Agreement, but the Buyer elects to proceed with the Closing, then each of the applicable Schedules shall be deemed to have been amended to include the New Seller Information, the New Seller Information shall be deemed to be waived by the Buyer and the Buyer shall not be entitled to make a claim thereon under this Agreement. (d) Post-Closing Collection Matters. At any time after the Closing that the Seller receives any payment related to the Company which is due to the Buyer, the Seller will promptly remit such payment to the Buyer for the benefit of the Buyer. (i) the representations and warranties of the Seller contained in this Agreement, including Article 4, must be true and correct in all respects (without giving effect to any qualification as to materiality (other than qualifications using the words "materially affect the Seller's ability to consummate the transactions contemplated by this Agreement") or Company Material Adverse Effect) as of the date of this Agreement and as of the Closing (except for those which refer to another specific date, which must be true and correct as of such date), except to the extent such inaccuracies, violations or breaches would not, individually or in the aggregate, result in a Company Material Adverse Effect or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement;

(ii) the Seller must have performed and complied in all material respects with each of its covenants hereunder through the Closing;

(iii) the Seller must have timely delivered all items required to be delivered at Closing pursuant to Section 2(d); and

(v) the closing of the transactions contemplated under the MOPL PSA and the Odyssey PSA must be completed concurrently with the Closing, as such transactions may be modified pursuant to the terms of such agreements; *provided, however*, that this condition shall be deemed to have been met with respect to the Odyssey PSA if there is an exercise of the Odyssey ROFR Provisions (as defined in the Odyssey PSA) prior to the Closing; *provided, further*, that this condition shall be deemed to be satisfied with respect to either or both of the Odyssey PSA and the MOPL PSA, as applicable, if the transactions contemplated thereby fail to close for any reason other than a breach by the Buyer of its representations, warranties, covenants or obligations under either such agreement.

The Seller may waive any condition specified in this Section 7(c) if it executes and delivers to the Buyer a writing so stating at or before the Closing.

8. Remedies for Breaches of this Agreement.

(a) Survival of Representations and Warranties.

(i) Except to the extent provided to the contrary in Sections 8(a)(ii) and (iii), none of the representations and warranties of Parties contained in this Agreement shall survive the Closing and shall have no further force or effect following the Closing.

(ii) The representations and warranties of (A) the Buyer contained in Section 3(a) and (B) the Seller contained in Section 4(a) shall survive the Closing for a period of twelve (12) months after the Closing Date, whereupon they shall have no further force or effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of such survival period.

(iii) The representations and warranties of (A) the Buyer contained in Sections 3(b) (Authorization of Transaction) and 3(d) (Brokers) and (B) the Seller contained in Sections 4(b) (Authorization of Transaction), 4(c) (Noncontravention), 4(d) (Brokers), 4(f) (Capitalization) and 4(j) (Tax) shall survive the Closing until the 30th day after the expiration of the statute of limitations applicable to the underlying matter giving rise to that claim, whereupon they shall have no further force or effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of the applicable survival period.

(iv) The covenants and similar obligations of the Parties contained in this Agreement shall survive the Closing in accordance with their terms.

(b) Indemnification Provisions for Benefit of the Buyer.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 4 and referred to in Section 8(a)(ii) or (iii) and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after Closing, the Seller agrees to indemnify and hold harmless the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent arising from such inaccuracy, violation or breach; *provided* that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any such individual inaccuracy, violation or breach until the Buyer Indemnitees have suffered Adverse Consequences in excess of \$200,000 (the “**Claim Threshold**”), at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “**Qualifying Buyer Indemnity Claim**”), subject to the remaining provisions of this Article 8; *provided, further*, that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any Qualifying Buyer Indemnity Claim until the Buyer Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Buyer Indemnity Claims in excess of an aggregate deductible amount equal to \$6.0 million (the “**Deductible**”), at which point the Seller shall be obligated to indemnify the Buyer Indemnitees from and against all Adverse Consequences in respect of all Qualifying Buyer Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Seller’s covenants in this Agreement, and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Seller agrees to indemnify the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) In determining the scope of the Seller’s indemnification obligations under this Section 8(b), any qualification as to Company Material Adverse Effect shall be disregarded and the entire amount of the Adverse Consequences suffered by the applicable Buyer Indemnitees shall be included in the calculation of the amount of Adverse Consequences to which such Buyer Indemnitees shall be entitled to indemnification; *provided, however*, that such qualifications as to Company Material Adverse Effect shall apply for purposes of determining whether there has been a breach in the first place.

(iv) To the extent any Buyer Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Buyer Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Buyer Indemnitee is entitled to be indemnified under this Section 8(b), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Buyer Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding

sentence with respect to Third Party Claims, the Seller shall not be liable to any Buyer Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(v) Notwithstanding anything in this Agreement to the contrary, in no event shall the Seller ever be required to indemnify the Buyer Indemnitees for Adverse Consequences under: (i) Section 8(b)(i) in an amount exceeding, in the aggregate, \$25.0 million; or (ii) any and all provisions of this Agreement in an amount exceeding, in the aggregate, the Purchase Price.

(vi) No claim for indemnification may be asserted or commenced against the Seller pursuant to this Section 8(b) unless written notice of such claim is received by the Seller describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(vii) No claim for a breach of representation or warranty under Section 8(b)(i) may be asserted or commenced by any Buyer Indemnitee against the Seller to the extent arising out of, resulting from or relating to any breach of any representation or warranty of which the Buyer had Knowledge on or prior to the Closing Date unless the Buyer was otherwise obligated to Close pursuant to the terms of this Agreement.

(c) Indemnification Provisions for the Benefit of the Seller.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 3 and referred to in Section 8(a)(ii) or (iii); and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing the Buyer agrees to indemnify and hold harmless the Seller Indemnitees from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent arising from such inaccuracy, violation or breach; that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such individual inaccuracy, violation or breach until the Seller Indemnitees have suffered Adverse Consequences in excess of the Claim Threshold, at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “**Qualifying Seller Indemnity Claim**”), subject to the remaining provisions of this Article 8; *provided, further*, that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such Qualifying Seller Indemnity Claim until the Seller Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Seller Indemnity Claims in excess of the Deductible, at which point the Buyer shall be obligated to indemnify the Seller Indemnitees from and against all Adverse Consequences in respect of all Qualifying Seller Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Buyer's covenants in this Agreement, and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Buyer agrees to indemnify the Seller Indemnitees from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) To the extent any Seller Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Seller Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Seller Indemnitee is entitled to be indemnified under this Section 8(c), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Seller Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding sentence with respect to Third Party Claims, the Buyer shall not be liable to any Seller Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(iv) Notwithstanding anything in this Agreement to the contrary, in no event shall the Buyer ever be required to indemnify the Seller Indemnitees for Adverse Consequences under (i) Section 8(c)(i) in an amount exceeding, in the aggregate, \$25 million; or (ii) obligations pursuant to Article 5 in an amount exceeding, in the aggregate, the Purchase Price.

(v) No claim for indemnification may be asserted or commenced against the Buyer pursuant to this Section 8(c) unless written notice of such claim is received by the Buyer describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(vi) No claim for a breach of representation or warranty under Section 8(c)(i) may be asserted or commenced by any Seller Indemnitee against the Buyer to the extent arising out of, resulting from or relating to any breach of any representation or warranty of which the Seller had Knowledge on or prior to the Closing Date unless the Seller was otherwise obligated to Close pursuant to the terms of this Agreement.

(d) Matters Involving Third Parties.

(i) If any third party shall notify any Seller Indemnitee or Buyer Indemnitee, as the case may be (for purposes of this Section 8(d), the "**Indemnified Party**"), with respect to any matter (a "**Third Party Claim**") that may give rise to a claim for indemnification against the indemnifying party under Section 8(b) or Section 8(c), as applicable (for purposes of this Section 8(d), the "**Indemnifying Party**") under this Article 8, then the Indemnified Party shall promptly (and in any event within five (5) business days after receiving notice of the Third Party Claim) notify the Indemnifying Party thereof in a written notice stating the amount of the Adverse Consequences, if known, and method of

computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of any liability that it may have to the Indemnified Party, except to the extent the defense of such claim is prejudiced by the Indemnified Party's failure to give such notice.

(ii) The Indemnifying Party shall have the right to assume and thereafter conduct the defense of the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party and the Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof; *provided, however,* that the Indemnifying Party shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim which provides for or results in any payment by or Obligation of the Indemnified Party of or for any damages or other amount, any Encumbrance on any property of the Indemnified Party, any finding of responsibility or liability on the part of the Indemnified Party or any sanction or injunction of, restriction upon the conduct of any business by, or other equitable relief upon the Indemnified Party, without the prior written consent of the Indemnified Party (not to be withheld unreasonably).

(iii) Unless and until the Indemnifying Party assumes the defense of the Third Party Claim as provided in Section 8(d)(i), the Indemnified Party may defend against the Third Party Claim in any manner it reasonably may deem appropriate; *provided, however,* that in no event shall the Indemnified Party consent to the entry of any judgment or enter into any settlement with respect to any such Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be withheld unreasonably.

(e) Indemnification if Negligence of Indemnitee. THE INDEMNIFICATION PROVIDED IN THIS ARTICLE 8 WILL BE APPLICABLE WHETHER OR NOT THE SOLE, JOINT OR CONTRIBUTORY NEGLIGENCE (OTHER THAN GROSS NEGLIGENCE) OF THE INDEMNIFIED PARTY IS ALLEGED OR PROVEN. THE PARTIES AGREE THE IMMEDIATELY PRECEDING SENTENCE IS COMMERCIALY CONSPICUOUS.

(f) No Waiver of Rights or Remedies. Subject to the foregoing provisions of this Article 8, each Indemnified Party's rights and remedies set forth in this Agreement will survive the Closing and will not be deemed waived by such Indemnified Party's consummation of the transactions contemplated by this Agreement and will be effective regardless of any inspection or investigation conducted by or on behalf of such Indemnified Party or by its directors, officers, employees, or representatives or at any time (regardless of whether notice of such knowledge has been given to Indemnifying Party), whether before or after the date of this Agreement or the Closing Date with respect to any circumstances constituting a condition under this Agreement, unless any waiver specifically so states.

(g) Determination of Amount of Adverse Consequences. The Adverse Consequences giving rise to any indemnification obligation hereunder shall be limited to the actual loss suffered by the Indemnified Party (reduced by any insurance proceeds or other third-party payments received, realized or retained by the Indemnified Party as a result of the events giving rise to the claim for indemnification net of any expenses related to the receipt of such proceeds as well as any Tax Benefit recognized by the

Indemnified Party (or the affiliated group of which it is a member) occasioned by such loss or damage). Any Indemnified Party seeking indemnity hereunder shall use commercially reasonable efforts to seek coverage (including both costs of defense and indemnity) under applicable insurance policies with respect to any such Adverse Consequences. In the event that a Buyer Indemnitee receives a payment under any insurance policy or other proceeds from a third party that would have reduced, pursuant to this Section 8(g), an indemnification payment made by a Party hereunder if such payment under such insurance policy or other third-party source had been received prior to such indemnification payment, such Indemnified Party shall refund to the applicable Party an aggregate amount that equals the net amount (taking into account any costs or expenses, including reasonable attorney's fees, associated with submitting or otherwise making a claim for, or collecting, such payment) of the reduction that would have so resulted from its earlier receipt of such payment under such insurance policy or from such third party. The amount of the loss and the amount of the indemnity payment shall be computed by taking into account the timing of the loss or payment, as applicable, using a Prime Rate plus 2% interest or discount rate, as appropriate. Upon the request of the Indemnifying Party, the Indemnified Party shall provide the Indemnifying Party with information sufficient to allow the Indemnifying Party to calculate the amount of the indemnity payment in accordance with this Section 8(g). An Indemnified Party shall take all reasonable steps to mitigate damages in respect of any claim for which it is seeking indemnification and shall use reasonable efforts to avoid any costs or expenses associated with such claim and, if such costs and expenses cannot be avoided, to minimize the amount thereof.

(h) Tax Treatment of Indemnity Payments. The Parties hereto agree that all indemnification payments made under this Agreement, including any payment made under Article 9, shall be treated as purchase price adjustments for Tax purposes.

(i) Exclusive Post-Closing Remedy. After the Closing, the rights and remedies set forth in this Article 8 and Article 9 shall constitute the sole and exclusive rights and remedies of the Parties under or with respect to the subject matter of this Agreement except for any non-monetary, equitable relief to which any Party may be entitled, and any remedies for actual fraud.

(j) Additional Remedy Matters. To the extent any claim may be recoverable pursuant to more than one Section of this Article 8, the Indemnified Party may make such claim under any such Section in the alternative. Notwithstanding anything herein to the contrary, in the event any Party (or any other indemnitee) is entitled to a payment or other benefit under more than one provision of this Agreement arising out of or resulting from the same set of facts or circumstances and such Person has already been made whole by payment or another benefit under one of those provisions, in no event shall such Person be entitled to receive a subsequent payment or benefit under any other provision of this Agreement (*i.e.*, such Person shall not receive more than its damages). In furtherance of the foregoing, any liability for indemnification hereunder shall be without duplication (*i.e.*, without allowing the claiming Party (or other indemnitee) to receive more than its damages) by reason of the state of facts giving rise to such liability constituting a breach of more than one representation, warranty, covenant or agreement.

9. Tax Matters.

(a) Allocations. With respect to the taxable year that includes the Closing Date, the Seller shall be allocated, in accordance with the Organizational Documents of the Company in effect as of the Closing Date, all items of income, loss, deduction, and credit of the Company for the period prior to

and including the Closing Date and the Buyer shall be allocated all remaining items of income, loss, deduction, and credit of the Company. More precisely, with respect to the sale of a portion of the Equity Interest in the Company pursuant to this Agreement, the Buyer and the Seller agree to cause the Company (to the extent they have the Legal Right) to elect “the closing of the books” method pursuant to the Regulations of Section 706 of the Code.

(b) Cooperation on Tax Matters.

(i) The Buyer and the Seller shall cooperate fully, as and to the extent reasonably requested by the other Party, in connection with the preparation and filing of Tax Returns pursuant to this Section 9(b) and any audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Buyer and the Seller shall retain all books and records in their possession with respect to Tax matters pertinent to the Company relating to any whole or partial taxable period beginning before the Closing Date until the expiration of the statute of limitations (and, to the extent notified by the Buyer or the Seller, any extensions thereof) of the respective taxable periods (the “*Records*”), and to abide by all record retention agreements entered into with any taxing authority. Following the Closing Date, each Party shall afford the other Party and its accountants, and counsel, during normal business hours, upon reasonable request, full access to the Records and to such Party’s employees to the extent that such access may be requested for purposes of preparing or filing any Tax Return, claiming any refund with respect to Taxes or defending any audit or other proceeding with respect to Taxes at no cost to the Party accessing the Records (other than for reasonable out-of-pocket expenses); provided that such access shall not be construed to require the disclosure of Records that would cause the waiver of any attorney-client, work product, or like privilege or cause the breach of any confidentiality agreement; *provided, further*, that in the event of any litigation nothing herein shall limit either Party’s rights of discovery under applicable Law.

(ii) The Buyer and the Seller further agree, upon request, to use commercially reasonable efforts to obtain any certificate or other document from any Governmental Authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the transactions contemplated hereby).

(iii) The Buyer and the Seller agree, upon request, to provide the other Parties with all information that such other Parties may be required to report pursuant to Sections 751 and 6050K of the Code and all Treasury Department Regulations promulgated thereunder.

(c) Transfer Taxes. The Seller shall file all necessary Tax Returns and other documentation with respect to all transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees resulting from the transactions contemplated by this Agreement, if any, and, if required by applicable Law, the Buyer shall, and shall cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. Buyer shall be responsible for and will indemnify Seller from and against any such Taxes and fees. The Parties shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Taxes and fees.

(d) Confidentiality. Any information shared in connection with Taxes shall be kept confidential, except as may otherwise be necessary in connection with the filing of Tax Returns or reports, refund claims, Tax audits, Tax claims and Tax litigation, or as required by Law.

(e) Audits. The Seller or the Buyer, as applicable, shall provide prompt written notice to the other Parties of any pending or threatened Tax audit, assessment or proceeding that it becomes aware of related to the Company or the Company Assets for whole or partial periods for which it is indemnified by the other Party hereunder. Such notice shall contain factual information (to the extent known) describing the asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice or other document received from or with any Tax authority in respect of any such matters. If an Indemnified Party has knowledge of an asserted Tax liability with respect to a matter for which it is to be indemnified hereunder and such Party fails to give the Indemnifying Party prompt notice of such asserted Tax liability, then (i) if the Indemnifying Party is precluded by the failure to give prompt notice from contesting the asserted tax liability in any forum, the Indemnifying Party shall have no obligation to indemnify the Indemnified Party for any Taxes arising out of such asserted Tax liability, and (ii) if the Indemnifying Party is not so precluded from contesting, but such failure to give prompt notice results in a detriment to the Indemnifying Party, then any amount which the Indemnifying Party is otherwise required to pay the Indemnified Party pursuant to this Section 9(e) shall be reduced by the amount of such detriment, provided, the Indemnified Party shall nevertheless be entitled to full indemnification hereunder to the extent, and only to the extent, that such Party can establish that the Indemnifying Party was not prejudiced by such failure. This Section 9(e) shall control the procedure for Tax indemnification matters to the extent it is inconsistent with any other provision of this Agreement.

(f) Control of Proceedings. The Party responsible for the Tax under this Agreement shall control audits and disputes related to such Taxes (including action taken to pay, compromise or settle such Taxes). Reasonable out-of-pocket expenses with respect to such contests shall be borne by the Seller and the Buyer in proportion to their responsibility for such Taxes as set forth in this Agreement. Except as otherwise provided by this Agreement, the noncontrolling party shall be afforded a reasonable opportunity to participate in such proceedings at its own expense.

(g) Powers of Attorney. To the extent the Buyer has the Legal Right, the Buyer shall, and shall cause the Company and its Affiliates to, provide the Seller and its Affiliates with such powers of attorney or other authorizing documentation as are reasonably necessary to empower them to execute and file returns they are responsible for hereunder, file refund and equivalent claims for Taxes they are responsible for, and contest, settle, and resolve any audits and disputes that they have control over under Section 9(e) (including any refund claims which turn into audits or disputes).

(h) Tax Refunds. If the Buyer or any Affiliate of the Buyer receives a refund of any Taxes that the Seller is responsible for hereunder, or if the Seller or any Affiliate of the Seller receives a refund of any Taxes that the Buyer is responsible for hereunder, the Party receiving such refund shall, within thirty (30) days after receipt of such refund, remit it to the Party who has responsibility for such Taxes hereunder. For the purpose of this Section 9(h), the term “refund” shall include a reduction in Tax and the use of an overpayment as a credit or other Tax offset, and receipt of a refund shall occur upon the filing of a Tax Return or an adjustment thereto using such reduction, overpayment or offset or upon the receipt of cash. Each Party shall promptly notify the other of any right to claim a refund with respect to Taxes for which the other Party is liable pursuant to this Agreement and shall reasonably cooperate (at the

expense of the Party entitled to the refund hereunder) in the claim of such refund or other process required to obtain such refund.

(i) Closing Tax Certificate. At the Closing, the Seller shall deliver to the Buyer a certificate, in the form of Exhibit E.

(j) Section 754 Election. The Seller shall take or cause to be taken such actions as are requested by the Buyer in order to cause the Company to make a timely election under Section 754 of the Code with respect to the Seller's sale of the Assigned Equity Interest to the Buyer hereunder.

(k) Conflict. In the event of a conflict between the provisions of this Article 9 and any other provision of this Agreement, including Article 8, this Article 9 shall control.

10. Termination.

(a) Termination of Agreement. The Parties may terminate this Agreement, as provided below:

(i) the Buyer and the Seller may terminate this Agreement by mutual written consent at any time before the Closing;

(ii) the Buyer may terminate this Agreement, if the Buyer is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Seller at any time before Closing: (A) in the event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Seller contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality or Company Material Adverse Effect) would, individually or in the aggregate, constitute or result in a Company Material Adverse Effect or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement, (x) the Buyer has notified the Seller of the breach in the manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Buyer's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results from the Buyer breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(b) shall have become incapable of fulfillment on or prior to December 31, 2011;

(iii) the Seller may terminate this Agreement, if the Seller is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Buyer at any time before Closing (A) in the event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Buyer contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality) or materially affect the Buyer's ability to consummate the transactions contemplated by this Agreement, (x) the Seller has notified the Buyer of the breach in the

manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Seller's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results primarily from the Seller breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(c) shall have become incapable of fulfillment on or prior to December 31, 2011;

(iv) either Party may terminate this Agreement if one or both of the other owners (other than Seller) of a portion of the Equity Interest in the Company shall have exercised the right pursuant to the Poseidon ROFR Provisions to acquire any portion of the Seller's Equity Interest in the Company; and

(v) either Party may terminate this Agreement if any court of competent jurisdiction or any governmental, administrative or regulatory authority, agency or body shall have issued an order, decree or ruling or shall have taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated hereby and such order, decree, ruling or other action shall have become final and nonappealable.

(b) Effect of Termination. Except for the provisions of this Article 10 and Article 11, if any Party terminates this Agreement pursuant to Section 10(a), all rights and Obligations of the Parties hereunder shall terminate without any liability of any Party to the other Party and except that termination of this Agreement will not affect any liability of either Party for any breach of this Agreement prior to termination (but, to the extent provided in Section 5(b)(i), giving effect to any New Seller Information or any New Buyer Information, as applicable, for purposes of any breach of any representation and warranty in this Agreement), or any breach at any time of the provisions hereof surviving termination.

11. Miscellaneous.

(a) Expenses. Except as otherwise expressly provided in this Agreement, the Seller, on the one hand, and the Buyer, on the other hand, will each bear its own costs and expenses (including those of Affiliates) incurred in connection with the preparation, execution and performance of this Agreement and the transactions contemplated by this Agreement and the other Transaction Agreements, including all fees and expenses of its agents, representatives, financial advisors, legal counsel and accountants.

(b) No Third Party Beneficiaries. Except as specifically provided in Article 8 with respect to Buyer Indemnitees and Seller Indemnitees, this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

(c) Succession. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. Neither Party may assign this Agreement or any of its rights or Obligations hereunder (except by operation of Law) without the prior written consent of the other Party (which consent may not be unreasonably withheld, delayed or conditioned); *provided, however*, that without the prior approval of the Seller, the Buyer and its permitted successors and assigns may (i) transfer any or all of its rights or interests under this Agreement to a

wholly owned direct or indirect Subsidiary of the Buyer for so long as such Person remains a wholly owned Subsidiary of the Buyer, including designating one or more such Persons to be the assignee of some or any portion of the Assigned Equity Interest; (ii) assign any or all of its rights or interests under this Agreement to another Person in connection with any sale or transfer of all or substantially all of its assets; (iii) make a collateral assignment of its rights hereunder in connection with a bona fide financing transaction; or (iv) transfer any or all of its rights or interests under this Agreement pursuant to any foreclosure or settlement of any such collateral assignment; *provided, further*, that no transfer or assignment under any of the foregoing clauses (i) through (iv) shall result in the release of the Buyer from any of its obligations under this Agreement, and the Buyer shall remain a primary obligor (as opposed to a surety) thereof.

(d) Counterparts. This Agreement may be executed in multiple identical counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

(e) Incorporation of Exhibits and Schedules. The Exhibits and Schedules to this Agreement are incorporated herein by reference and made a part hereof. If there is any conflict or other inconsistency between this Agreement and the Exhibits and Schedules, the terms of the main body of this Agreement shall prevail. To the extent of any ambiguity, inconsistency or conflict between this Agreement and any other Transaction Agreement, the terms of this Agreement will prevail.

(f) Headings. The section headings contained in this Agreement are inserted for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

(h) Governing Law; Venue. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAWS PROVISION OR RULE (WHETHER OF THE STATE OF TEXAS OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF TEXAS. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY CONSENTS TO SUBMIT TO THE JURISDICTION OF THE COMPETENT COURTS OF THE STATE OF TEXAS AND OF THE UNITED STATES OF AMERICA, IN EACH CASE LOCATED IN HOUSTON, TEXAS (THE "**COURTS**") FOR ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY (AND AGREES NOT TO COMMENCE ANY LITIGATION RELATING THERETO EXCEPT IN THE COURTS), WAIVES ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUCH LITIGATION IN THE COURTS AND AGREES NOT TO PLEAD OR CLAIM IN ANY COURT THAT SUCH LITIGATION BROUGHT THEREIN HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(i) Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by both of the Parties. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(j) Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

(k) Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or Law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word “including” shall mean including without limitation, unless the context otherwise requires. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural, and vice versa. All references herein to Exhibits, Schedules, Articles, Sections or subdivisions thereof shall refer to the corresponding Exhibits, Schedules, Article, Section or subdivision thereof of this Agreement unless specific reference is made to such exhibits, articles, sections or subdivisions of another document or instrument. The terms “herein,” “hereby,” “hereunder,” “hereof,” “hereinafter,” and other equivalent words refer to this Agreement in its entirety and not solely to the particular portion of the Agreement in which such word is used. The words “shall” and “will” are used interchangeably throughout this Agreement and shall accordingly be given the same meaning, regardless of which word is used. The word “or” will have the inclusive meaning represented by the phrase “and/or” unless the context requires otherwise. Any reference to a “business day” shall mean any day other than a Saturday or Sunday or any other day on which commercial banks are authorized or required by Law to be closed in Houston, Texas. Except to the extent expressly provided to the contrary, references to a Party include its successors and permitted assigns. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time.

(l) Entire Agreement. THIS AGREEMENT (INCLUDING THE DOCUMENTS REFERRED TO HEREIN) CONSTITUTES THE ENTIRE AGREEMENT AMONG THE PARTIES AND SUPERSEDES ANY PRIOR UNDERSTANDINGS, AGREEMENTS, OR REPRESENTATIONS BY OR AMONG THE PARTIES (OTHER THAN THOSE CONTAINED IN THE CONFIDENTIALITY AGREEMENTS), WRITTEN OR ORAL, TO THE EXTENT IT HAS RELATED IN ANY WAY TO THE SUBJECT MATTER HEREOF. FOR THE AVOIDANCE OF DOUBT, THIS AGREEMENT SUPERSEDES THE LETTER OF INTENT DATED AS OF AUGUST 12, 2011 BETWEEN THE PARTIES, WHICH SHALL HAVE NO FURTHER FORCE OR EFFECT. UPON CLOSING, THE BUYER SHALL BE RELEASED FROM ALL OF ITS OBLIGATIONS UNDER EACH CONFIDENTIALITY AGREEMENT.

(m) Disclosure Schedules. The Schedules to this Agreement have been arranged in sections corresponding to the numbered Sections contained in this Agreement. Any disclosure of an item in any Schedule shall be deemed to have been disclosed in any other Schedules to which such disclosure is clearly relevant from the text of such disclosure. The listing (or inclusion of a copy) of a document or other item in the Schedules shall be adequate to disclose an exception to a representation or warranty made herein if the nature and relevance of such exception is reasonably apparent from the listing (or inclusion of a copy) of such document.

(n) No Recourse Against Non-Parties. All claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, may be made only against the entities that are expressly identified as Parties hereto. No Person who is not a named party to this Agreement, including, without limitation, any director, officer, employee, member, partner, stockholder, Affiliate, agent, attorney or representative of any named party to this Agreement (“***Non-Party Affiliates***”), shall have any liability (whether in contract or in tort, in law or in equity, or based upon any theory that seeks to impose liability of an entity party against its owners or affiliates) for any Obligations or liabilities arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of this Agreement or its negotiation or execution; and each Party hereto waives and releases all such liabilities, claims and Obligations against any such Non-Party Affiliates. Non-Party Affiliates are expressly intended as third-party beneficiaries of this provision of this Agreement.

Except as set forth on Schedule 3(b), no Buyer Party needs to give any notice to, make any filing with or obtain any authorization, consent or approval of any Governmental Authority or any other Person to consummate the transactions contemplated by this Agreement or any other Transaction Agreement to which such Buyer Party is a party.

(c) Noncontravention. Except as set forth on Schedule 3(c), neither the execution and delivery of any Transaction Agreement to which any Buyer Party is a party, nor the consummation of any of the transactions contemplated thereby, will (A) violate any Law to which any Buyer Party is subject,

(B) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any Person the right to accelerate, terminate, modify or cancel or require any notice, payment or lien under any agreement, contract, lease, license, instrument or other arrangement to which any Buyer Party is a party or by which any Buyer Party is bound or to which any Buyer Party's assets are subject or (C) violate any order of any Governmental Authority, except where the violation, conflict, breach, default, acceleration, termination, modification, cancellation, failure to give notice, right to payment or other compensation or Encumbrance would not, individually or in the aggregate, materially affect such Buyer Party's ability to consummate the transactions contemplated by such Transaction Agreement.

(d) Brokers' Fees. The Buyer does not have any liability or obligation to pay any fees or commissions to any broker, finder or similar agent with respect to the transactions contemplated by this Agreement.

(e) Sufficiency of Funds. On the Closing Date, the Buyer will have sufficient funds to fund the payment of the Purchase Price. The Buyer's obligation to consummate the transactions contemplated by this Agreement is not subject to any condition or contingency with respect to financing.

(f) Company Organizational Documents. Upon the Closing, the Buyer would satisfy the representations and warranties set forth in Section 3.04 of the Odyssey LLC Agreement.

(g) No Other Representations or Warranties. Except as and to the extent set forth in this Agreement, the Buyer makes no representations or warranties whatsoever to the Seller and hereby disclaims all liability and responsibility for any representation, warranty, statement, or information made, communicated, or furnished (orally or in writing) to the Seller or its representatives (including any opinion, information, projection, or advice that may have been or may be provided to the Seller by any director, officer, employee, agent, consultant, or representative of the Buyer or any Affiliate thereof).

(h) No Reliance. Each Buyer Party has reviewed and had access to all documents, records, and information which it has desired to review in connection with its decision to enter into this Agreement, and to purchase the Assigned Equity Interest and to consummate the transactions contemplated hereby. In deciding to enter into this Agreement, and to consummate the transactions contemplated hereby, each Buyer Party has relied solely upon its own knowledge, independent investigation, review and analysis (and that of its representatives) and not on any disclosure or representation made by, or any duty to disclose on the part of, the Seller, its Affiliates, or any of their representatives, other than the representations and warranties of the Seller expressly set forth herein and the other Transaction Agreements.

(i) Acquisition of Assigned Equity Interest for Investment. The Assigned Equity Interest, when acquired by a Buyer Party at the Closing, will be acquired from the Seller for such Buyer Party's own account, for investment purposes, and such Buyer Party is not acquiring the Assigned Equity Interest from the Seller with a view to, or to make offers of sales for the Seller in connection with, any distribution thereof, or to participate or have a direct or indirect participation in any such undertaking, or to participate or have a participation in the direct or indirect underwriting of any such undertaking, in each case within the meaning of the Securities Act of 1933, as amended (the "*Securities Act*"), or applicable state securities Laws. Each Buyer Party understands that: (i) the Assigned Equity Interest has not been registered under the Securities Act by reason of its issuance in a transaction exempt from the registration and prospectus delivery requirements of the Securities Act and has not been qualified under any state

securities Laws on the grounds that the offering and sale of securities contemplated by this Agreement are exempt from registration thereunder; and (ii) the Seller's reliance on such exemptions is predicated on the Buyer's representations set forth herein. Each Buyer Party understands that the resale of the Assigned Equity Interest may be restricted indefinitely, unless a subsequent disposition thereof is registered under the Securities Act and registered under any state securities Law or is exempt from such registration. Each Buyer Party is an "accredited investor" as that term is defined in Rule 501 of Regulation D promulgated by the SEC under the Securities Act. Each Buyer Party is able to bear the economic risk of the acquisition of the Assigned Equity Interest pursuant to the terms of this Agreement, including a complete loss of such Buyer Party's investment in the Assigned Equity Interest, for an indefinite period of time and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of its acquisition of the Assigned Equity Interest. For purposes of state "blue sky" Laws, the Buyer represents and warrants that the principal executive offices of the Buyer Parties are located in the State of Texas and that the decision by the Buyer Parties to acquire the Assigned Equity Interest shall be deemed to occur solely in the State of Texas.

4. Representations and Warranties Concerning the Seller, the Company and the Company Assets. The Seller hereby represents and warrants to the Buyer that the following statements contained in this Article 4 are true and correct as of the date hereof and will be true and correct as of the Closing Date (unless any such representation and warranty expressly speaks to a specific date).

(a) Organization and Good Standing. (i) The Seller is duly incorporated, validly existing and in good standing under the Laws of the State of Ohio. The Company is duly organized, validly existing and in good standing as a limited liability company under the Laws of the State of Delaware.

(ii) (A) each of the Seller and the Company is duly qualified and in good standing as a foreign corporation or limited liability company, as applicable, under the Laws of each other jurisdiction that requires qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, delay or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement;

(B) each of the Seller and the Company has full power and authority to carry on the business in which it is engaged, and to own and use the properties owned and used by it; and

(C) with respect to the Organizational Documents of the Company, (1) neither the Seller nor, to the Seller's Knowledge, any other member of the Company or the Company is in breach, default or violation of any provision of any such Organizational Document, and, to the Seller's Knowledge, no event has occurred that, with notice or lapse of time, would constitute a breach or default by any such party to any such Organizational Document, and (2) to the Seller's Knowledge, (x) each such Organizational Document is enforceable and will continue to be so enforceable after the Closing and (y) no member of the Company or the Company has repudiated any such Organizational Document,

except in the case of each of clause (ii)(A), (ii)(B) and (ii)(C)(2)(x) of this Section 4(a) (which clauses shall be considered together as one representation and concurrently for

purposes of the application of the proviso to Section 8(b)(iii)), for such failures to be so qualified or in good standing, failures to have such power and authority and failures to be so enforceable as would not, individually or in the aggregate, have a Company Material Adverse Effect; and

(iii) The Seller has delivered to the Buyer correct and complete copies of each of the Organizational Documents of the Seller and the Company. Neither the Seller nor the Company is in breach of any provision of its Organizational Documents. There is no pending or, to the Seller's Knowledge, threatened or proposed action relating to the dissolution, liquidation, insolvency or rehabilitation of the Seller or the Company.

(b) Authorization of Transaction. The Seller has full corporate power and authority to execute and deliver each Transaction Agreement to which the Seller is a party and to perform its Obligations thereunder. The execution and delivery of each of the Transaction Agreements to which the Seller is a party and the consummation of the transactions contemplated thereby have been duly authorized by all required entity action on the part of the Seller. This Agreement has been, and each of the other Transaction Agreements to which the Seller is a party will be at or prior to the Closing, duly and validly executed and delivered by the Seller, and each Transaction Agreement to which the Seller is a party constitutes the valid and legally binding obligation of the Seller, enforceable against the Seller in accordance with its terms and conditions, subject, however, to the effects of bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally, and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Except as set forth on Schedule 4(b), the Seller does not need to give any notice to, make any filing with or obtain any authorization, consent or approval of any Governmental Authority or any other Person to consummate the transactions contemplated by this Agreement or any other Transaction Agreement to which the Seller is a party.

(c) Noncontravention. Except as set forth on Schedule 4(c), neither the execution and delivery of any Transaction Agreement to which the Seller is a party, nor the consummation by the Seller of any of the transactions contemplated thereby in accordance with the terms thereof, will (A) violate any Law to which the Seller or, to the Seller's Knowledge, the Company is subject, (B) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any Person the right to accelerate, terminate, modify or cancel or require any notice, payment or lien under any agreement, contract, lease, license, instrument or other arrangement to which either the Seller or, to the Seller's Knowledge, the Company is a party or by which the Seller or, to the Seller's Knowledge, the Company is bound or to which any of its assets are subject or (C) violate any order of any Governmental Authority, except where the violation, conflict, breach, default, acceleration, termination, modification, cancellation, failure to give notice, right to payment or other compensation or Encumbrance affecting the Seller would not, individually or in the aggregate, materially affect the ability of the Seller to consummate the transactions contemplated by this Agreement. For the avoidance of doubt, no representation is made in this Section 4(c) as to any violation or conflict with any Law or any order of any Governmental Authority as applied to the Buyer.

(d) Brokers' Fees. Neither the Seller nor the Company has liability or obligation to pay any fees or commissions to any broker, finder or similar agent with respect to the transactions contemplated by this Agreement.

Except as described in Schedule 4(f), the Assigned Equity Interest is held, as set forth above, free and clear of any Encumbrances (except Permitted Equity Interest Encumbrances), and there are no Commitments of the Company (except Permitted Equity Interest Encumbrances) with respect to any Equity Interest of the Company. (l) Permits. Except as and to the extent set forth in this Agreement, the Seller makes no representations or warranties whatsoever to the Buyer and hereby disclaims all liability and responsibility for any representation, warranty, statement, or information made, communicated, or furnished (orally or in writing) to the Buyer or its representatives (including any opinion, information, projection, or advice that may have been or may be provided to the Buyer by any director, officer, employee, agent, consultant, or representative of the Seller or any of its Affiliates). Each of the Buyer and the Seller shall give the other Party prompt notice of the occurrence or nonoccurrence of any event the occurrence or nonoccurrence of which would be reasonably likely to (A) cause a breach of any of the representations, warranties or covenants of such Party under this Agreement or (B) cause any of the conditions of the other Party to consummate the transactions contemplated by this Agreement not to be satisfied. If the Buyer has a right to terminate this Agreement pursuant to Section 10(a)(ii)(A), without taking into consideration any new information provided by the Seller pursuant to this Section 5(b)(i) (the "***New Seller Information***") for purposes of qualifying any of the representations and warranties of the Seller set forth in this Agreement, but the Buyer elects to proceed with the Closing, then each of the applicable Schedules shall be deemed to have been amended to include the New Seller Information, the New Seller Information shall be deemed to be waived by the Buyer and the Buyer shall not be entitled to make a claim thereon under this Agreement. Without limiting the generality of the foregoing, during the period commencing on the date of this Agreement and continuing to the Closing Date, the Seller will, vote its Equity Interest in the Company (and cause each of the Seller's representatives who act as a committee member, officer or other representative of the Company to vote in such capacity) against the Company doing any of the following, in any case where such matter is subject to a vote (except as may be necessary or appropriate in case of force majeure or other emergency and except as expressly contemplated by this Agreement or by Schedule 5(c)), unless otherwise consented to by the Buyer (which consent, if requested by the Seller, shall not be unreasonably withheld or delayed):

(i) sell, lease or otherwise dispose of any of its property or assets, in each case, other than sales of services in the Ordinary Course of Business and dispositions of obsolete, damaged or defective parts, supplies or inventory;

(ii) acquire (including by merger, consolidation or acquisition of Equity Interest or assets) any Person, make an investment in or a loan to any Person (other than loans to employees in amounts not to exceed in the aggregate outstanding amount \$1.5 million and advances of credit to customers in the Ordinary Course of Business), or acquire (including by making capital expenditures or leasing (other than leases of equipment made in the Ordinary Course of Business)) any assets with an aggregate value in excess of \$1.5 million;

(v) cause or allow any part of the Company Assets to become subject to an Encumbrance, except for Permitted Encumbrances and other Encumbrances identified in Schedule 4(e)(i);

(vi) issue, sell, pledge, dispose of, grant, encumber or authorize the issuance, sale, pledge, disposition, grant, repurchase, redemption or encumbrance of any Equity Interest in the Company or any Commitments with respect to any Equity Interest in the Company or declare, set aside or make any distributions or dividends in respect of any such Equity Interest except distributions of cash in the Ordinary Course of Business; *provided, however*, that an amount equal to any such distribution actually received by the Seller after the Deemed Closing Date and before the Closing Date shall constitute a Purchase Price Decrease (but only to the extent such distribution is not reflected in the Working Capital Adjustment);

(vii) enter into, amend (or waive any right under) in any material respect, or terminate before the expiration of the term thereof, any material Company Contract other than to the extent any such contract terminates in accordance with its terms;

(viii) allow any Permits to terminate or lapse other than expirations in accordance with their terms, in which case the Company shall use their commercially reasonable efforts to obtain an extension or replacement of such expired Permit;

(ix) cancel or compromise any debt or claim, or settle any action, litigation, complaint, rate filing or administrative proceeding involving payment by the Company or to the Company, where the terms of all such settlements, cancellations or compromises adversely impact the Company after such settlement or agreement;

The Seller will use commercially reasonable efforts to cause its financial advisors and other representatives not to do any of the foregoing.

(ii) The Seller will promptly notify the Buyer if any Person makes any proposal or offer with respect to any of the foregoing and, with respect to any of the foregoing during the term of this Agreement shall specify in such notice the terms of any such proposal or offer.

(iii) The Seller represents, warrants, and covenants that, except as contemplated hereby and except for the Odyssey ROFR Provisions, (A) there are no pending agreements or understandings with respect to the sale or exchange of the Company or any portions thereof (directly or indirectly) (other than sales of inventory or immaterial portions of any Company Assets in the ordinary course) and (B) immediately upon the date of this Agreement, all pending negotiations or discussions with any other Persons with respect thereto, other than in connection with the Odyssey ROFR Provisions, will be terminated.

(e) Reasonable Access. Unless prohibited by Law, the Seller shall permit, and, to the extent it has the Legal Right, following the expiration (or waiver) of the rights of the other owners of Equity Interests in the Company under the Odyssey ROFR Provisions in respect of the transactions contemplated by this Agreement and the other Transaction Agreements, shall use commercially reasonable efforts to cause the Company to permit, representatives of the Buyer to have reasonable access at reasonable times, and in a manner so as not to interfere with the normal business operations of the Seller or the Company and their Affiliates, to all premises, properties, personnel, books, records (including Tax Records), contracts and documents of or pertaining to the Company.

(f) Periodic Information. To the extent it has the Legal Right, the Seller shall deliver to Buyer, when available, periodic financial information and, following the expiration (or waiver) of the rights of the other owners of Equity Interests in the Company under the Odyssey ROFR Provisions in respect of the transactions contemplated by this Agreement and the other Transaction Agreements, operating information, attributable to the Company, to the extent that such information is received by Seller or any of its Affiliates.

(g) Insurance. To the extent it has the Legal Right, the Seller shall cause all Company Insurance Policies in effect as of the date of this Agreement to remain in full force and effect or to be renewed and maintained in full force and effect through (but not after) the Closing Date. To the extent it has the Legal Right, the Seller shall not take any action to release any insurer with respect to claims related to the Assigned Equity Interest made under any such Company Insurance Policy before the Closing Date.

(h) Preferential Rights. Notwithstanding any other provision of this Agreement, on or promptly after the date of this Agreement, the Seller shall submit this Agreement and such other documentation as it shall deem appropriate or advisable to the other owners of Equity Interests in the Company in order to comply with the applicable right-of-first-refusal or preferential rights provisions of the Odyssey LLC Agreement (the “*Odyssey ROFR Provisions*”). The Parties acknowledge that the transactions contemplated by this Agreement and the other Transaction Agreements are subject to the Odyssey ROFR Provisions. The Seller shall promptly notify the Buyer if any other owner of a portion of the Equity Interest in the Company shall have exercised or waived its right pursuant to the Odyssey ROFR Provisions to acquire the Seller’s portion of the Equity Interest in the Company.

(i) Permitted Equity Interest Encumbrances. Notwithstanding any other provision of this Agreement, the Seller shall be responsible for and promptly pay when due all Obligations secured by any Permitted Equity Interest Encumbrances and relating to, arising from or otherwise attributable to facts, circumstances or events occurring prior to the Closing.

6. Post-Closing Covenants. The Parties agree as follows:

(a) General. In case at any time after the Closing any further action is necessary to carry out the purposes of this Agreement, each of the Parties shall take such further action (including the execution and delivery of such further instruments and documents) as the other Party reasonably may request, all at the sole cost and expense of the requesting Party (unless the requesting Party is entitled to indemnification therefor under Article 8).

(b) Assignment of Certain Claims. The Seller shall, upon the Buyer’s request, assign or cause the assignment to the Buyer (or the Buyer’s designee) of any and all actions, suits, proceedings, claims or demands of the types set forth below by (or through) the Seller or any of its Affiliates against the Company, to the extent such actions, suits, proceedings, claims or demands arise from or relate to the Seller’s (or one of its Affiliate’s) capacity as the owner of the Assigned Equity Interest. Notwithstanding the foregoing, this Section 6(b) shall not apply to any claims by (or through) the Seller or any of its Affiliates for contribution or indemnification against the Company relating to any third-party claims.

(c) Delivery and Retention of Records. To the extent it has the Legal Right, within forty-five (45) days after the Closing Date, the Seller shall deliver or cause to be delivered to the Buyer, copies of Tax Records that are relevant to Post-Closing Tax Periods and copies of all other files, books, records, information and data relating to the Company (other than Tax Records) that are in the possession or control of the Seller and material to the ownership of the Assigned Equity Interest; *provided* that such access shall not be construed to require the disclosure of records that would cause the waiver of any attorney-client, work product or like privilege; *provided, further*, that in the event of any litigation nothing herein shall limit any Party’s rights of discovery under applicable Law.

(d) Post-Closing Collection Matters. At any time after the Closing that the Seller receives any payment related to the Company which is due to the Buyer, the Seller will promptly remit such payment to the Buyer for the benefit of the Buyer. At any time after the Closing that the Buyer receives any remittance from any account debtors with respect to the Company which is due to the Seller under the terms of this Agreement or the other Transaction Agreements, the Buyer will endorse such remittance to the order of the Seller and forward it to the Seller promptly upon receipt.

7. Conditions to Obligation to Close.

(a) Conditions to the Obligations of Both Parties. The respective obligations of the Buyer and the Seller to consummate the transactions contemplated by this Agreement is subject to the satisfaction at or prior to the Closing of each of the following conditions:

(i) neither of the other owners (other than the Seller) of a portion of the Equity Interest in the Company shall have exercised its rights pursuant to the Odyssey ROFR Provisions to acquire any portion of the Seller's Equity Interest in the Company; and

(ii) there must not be any pending or threatened injunction, judgment, order, decree, ruling or charge in effect preventing consummation of any of the transactions contemplated by this Agreement or any suit or action pending or threatened by a Governmental Authority to enjoin the consummation of any of the transactions contemplated by this Agreement.

(b) Conditions to Obligation of the Buyer. The obligation of the Buyer to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following conditions:

(i) the representations and warranties of the Seller contained in this Agreement, including Article 4, must be true and correct in all respects (without giving effect to any qualification as to materiality (other than qualifications using the words "materially affect the Seller's ability to consummate the transactions contemplated by this Agreement") or Company Material Adverse Effect) as of the date of this Agreement and as of the Closing (except for those which refer to another specific date, which must be true and correct as of such date), except to the extent such inaccuracies, violations or breaches would not, individually or in the aggregate, result in a Company Material Adverse Effect or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement;

(ii) the Seller must have performed and complied in all material respects with each of its covenants hereunder through the Closing;

(iii) the Seller must have timely delivered all items required to be delivered at Closing pursuant to Section 2(d);

(iv) the Seller must have obtained all consents set forth on Schedule 7(b)(iv) (collectively, the "***Seller Required Consents***"), in form reasonably acceptable to the Buyer; and

(v) the closing of the transactions contemplated under the Poseidon PSA must be completed concurrently with the Closing, as such transactions may be modified pursuant to the terms of such agreement.

The Buyer may waive any condition specified in this Section 7(b) if it executes and delivers to the Seller a writing so stating at or before the Closing.

(c) Conditions to Obligation of the Seller. The obligation of the Seller to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following conditions:

(i) the representations and warranties of the Buyer contained in this Agreement, including Article 3, must be true and correct in all respects as of the date of this Agreement and as of the Closing;

(ii) the Buyer must have performed and complied in all material respects with each of its covenants hereunder through the Closing;

(iii) the Buyer must have timely delivered all items required to be delivered at Closing pursuant to Section 2(e);

(iv) the Buyer must have obtained all consents set forth on Schedule 7(c)(iv) (collectively, the “**Buyer Required Consents**”) in form reasonably acceptable to the Seller; and

(v) the closing of the transactions contemplated under the MOPL PSA and the Poseidon PSA must be completed concurrently with the Closing, as such transactions may be modified pursuant to the terms of such agreements; *provided, however*, that this condition shall be deemed to have been met with respect to the Poseidon PSA if there is an exercise of the Poseidon ROFR Provisions (as defined in the Poseidon PSA) prior to the Closing; *provided, further*, that this condition shall be deemed to be satisfied with respect to either or both of the Poseidon PSA and the MOPL PSA, as applicable, if the transactions contemplated thereby fail to close for any reason other than a breach by the Buyer of its representations, warranties, covenants or obligations under either such agreement.

The Seller may waive any condition specified in this Section 7(c) if it executes and delivers to the Buyer a writing so stating at or before the Closing.

8. Remedies for Breaches of this Agreement.

(a) Survival of Representations and Warranties.

(i) Except to the extent provided to the contrary in Sections 8(a)(ii) and (iii), none of the representations and warranties of Parties contained in this Agreement shall survive the Closing and shall have no further force or effect following the Closing.

(ii) The representations and warranties of (A) the Buyer contained in Section 3(a) and (B) the Seller contained in Section 4(a) shall survive the Closing for a period of twelve (12) months after the Closing Date, whereupon they shall have no further force or

effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of such survival period.

(iii) The representations and warranties of (A) the Buyer contained in Sections 3(b) (Authorization of Transaction) and 3(d) (Brokers) and (B) the Seller contained in Sections 4(b) (Authorization of Transaction), 4(c) (Noncontravention), 4(d) (Brokers), 4(f) (Capitalization) and 4(j) (Tax) shall survive the Closing until the 30th day after the expiration of the statute of limitations applicable to the underlying matter giving rise to that claim, whereupon they shall have no further force or effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of the applicable survival period.

(iv) The covenants and similar obligations of the Parties contained in this Agreement shall survive the Closing in accordance with their terms.

(b) Indemnification Provisions for Benefit of the Buyer.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 4 and referred to in Section 8(a)(ii) or (iii) and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after Closing, the Seller agrees to indemnify and hold harmless the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent arising from such inaccuracy, violation or breach; *provided* that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any such individual inaccuracy, violation or breach until the Buyer Indemnitees have suffered Adverse Consequences in excess of \$100,000 (the “**Claim Threshold**”), at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “**Qualifying Buyer Indemnity Claim**”), subject to the remaining provisions of this Article 8; *provided, further*, that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any Qualifying Buyer Indemnity Claim until the Buyer Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Buyer Indemnity Claims in excess of an aggregate deductible amount equal to \$500,000 (the “**Deductible**”), at which point the Seller shall be obligated to indemnify the Buyer Indemnitees from and against all Adverse Consequences in respect of all Qualifying Buyer Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Seller’s covenants in this Agreement, and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Seller agrees to indemnify the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) In determining the scope of the Seller's indemnification obligations under this Section 8(b), any qualification as to Company Material Adverse Effect shall be disregarded and the entire amount of the Adverse Consequences suffered by the applicable Buyer Indemnitees shall be included in the calculation of the amount of Adverse Consequences to which such Buyer Indemnitees shall be entitled to indemnification; *provided, however*, that such qualifications as to Company Material Adverse Effect shall apply for purposes of determining whether there has been a breach in the first place.

(iv) To the extent any Buyer Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Buyer Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Buyer Indemnitee is entitled to be indemnified under this Section 8(b), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Buyer Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding sentence with respect to Third Party Claims, the Seller shall not be liable to any Buyer Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(v) Notwithstanding anything in this Agreement to the contrary, in no event shall the Seller ever be required to indemnify the Buyer Indemnitees for Adverse Consequences under: (i) Section 8(b)(i) in an amount exceeding, in the aggregate, \$2.75 million; or (ii) any and all provisions of this Agreement in an amount exceeding, in the aggregate, the Purchase Price.

(vi) No claim for indemnification may be asserted or commenced against the Seller pursuant to this Section 8(b) unless written notice of such claim is received by the Seller describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(vii) No claim for a breach of representation or warranty under Section 8(b)(i) may be asserted or commenced by any Buyer Indemnitee against the Seller to the extent arising out of, resulting from or relating to any breach of any representation or warranty of which the Buyer had Knowledge on or prior to the Closing Date unless the Buyer was otherwise obligated to Close pursuant to the terms of this Agreement.

(c) Indemnification Provisions for the Benefit of the Seller.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 3 and referred to in Section 8(a)(ii) or (iii); and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing the Buyer agrees to indemnify and hold harmless the Seller Indemnitees from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent arising from such inaccuracy, violation or breach; that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such individual inaccuracy,

violation or breach until the Seller Indemnitees have suffered Adverse Consequences in excess of the Claim Threshold, at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “*Qualifying Seller Indemnity Claim*”), subject to the remaining provisions of this Article 8; *provided, further*, that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such Qualifying Seller Indemnity Claim until the Seller Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Seller Indemnity Claims in excess of the Deductible, at which point the Buyer shall be obligated to indemnify the Seller Indemnitees from and against all Adverse Consequences in respect of all Qualifying Seller Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Buyer’s covenants in this Agreement, and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Buyer agrees to indemnify the Seller Indemnitees from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) To the extent any Seller Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Seller Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Seller Indemnitee is entitled to be indemnified under this Section 8(c), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Seller Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding sentence with respect to Third Party Claims, the Buyer shall not be liable to any Seller Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(iv) Notwithstanding anything in this Agreement to the contrary, in no event shall the Buyer ever be required to indemnify the Seller Indemnitees for Adverse Consequences under (i) Section 8(c)(i) in an amount exceeding, in the aggregate, \$2.75 million; or (ii) obligations pursuant to Article 5 in an amount exceeding, in the aggregate, the Purchase Price.

(v) No claim for indemnification may be asserted or commenced against the Buyer pursuant to this Section 8(c) unless written notice of such claim is received by the Buyer describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(vi) No claim for a breach of representation or warranty under Section 8(c)(i) may be asserted or commenced by any Seller Indemnitee against the Buyer to the extent

arising out of, resulting from or relating to any breach of any representation or warranty of which the Seller had Knowledge on or prior to the Closing Date unless the Seller was otherwise obligated to Close pursuant to the terms of this Agreement.

(d) Matters Involving Third Parties.

(i) If any third party shall notify any Seller Indemnitee or Buyer Indemnitee, as the case may be (for purposes of this Section 8(d), the “**Indemnified Party**”), with respect to any matter (a “**Third Party Claim**”) that may give rise to a claim for indemnification against the indemnifying party under Section 8(b) or Section 8(c), as applicable (for purposes of this Section 8(d), the “**Indemnifying Party**”) under this Article 8, then the Indemnified Party shall promptly (and in any event within five (5) business days after receiving notice of the Third Party Claim) notify the Indemnifying Party thereof in a written notice stating the amount of the Adverse Consequences, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of any liability that it may have to the Indemnified Party, except to the extent the defense of such claim is prejudiced by the Indemnified Party’s failure to give such notice.

(ii) The Indemnifying Party shall have the right to assume and thereafter conduct the defense of the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party and the Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof; *provided, however*, that the Indemnifying Party shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim which provides for or results in any payment by or Obligation of the Indemnified Party of or for any damages or other amount, any Encumbrance on any property of the Indemnified Party, any finding of responsibility or liability on the part of the Indemnified Party or any sanction or injunction of, restriction upon the conduct of any business by, or other equitable relief upon the Indemnified Party, without the prior written consent of the Indemnified Party (not to be withheld unreasonably).

(iii) Unless and until the Indemnifying Party assumes the defense of the Third Party Claim as provided in Section 8(d)(i), the Indemnified Party may defend against the Third Party Claim in any manner it reasonably may deem appropriate; *provided, however*, that in no event shall the Indemnified Party consent to the entry of any judgment or enter into any settlement with respect to any such Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be withheld unreasonably.

(e) Indemnification if Negligence of Indemnitee. THE INDEMNIFICATION PROVIDED IN THIS ARTICLE 8 WILL BE APPLICABLE WHETHER OR NOT THE SOLE, JOINT OR CONTRIBUTORY NEGLIGENCE (OTHER THAN GROSS NEGLIGENCE) OF THE INDEMNIFIED PARTY IS ALLEGED OR PROVEN. THE PARTIES AGREE THE IMMEDIATELY PRECEDING SENTENCE IS COMMERCIALY CONSPICUOUS.

(f) No Waiver of Rights or Remedies. Subject to the foregoing provisions of this Article 8, each Indemnified Party's rights and remedies set forth in this Agreement will survive the Closing and will not be deemed waived by such Indemnified Party's consummation of the transactions contemplated by this Agreement and will be effective regardless of any inspection or investigation conducted by or on behalf of such Indemnified Party or by its directors, officers, employees, or representatives or at any time (regardless of whether notice of such knowledge has been given to Indemnifying Party), whether before or after the date of this Agreement or the Closing Date with respect to any circumstances constituting a condition under this Agreement, unless any waiver specifically so states.

(g) Determination of Amount of Adverse Consequences. The Adverse Consequences giving rise to any indemnification obligation hereunder shall be limited to the actual loss suffered by the Indemnified Party (reduced by any insurance proceeds or other third-party payments received, realized or retained by the Indemnified Party as a result of the events giving rise to the claim for indemnification net of any expenses related to the receipt of such proceeds as well as any Tax Benefit recognized by the Indemnified Party (or the affiliated group of which it is a member) occasioned by such loss or damage). Any Indemnified Party seeking indemnity hereunder shall use commercially reasonable efforts to seek coverage (including both costs of defense and indemnity) under applicable insurance policies with respect to any such Adverse Consequences. In the event that a Buyer Indemnitee receives a payment under any insurance policy or other proceeds from a third party that would have reduced, pursuant to this Section 8(g), an indemnification payment made by a Party hereunder if such payment under such insurance policy or other third-party source had been received prior to such indemnification payment, such Indemnified Party shall refund to the applicable Party an aggregate amount that equals the net amount (taking into account any costs or expenses, including reasonable attorney's fees, associated with submitting or otherwise making a claim for, or collecting, such payment) of the reduction that would have so resulted from its earlier receipt of such payment under such insurance policy or from such third party. The amount of the loss and the amount of the indemnity payment shall be computed by taking into account the timing of the loss or payment, as applicable, using a Prime Rate plus 2% interest or discount rate, as appropriate. Upon the request of the Indemnifying Party, the Indemnified Party shall provide the Indemnifying Party with information sufficient to allow the Indemnifying Party to calculate the amount of the indemnity payment in accordance with this Section 8(g). An Indemnified Party shall take all reasonable steps to mitigate damages in respect of any claim for which it is seeking indemnification and shall use reasonable efforts to avoid any costs or expenses associated with such claim and, if such costs and expenses cannot be avoided, to minimize the amount thereof.

(h) Tax Treatment of Indemnity Payments. The Parties hereto agree that all indemnification payments made under this Agreement, including any payment made under Article 9, shall be treated as purchase price adjustments for Tax purposes.

(i) Exclusive Post-Closing Remedy. After the Closing, the rights and remedies set forth in this Article 8 and Article 9 shall constitute the sole and exclusive rights and remedies of the Parties under or with respect to the subject matter of this Agreement except for any non-monetary, equitable relief to which any Party may be entitled, and any remedies for actual fraud.

(j) Additional Remedy Matters. To the extent any claim may be recoverable pursuant to more than one Section of this Article 8, the Indemnified Party may make such claim under any such Section in the alternative. Notwithstanding anything herein to the contrary, in the event any Party (or any

other indemnitee) is entitled to a payment or other benefit under more than one provision of this Agreement arising out of or resulting from the same set of facts or circumstances and such Person has already been made whole by payment or another benefit under one of those provisions, in no event shall such Person be entitled to receive a subsequent payment or benefit under any other provision of this Agreement (*i.e.*, such Person shall not receive more than its damages). In furtherance of the foregoing, any liability for indemnification hereunder shall be without duplication (*i.e.*, without allowing the claiming Party (or other indemnitee) to receive more than its damages) by reason of the state of facts giving rise to such liability constituting a breach of more than one representation, warranty, covenant or agreement.

9. Tax Matters.

(a) Allocations. With respect to the taxable year that includes the Closing Date, the Seller shall be allocated, in accordance with the Organizational Documents of the Company in effect as of the Closing Date, all items of income, loss, deduction, and credit of the Company for the period prior to and including the Closing Date and the Buyer shall be allocated all remaining items of income, loss, deduction, and credit of the Company. More precisely, with respect to the sale of a portion of the Equity Interest in the Company pursuant to this Agreement, the Buyer and the Seller agree to cause the Company (to the extent they have the Legal Right) to elect “the closing of the books” method pursuant to the Regulations of Section 706 of the Code.

(b) Cooperation on Tax Matters.

(i) The Buyer and the Seller shall cooperate fully, as and to the extent reasonably requested by the other Party, in connection with the preparation and filing of Tax Returns pursuant to this Section 9(b) and any audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Buyer and the Seller shall retain all books and records in their possession with respect to Tax matters pertinent to the Company relating to any whole or partial taxable period beginning before the Closing Date until the expiration of the statute of limitations (and, to the extent notified by the Buyer or the Seller, any extensions thereof) of the respective taxable periods (the “**Records**”), and to abide by all record retention agreements entered into with any taxing authority. Following the Closing Date, each Party shall afford the other Party and its accountants, and counsel, during normal business hours, upon reasonable request, full access to the Records and to such Party’s employees to the extent that such access may be requested for purposes of preparing or filing any Tax Return, claiming any refund with respect to Taxes or defending any audit or other proceeding with respect to Taxes at no cost to the Party accessing the Records (other than for reasonable out-of-pocket expenses); provided that such access shall not be construed to require the disclosure of Records that would cause the waiver of any attorney-client, work product, or like privilege or cause the breach of any confidentiality agreement; *provided, further*, that in the event of any litigation nothing herein shall limit either Party’s rights of discovery under applicable Law.

(ii) The Buyer and the Seller further agree, upon request, to use commercially reasonable efforts to obtain any certificate or other document from any Governmental

Authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the transactions contemplated hereby).

(iii) The Buyer and the Seller agree, upon request, to provide the other Parties with all information that such other Parties may be required to report pursuant to Sections 751 and 6050K of the Code and all Treasury Department Regulations promulgated thereunder.

(c) Transfer Taxes. The Seller shall file all necessary Tax Returns and other documentation with respect to all transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees resulting from the transactions contemplated by this Agreement, if any, and, if required by applicable Law, the Buyer shall, and shall cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. Buyer shall be responsible for and will indemnify Seller from and against any such Taxes and fees. The Parties shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Taxes and fees.

(d) Confidentiality. Any information shared in connection with Taxes shall be kept confidential, except as may otherwise be necessary in connection with the filing of Tax Returns or reports, refund claims, Tax audits, Tax claims and Tax litigation, or as required by Law.

(e) Audits. The Seller or the Buyer, as applicable, shall provide prompt written notice to the other Parties of any pending or threatened Tax audit, assessment or proceeding that it becomes aware of related to the Company or the Company Assets for whole or partial periods for which it is indemnified by the other Party hereunder. Such notice shall contain factual information (to the extent known) describing the asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice or other document received from or with any Tax authority in respect of any such matters. If an Indemnified Party has knowledge of an asserted Tax liability with respect to a matter for which it is to be indemnified hereunder and such Party fails to give the Indemnifying Party prompt notice of such asserted Tax liability, then (i) if the Indemnifying Party is precluded by the failure to give prompt notice from contesting the asserted tax liability in any forum, the Indemnifying Party shall have no obligation to indemnify the Indemnified Party for any Taxes arising out of such asserted Tax liability, and (ii) if the Indemnifying Party is not so precluded from contesting, but such failure to give prompt notice results in a detriment to the Indemnifying Party, then any amount which the Indemnifying Party is otherwise required to pay the Indemnified Party pursuant to this Section 9(e) shall be reduced by the amount of such detriment, provided, the Indemnified Party shall nevertheless be entitled to full indemnification hereunder to the extent, and only to the extent, that such Party can establish that the Indemnifying Party was not prejudiced by such failure. This Section 9(e) shall control the procedure for Tax indemnification matters to the extent it is inconsistent with any other provision of this Agreement.

(f) Control of Proceedings. The Party responsible for the Tax under this Agreement shall control audits and disputes related to such Taxes (including action taken to pay, compromise or settle such Taxes). Reasonable out-of-pocket expenses with respect to such contests shall be borne by the Seller and the Buyer in proportion to their responsibility for such Taxes as set forth in this Agreement. Except as otherwise provided by this Agreement, the noncontrolling party shall be afforded a reasonable opportunity to participate in such proceedings at its own expense.

(g) Powers of Attorney. To the extent the Buyer has the Legal Right, the Buyer shall, and shall cause the Company and its Affiliates to, provide the Seller and its Affiliates with such powers of attorney or other authorizing documentation as are reasonably necessary to empower them to execute and file returns they are responsible for hereunder, file refund and equivalent claims for Taxes they are responsible for, and contest, settle, and resolve any audits and disputes that they have control over under Section 9(e) (including any refund claims which turn into audits or disputes).

(h) Tax Refunds. If the Buyer or any Affiliate of the Buyer receives a refund of any Taxes that the Seller is responsible for hereunder, or if the Seller or any Affiliate of the Seller receives a refund of any Taxes that the Buyer is responsible for hereunder, the Party receiving such refund shall, within thirty (30) days after receipt of such refund, remit it to the Party who has responsibility for such Taxes hereunder. For the purpose of this Section 9(h), the term “refund” shall include a reduction in Tax and the use of an overpayment as a credit or other Tax offset, and receipt of a refund shall occur upon the filing of a Tax Return or an adjustment thereto using such reduction, overpayment or offset or upon the receipt of cash. Each Party shall promptly notify the other of any right to claim a refund with respect to Taxes for which the other Party is liable pursuant to this Agreement and shall reasonably cooperate (at the expense of the Party entitled to the refund hereunder) in the claim of such refund or other process required to obtain such refund.

(i) Closing Tax Certificate. At the Closing, the Seller shall deliver to the Buyer a certificate, in the form of Exhibit E.

(j) Section 754 Election. The Seller shall take or cause to be taken such actions as are requested by the Buyer in order to cause the Company to make a timely election under Section 754 of the Code with respect to the Seller’s sale of the Assigned Equity Interest to the Buyer hereunder.

(k) Conflict. In the event of a conflict between the provisions of this Article 9 and any other provision of this Agreement, including Article 8, this Article 9 shall control.

10. Termination.

(a) Termination of Agreement. The Parties may terminate this Agreement, as provided below:

(i) the Buyer and the Seller may terminate this Agreement by mutual written consent at any time before the Closing;

(ii) the Buyer may terminate this Agreement, if the Buyer is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Seller at any time before Closing: (A) in the event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Seller contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality or Company Material Adverse Effect) would, individually or in the aggregate, constitute or result in a Company Material Adverse Effect or materially affect the Seller’s ability to consummate the transactions contemplated by this Agreement, (x) the Buyer has notified the Seller of the breach in the manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after

receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Buyer's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results from the Buyer breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(b) shall have become incapable of fulfillment on or prior to December 31, 2011;

(iii) the Seller may terminate this Agreement, if the Seller is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Buyer at any time before Closing (A) in the event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Buyer contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality) or materially affect the Buyer's ability to consummate the transactions contemplated by this Agreement, (x) the Seller has notified the Buyer of the breach in the manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Seller's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results primarily from the Seller breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(c) shall have become incapable of fulfillment on or prior to December 31, 2011;

(iv) either Party may terminate this Agreement if one or both of the other owners (other than Seller) of a portion of the Equity Interest in the Company shall have exercised the right pursuant to the Odyssey ROFR Provisions to acquire any portion of the Seller's Equity Interest in the Company; and

(v) either Party may terminate this Agreement if any court of competent jurisdiction or any governmental, administrative or regulatory authority, agency or body shall have issued an order, decree or ruling or shall have taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated hereby and such order, decree, ruling or other action shall have become final and nonappealable.

(b) Effect of Termination. Except for the provisions of this Article 10 and Article 11, if any Party terminates this Agreement pursuant to Section 10(a), all rights and Obligations of the Parties hereunder shall terminate without any liability of any Party to the other Party and except that termination of this Agreement will not affect any liability of either Party for any breach of this Agreement prior to termination (but, to the extent provided in Section 5(b)(i), giving effect to any New Seller Information or any New Buyer Information, as applicable, for purposes of any breach of any representation and warranty in this Agreement), or any breach at any time of the provisions hereof surviving termination.

11. Miscellaneous.

(a) Expenses. Except as otherwise expressly provided in this Agreement, the Seller, on the one hand, and the Buyer, on the other hand, will each bear its own costs and expenses (including those of Affiliates) incurred in connection with the preparation, execution and performance of this Agreement and the transactions contemplated by this Agreement and the other Transaction Agreements, including all fees and expenses of its agents, representatives, financial advisors, legal counsel and accountants.

(b) No Third Party Beneficiaries. Except as specifically provided in Article 8 with respect to Buyer Indemnitees and Seller Indemnitees, this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

(c) Succession. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. Neither Party may assign this Agreement or any of its rights or Obligations hereunder (except by operation of Law) without the prior written consent of the other Party (which consent may not be unreasonably withheld, delayed or conditioned); *provided, however*, that without the prior approval of the Seller, the Buyer and its permitted successors and assigns may (i) transfer any or all of its rights or interests under this Agreement to a wholly owned direct or indirect Subsidiary of the Buyer for so long as such Person remains a wholly owned Subsidiary of the Buyer, including designating one or more such Persons to be the assignee of some or any portion of the Assigned Equity Interest; (ii) assign any or all of its rights or interests under this Agreement to another Person in connection with any sale or transfer of all or substantially all of its assets; (iii) make a collateral assignment of its rights hereunder in connection with a bona fide financing transaction; or (iv) transfer any or all of its rights or interests under this Agreement pursuant to any foreclosure or settlement of any such collateral assignment; *provided, further*, that no transfer or assignment under any of the foregoing clauses (i) through (iv) shall result in the release of the Buyer from any of its obligations under this Agreement, and the Buyer shall remain a primary obligor (as opposed to a surety) thereof.

(d) Counterparts. This Agreement may be executed in multiple identical counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

(e) Incorporation of Exhibits and Schedules. The Exhibits and Schedules to this Agreement are incorporated herein by reference and made a part hereof. If there is any conflict or other inconsistency between this Agreement and the Exhibits and Schedules, the terms of the main body of this Agreement shall prevail. To the extent of any ambiguity, inconsistency or conflict between this Agreement and any other Transaction Agreement, the terms of this Agreement will prevail.

(f) Headings. The section headings contained in this Agreement are inserted for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY CONSENTS TO SUBMIT

TO THE JURISDICTION OF THE COMPETENT COURTS OF THE STATE OF TEXAS AND OF THE UNITED STATES OF AMERICA, IN EACH CASE LOCATED IN HOUSTON, TEXAS (THE “**COURTS**”) FOR ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY (AND AGREES NOT TO COMMENCE ANY LITIGATION RELATING THERETO EXCEPT IN THE COURTS), WAIVES ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUCH LITIGATION IN THE COURTS AND AGREES NOT TO PLEAD OR CLAIM IN ANY COURT THAT SUCH LITIGATION BROUGHT THEREIN HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(i) Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by both of the Parties. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(j) Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

(k) Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or Law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word “including” shall mean including without limitation, unless the context otherwise requires. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural, and vice versa. All references herein to Exhibits, Schedules, Articles, Sections or subdivisions thereof shall refer to the corresponding Exhibits, Schedules, Article, Section or subdivision thereof of this Agreement unless specific reference is made to such exhibits, articles, sections or subdivisions of another document or instrument. The terms “herein,” “hereby,” “hereunder,” “hereof,” “hereinafter,” and other equivalent words refer to this Agreement in its entirety and not solely to the particular portion of the Agreement in which such word is used. The words “shall” and “will” are used interchangeably throughout this Agreement and shall accordingly be given the same meaning, regardless of which word is used. The word “or” will have the inclusive meaning represented by the phrase “and/or” unless the context requires otherwise. Any reference to a “business day” shall mean any day other than a Saturday or Sunday or any other day on which commercial banks are authorized or required by Law to be closed in Houston, Texas. Except to the extent expressly provided to the contrary, references to a Party include its successors and permitted assigns. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time.

(l) Entire Agreement. THIS AGREEMENT (INCLUDING THE DOCUMENTS REFERRED TO HEREIN) CONSTITUTES THE ENTIRE AGREEMENT AMONG THE PARTIES AND SUPERSEDES ANY PRIOR UNDERSTANDINGS, AGREEMENTS, OR REPRESENTATIONS

BY OR AMONG THE PARTIES (OTHER THAN THOSE CONTAINED IN THE CONFIDENTIALITY AGREEMENTS), WRITTEN OR ORAL, TO THE EXTENT IT HAS RELATED IN ANY WAY TO THE SUBJECT MATTER HEREOF. FOR THE AVOIDANCE OF DOUBT, THIS AGREEMENT SUPERSEDES THE LETTER OF INTENT DATED AS OF AUGUST 12, 2011 BETWEEN THE PARTIES, WHICH SHALL HAVE NO FURTHER FORCE OR EFFECT. UPON CLOSING, THE BUYER SHALL BE RELEASED FROM ALL OF ITS OBLIGATIONS UNDER EACH CONFIDENTIALITY AGREEMENT.

(m) Disclosure Schedules. The Schedules to this Agreement have been arranged in sections corresponding to the numbered Sections contained in this Agreement. Any disclosure of an item in any Schedule shall be deemed to have been disclosed in any other Schedules to which such disclosure is clearly relevant from the text of such disclosure. (n) No Recourse Against Non-Parties. All claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, may be made only against the entities that are expressly identified as Parties hereto. No Person who is not a named party to this Agreement, including, without limitation, any director, officer, employee, member, partner, stockholder, Affiliate, agent, attorney or representative of any named party to this Agreement (“***Non-Party Affiliates***”), shall have any liability (whether in contract or in tort, in law or in equity, or based upon any theory that seeks to impose liability of an entity party against its owners or affiliates) for any Obligations or liabilities arising under, in connection with or related to this Agreement or for any claim based on, in respect of, or by reason of this Agreement or its negotiation or execution; and each Party hereto waives and releases all such liabilities, claims and Obligations against any such Non-Party Affiliates. Notwithstanding the foregoing, this Section 6(b) shall not apply to any claims by (or through) the Seller or any of its Affiliates for contribution or indemnification against the Company relating to any third-party claims.

(c) Delivery and Retention of Records. Within forty-five (45) days after the Closing Date, the Seller shall deliver or cause to be delivered to the Buyer, copies of Tax Records that are relevant to Post-Closing Tax Periods and copies of all other files, books, records, information and data relating to the Company (other than Tax Records) that are in the possession or control of the Seller and material to the ownership of the Assigned Equity Interest; *provided* that such access shall not be construed to require the disclosure of records that would cause the waiver of any attorney-client, work product or like privilege; *provided, further*, that in the event of any litigation nothing herein shall limit any Party's rights of discovery under applicable Law.

(d) Post-Closing Collection Matters. At any time after the Closing that the Seller receives any payment related to the Company which is due to the Buyer, the Seller will promptly remit such payment to the Buyer for the benefit of the Buyer. At any time after the Closing that the Buyer receives any remittance from any account debtors with respect to the Company which is due to the Seller under the terms of this Agreement or the other Transaction Agreements, the Buyer will endorse such remittance to the order of the Seller and forward it to the Seller promptly upon receipt.

(e) Cease of Use of Marathon Name. Subject to Section 6(f), concurrently with the Closing, the Buyer shall cause the Company to change its name to delete any reference to "Marathon" and shall take such actions as are necessary to consummate such name change, including filing a certificate of amendment to the certificate of formation (or other comparable Organizational Documents) of the Company with the Secretary of State of the State of Delaware. As soon as reasonably practical, but in any event, within forty-five (45) days, following the Closing, and subject to Section 6(f), the Buyer shall cause the Company to take all such actions as are necessary to (i) amend the qualification of the Company in all applicable jurisdictions to reflect the change of name and (ii) cease the use of the name "Marathon" in connection with the business of the Company or the operations of any of its assets. Until all uses by the Company of the name "Marathon" have ceased, the Buyer will cause the Company to maintain the

quality of the services it provides at a level at least equal to the quality level at which such services are provided as of the date hereof. The grant of rights above is not intended to be, and will not be construed as, an assignment, in whole or in part, of any rights of the Seller with respect to “Marathon” or any other marks. The Buyer acknowledges and agrees that the Seller would not have an adequate remedy at law for the breach or threatened breach by the Buyer of the covenants and agreements set forth in this Section 6(e) and, accordingly, the Buyer further acknowledges and agrees that the Seller shall, in addition to the other remedies which may be available to it hereunder, be entitled to specific performance and injunctive relief to enjoin the Buyer from any such breach or threatened breach, without showing any actual damage or that monetary damages would not provide an adequate remedy and without any bond or other security being required from the Seller. The Buyer agrees to indemnify and hold the Seller and its Affiliates harmless against any action, claims, damages, injuries, losses, costs and expenses, including reasonable attorneys’ fees and disbursements, arising from or claimed to arise from the operation of the business or assets of the Company under the “Marathon” name or other continued use of “Marathon,” as allowed hereunder (such indemnification to be without regard to any of the limitations set forth in Article 8). The Parties intend, and hereby agree, that all goodwill and any other rights resulting from the use of “Marathon” by the Company will at all times inure to the benefit of the Seller.

(f) BOEM and BSEE Matters. After the Closing, the Buyer shall promptly file for approval by BOEM the necessary documents in order to reflect the change in ownership of the Equity Interests of the Company from the Seller to the Buyer (and the Buyer shall take such other action as may be necessary to obtain such approval from BOEM), and the Seller shall cooperate in taking any action as may be necessary and reasonable in order for BOEM to recognize such change in the ownership of the Equity Interests of the Company. Notwithstanding anything herein to the contrary, the Seller acknowledges that (i) no delay by the BOEM in the approval of any name change with respect to the Company (including as required by Section 6(e)) or (ii) the Company’s continued use of its current name in all filings with the BOEM and BSEE until such approval has been obtained shall constitute a breach of the Buyer’s obligations under this Agreement. To the extent required by any Governmental Authority or any applicable Law, after the Closing the Buyer will cause the Company to maintain right-of-way bonds or any other surety bonds as may be required by, and in accordance with, all Laws governing the ownership and operation of the federal Outer Continental Shelf rights-of-way relating to (x) the Eugene Island Pipeline System, the Eugene Island System, and the Vermillion System, and (y) if the Interest Exclusion Option is not exercised with respect thereto, ECam and South Pass. The Buyer acknowledges that any and all bonds, letters of credit, indemnities and guarantees posted by the Seller or any of its Affiliates (other than the Company) with Governmental Authorities and relating to any of the assets or operations of the Company (the “Existing Surety Instruments”) shall not inure to the benefit of the Company or any of its Affiliates after the Closing or be transferred to the Buyer, the Company or any of their Affiliates after the Closing and (ii) agrees to promptly reimburse the Seller or its applicable Affiliate in cash, in full, in the event of any draw, call or other event giving rise to any payment obligation on the part of the Seller or any of its Affiliates or any of their respective surety’s or other institutions with respect to any of the Existing Surety Instruments relating to the federal Outer Continental Shelf rights-of-way relating to (x) the Eugene Island Pipeline System, the Eugene Island System, and the Vermillion System, and (y) if the Interest Exclusion Option is not exercised with respect thereto, ECam and South Pass, will not inure to the benefit of the Company after Closing, or be transferred to the Buyer, in each case for so long as such Existing Surety Instruments remain outstanding and in effect.

7. Conditions to Obligation to Close.

(a) Conditions to the Obligations of Both Parties. The respective obligations of the Buyer and the Seller to consummate the transactions contemplated by this Agreement is subject to the satisfaction at or prior to the Closing of the following condition:

(i) there must not be any pending or threatened injunction, judgment, order, decree, ruling or charge in effect preventing consummation of any of the transactions contemplated by this Agreement or any suit or action pending or threatened by a Governmental Authority to enjoin the consummation of any of the transactions contemplated by this Agreement.

(b) Conditions to Obligation of the Buyer. The obligation of the Buyer to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following conditions:

(i) the representations and warranties of the Seller contained in this Agreement, including Article 4, must be true and correct in all respects (without giving effect to any qualification as to materiality (other than qualifications using the words “materially affect the Seller’s ability to consummate the transactions contemplated by this Agreement”) or Company Material Adverse Effect) as of the date of this Agreement and as of the Closing (except for those which refer to another specific date, which must be true and correct as of such date), except to the extent such inaccuracies, violations or breaches would not, individually or in the aggregate, result in a Company Material Adverse Effect or materially affect the Seller’s ability to consummate the transactions contemplated by this Agreement;

(ii) the Seller must have performed and complied in all material respects with each of its covenants hereunder through the Closing;

(iii) the Seller must have timely delivered all items required to be delivered at Closing pursuant to Section 2(e);

(iv) the Seller must have obtained all consents set forth on Schedule 7(b)(iv) (collectively, the “*Seller Required Consents*”), in form reasonably acceptable to the Buyer; and

(v) the closing of the transactions contemplated under the Poseidon PSA must be completed concurrently with the Closing, as such transactions may be modified pursuant to the terms of such agreement.

The Buyer may waive any condition specified in this Section 7(b) if it executes and delivers to the Seller a writing so stating at or before the Closing.

(c) Conditions to Obligation of the Seller. The obligation of the Seller to consummate the transactions contemplated by this Agreement is subject to satisfaction of the following conditions:

(i) the representations and warranties of the Buyer contained in this Agreement, including Article 3, must be true and correct in all respects as of the date of this Agreement and as of the Closing;

(ii) the Buyer must have performed and complied in all material respects with each of its covenants hereunder through the Closing;

(iii) the Buyer must have timely delivered all items required to be delivered at Closing pursuant to Section 2(f);

(iv) the Buyer must have obtained all consents set forth on Schedule 7(c)(iv) (collectively, the “*Buyer Required Consents*”) in form reasonably acceptable to the Seller;

(v) concurrently with or prior to the time of the Closing, the Buyer (or such Affiliate of the Buyer or a third party as shall be designated as the “operator” of the Company Assets under applicable Law) shall have satisfied all oil spill financial responsibility requirements under applicable Law, shall have demonstrated evidence of Oil Spill Financial Responsibility acceptable to BOEM, shall have an oil spill response plan in place and shall have provided the certification required by 30 C.F.R. § 254.2, and shall otherwise have satisfied all other applicable requirements of BOEM and BSEE; and

(vi) the closing of the transactions contemplated under the Odyssey PSA and the Poseidon PSA must be completed concurrently with the Closing, as such transactions may be modified pursuant to the terms of such agreements; *provided, however*, that this condition shall be deemed to have been met with respect to either or both of the Odyssey PSA and the Poseidon PSA if there is an exercise of the Odyssey ROFR Provisions (as defined in the Odyssey PSA) or the Poseidon ROFR Provisions (as defined in the Poseidon PSA) prior to the Closing; *provided, further*, that this condition shall be deemed to be satisfied with respect to either or both of the Odyssey PSA and the Poseidon PSA, as applicable, if the transactions contemplated thereby fail to close for any reason other than a breach by the Buyer of its representations, warranties, covenants or obligations under either such agreement.

The Seller may waive any condition specified in this Section 7(c) if it executes and delivers to the Buyer a writing so stating at or before the Closing.

8. Remedies for Breaches of this Agreement.

(a) Survival of Representations and Warranties.

(i) Except to the extent provided to the contrary in Sections 8(a)(ii) and (iii), none of the representations and warranties of Parties contained in this Agreement shall survive the Closing and shall have no further force or effect following the Closing.

(ii) The representations and warranties of (A) the Buyer contained in Section 3(a) and (B) the Seller contained in Section 4(a) shall survive the Closing for a period of twelve (12) months after the Closing Date, whereupon they shall have no further force or effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of such survival period.

(iii) The representations and warranties of (A) the Buyer contained in Sections 3(b) (Authorization of Transaction) and 3(d) (Brokers) and (B) the Seller

contained in Sections 4(b) (Authorization of Transaction), 4(c) (Noncontravention), 4(d) (Brokers), 4(f) (Capitalization) and 4(j) (Tax) shall survive the Closing until the 30th day after the expiration of the statute of limitations applicable to the underlying matter giving rise to that claim, whereupon they shall have no further force or effect, except with respect to any claim for indemnification made pursuant to the provisions of this Article 8 prior to the end of the applicable survival period.

(iv) The covenants and similar obligations of the Parties contained in this Agreement shall survive the Closing in accordance with their terms.

(b) Indemnification Provisions for Benefit of the Buyer.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 4 and referred to in Section 8(a)(ii) or (iii) and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after Closing, the Seller agrees to indemnify and hold harmless the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent arising from such inaccuracy, violation or breach; *provided* that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any such individual inaccuracy, violation or breach until the Buyer Indemnitees have suffered Adverse Consequences in excess of \$100,000 (the “**Claim Threshold**”), at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “**Qualifying Buyer Indemnity Claim**”), subject to the remaining provisions of this Article 8; *provided, further*, that the Seller shall not have any obligation to indemnify the Buyer Indemnitees from any Qualifying Buyer Indemnity Claim until the Buyer Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Buyer Indemnity Claims in excess of an aggregate deductible amount equal to \$450,000 (the “**Deductible**”), at which point the Seller shall be obligated to indemnify the Buyer Indemnitees from and against all Adverse Consequences in respect of all Qualifying Buyer Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Seller’s covenants in this Agreement, and (y) the Buyer Indemnitees make a written claim for indemnification against the Seller pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Seller agrees to indemnify the Buyer Indemnitees from and against any Adverse Consequences suffered by the Buyer Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) In determining the scope of the Seller’s indemnification obligations under this Section 8(b), any qualification as to Company Material Adverse Effect shall be disregarded and the entire amount of the Adverse Consequences suffered by the applicable Buyer Indemnitees shall be included in the calculation of the amount of Adverse Consequences to which such Buyer Indemnitees shall be entitled to indemnification;

provided, however, that such qualifications as to Company Material Adverse Effect shall apply for purposes of determining whether there has been a breach in the first place.

(iv) From and after the Closing, the Seller shall release the Buyer Indemnitees (or, to the extent any such Obligations may be owed to any Affiliates of the Seller, shall cause such Affiliates of the Seller to release the Buyer Indemnitees) and the Seller shall indemnify and hold harmless the Buyer Indemnitees against any and all Obligations, liabilities, expenses, costs and Adverse Consequences arising from or relating to the Specified Obligations.

(v) To the extent any Buyer Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Buyer Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Buyer Indemnitee is entitled to be indemnified under this Section 8(b), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Buyer Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding sentence with respect to Third Party Claims, the Seller shall not be liable to any Buyer Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(vi) Notwithstanding anything in this Agreement to the contrary, in no event shall the Seller ever be required to indemnify the Buyer Indemnitees for Adverse Consequences under: (i) Section 8(b)(i) in an amount exceeding, in the aggregate, \$2.25 million; (ii) Section 8(b)(iv) with respect to Discontinued Operations in an amount exceeding, in the aggregate, \$25.0 million; or (iii) any and all provisions of this Agreement other than Section 8(b)(iv) in an amount exceeding, in the aggregate, the Purchase Price.

(vii) No claim for indemnification may be asserted or commenced against the Seller pursuant to this Section 8(b) unless written notice of such claim is received by the Seller describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(viii) No claim for a breach of representation or warranty under Section 8(b)(i) may be asserted or commenced by any Buyer Indemnitee against the Seller to the extent arising out of, resulting from or relating to any breach of any representation or warranty of which the Buyer had Knowledge on or prior to the Closing Date unless the Buyer was otherwise obligated to Close pursuant to the terms of this Agreement.

(c) Indemnification Provisions for the Benefit of the Seller.

(i) In the event of: (x) any inaccuracy, violation or breach in any representation or warranty contained in Article 3 and referred to in Section 8(a)(ii) or (iii); and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing the Buyer agrees to indemnify and hold harmless the Seller Indemnitees

from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent arising from such inaccuracy, violation or breach; that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such individual inaccuracy, violation or breach until the Seller Indemnitees have suffered Adverse Consequences in excess of the Claim Threshold, at which time the Buyer Indemnitees shall be entitled to receive the entire amount of such Adverse Consequences in respect of such indemnification claim (including the portion not in excess of the Claim Threshold) (such indemnification claim, a “*Qualifying Seller Indemnity Claim*”), subject to the remaining provisions of this Article 8; *provided, further*, that the Buyer shall not have any obligation to indemnify the Seller Indemnitees from any such Qualifying Seller Indemnity Claim until the Seller Indemnitees, in the aggregate, have suffered Adverse Consequences by reason of the sum of all such Qualifying Seller Indemnity Claims in excess of the Deductible, at which point the Buyer shall be obligated to indemnify the Seller Indemnitees from and against all Adverse Consequences in respect of all Qualifying Seller Indemnity Claims exceeding the Deductible, subject to the other provisions of this Article 8.

(ii) In the event of: (x) any breach of the Buyer’s covenants in this Agreement, and (y) the Seller Indemnitees make a written claim for indemnification against the Buyer pursuant to Section 11(g) within the applicable survival period pursuant to Section 8(a), then from and after the Closing, the Buyer agrees to indemnify the Seller Indemnitees from and against any Adverse Consequences suffered by the Seller Indemnitees to the extent relating to or arising from such inaccuracy, violation or breach, subject to the other provisions of this Article 8.

(iii) The Buyer shall release (or cause to be released), indemnify, and hold harmless the Seller Indemnitees against any and all Obligations, liabilities, expenses, costs and Adverse Consequences relating to the Company’s operatorship and abandonment obligations relating to (x) the Eugene Island Pipeline System, the Eugene Island System, and the Vermillion System, and (y) if the Interest Exclusion Option is not exercised with respect thereto, ECam and South Pass.

(iv) To the extent any Seller Indemnitee becomes liable to, and is ordered to and does pay to any third party that is not a Seller Indemnitee, punitive, exemplary, treble, special or consequential damages caused by any matter for which such Seller Indemnitee is entitled to be indemnified under this Section 8(c), then such punitive, exemplary, treble, special, indirect, incidental or consequential damages shall be deemed actual damages to such Seller Indemnitee and included within the definition of Adverse Consequences for purposes of this Article 8. Except to the extent specified in the immediately preceding sentence with respect to Third Party Claims, the Buyer shall not be liable to any Seller Indemnitee for any punitive, exemplary, treble, special, indirect, incidental or consequential damages (including any loss of earnings or profits).

(v) Notwithstanding anything in this Agreement to the contrary, in no event shall the Buyer ever be required to indemnify the Seller Indemnitees for Adverse Consequences under (i) Section 8(c)(i) in an amount exceeding, in the aggregate, \$2.25

million; or (ii) obligations pursuant to Article 5 in an amount exceeding, in the aggregate, the Purchase Price.

(vi) No claim for indemnification may be asserted or commenced against the Buyer pursuant to this Section 8(c) unless written notice of such claim is received by the Buyer describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim on or prior to the date on which the representation, warranty or covenant on which such claim is based ceases to survive as set forth in Section 8(a).

(vii) No claim for a breach of representation or warranty under Section 8(c)(i) may be asserted or commenced by any Seller Indemnitee against the Buyer to the extent arising out of, resulting from or relating to any breach of any representation or warranty of which the Seller had Knowledge on or prior to the Closing Date unless the Seller was otherwise obligated to Close pursuant to the terms of this Agreement.

(d) Matters Involving Third Parties.

(i) If any third party shall notify any Seller Indemnitee or Buyer Indemnitee, as the case may be (for purposes of this Section 8(d), the “**Indemnified Party**”), with respect to any matter (a “**Third Party Claim**”) that may give rise to a claim for indemnification against the indemnifying party under Section 8(b) or Section 8(c), as applicable (for purposes of this Section 8(d), the “**Indemnifying Party**”) under this Article 8, then the Indemnified Party shall promptly (and in any event within five (5) business days after receiving notice of the Third Party Claim) notify the Indemnifying Party thereof in a written notice stating the amount of the Adverse Consequences, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of any liability that it may have to the Indemnified Party, except to the extent the defense of such claim is prejudiced by the Indemnified Party’s failure to give such notice.

(ii) The Indemnifying Party shall have the right to assume and thereafter conduct the defense of the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party and the Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof; *provided, however*, that the Indemnifying Party shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim which provides for or results in any payment by or Obligation of the Indemnified Party of or for any damages or other amount, any Encumbrance on any property of the Indemnified Party, any finding of responsibility or liability on the part of the Indemnified Party or any sanction or injunction of, restriction upon the conduct of any business by, or other equitable relief upon the Indemnified Party, without the prior written consent of the Indemnified Party (not to be withheld unreasonably).

(iii) Unless and until the Indemnifying Party assumes the defense of the Third Party Claim as provided in Section 8(d)(i), the Indemnified Party may defend against the Third Party Claim in any manner it reasonably may deem appropriate; *provided, however*,

that in no event shall the Indemnified Party consent to the entry of any judgment or enter into any settlement with respect to any such Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be withheld unreasonably.

(e) Indemnification if Negligence of Indemnitee. THE INDEMNIFICATION PROVIDED IN THIS ARTICLE 8 WILL BE APPLICABLE WHETHER OR NOT THE SOLE, JOINT OR CONTRIBUTORY NEGLIGENCE (OTHER THAN GROSS NEGLIGENCE) OF THE INDEMNIFIED PARTY IS ALLEGED OR PROVEN. THE PARTIES AGREE THE IMMEDIATELY PRECEDING SENTENCE IS COMMERCIALY CONSPICUOUS.

(f) No Waiver of Rights or Remedies. Subject to the foregoing provisions of this Article 8, each Indemnified Party's rights and remedies set forth in this Agreement will survive the Closing and will not be deemed waived by such Indemnified Party's consummation of the transactions contemplated by this Agreement and will be effective regardless of any inspection or investigation conducted by or on behalf of such Indemnified Party or by its directors, officers, employees, or representatives or at any time (regardless of whether notice of such knowledge has been given to Indemnifying Party), whether before or after the date of this Agreement or the Closing Date with respect to any circumstances constituting a condition under this Agreement, unless any waiver specifically so states.

(g) Determination of Amount of Adverse Consequences. The Adverse Consequences giving rise to any indemnification obligation hereunder shall be limited to the actual loss suffered by the Indemnified Party (reduced by any insurance proceeds or other third-party payments received, realized or retained by the Indemnified Party as a result of the events giving rise to the claim for indemnification net of any expenses related to the receipt of such proceeds as well as any Tax Benefit recognized by the Indemnified Party (or the affiliated group of which it is a member) occasioned by such loss or damage). Any Indemnified Party seeking indemnity hereunder shall use commercially reasonable efforts to seek coverage (including both costs of defense and indemnity) under applicable insurance policies with respect to any such Adverse Consequences. In the event that a Buyer Indemnitee receives a payment under any insurance policy or other proceeds from a third party that would have reduced, pursuant to this Section 8(g), an indemnification payment made by a Party hereunder if such payment under such insurance policy or other third-party source had been received prior to such indemnification payment, such Indemnified Party shall refund to the applicable Party an aggregate amount that equals the net amount (taking into account any costs or expenses, including reasonable attorney's fees, associated with submitting or otherwise making a claim for, or collecting, such payment) of the reduction that would have so resulted from its earlier receipt of such payment under such insurance policy or from such third party. The amount of the loss and the amount of the indemnity payment shall be computed by taking into account the timing of the loss or payment, as applicable, using a Prime Rate plus 2% interest or discount rate, as appropriate. Upon the request of the Indemnifying Party, the Indemnified Party shall provide the Indemnifying Party with information sufficient to allow the Indemnifying Party to calculate the amount of the indemnity payment in accordance with this Section 8(g). An Indemnified Party shall take all reasonable steps to mitigate damages in respect of any claim for which it is seeking indemnification and shall use reasonable efforts to avoid any costs or expenses associated with such claim and, if such costs and expenses cannot be avoided, to minimize the amount thereof.

(h) Tax Treatment of Indemnity Payments. The Parties hereto agree that all indemnification payments made under this Agreement, including any payment made under Article 9, shall be treated as purchase price adjustments for Tax purposes.

(i) Exclusive Post-Closing Remedy. After the Closing, the rights and remedies set forth in this Article 8 and Article 9 shall constitute the sole and exclusive rights and remedies of the Parties under or with respect to the subject matter of this Agreement except for any non-monetary, equitable relief to which any Party may be entitled, and any remedies for actual fraud.

(j) Additional Remedy Matters. To the extent any claim may be recoverable pursuant to more than one Section of this Article 8, the Indemnified Party may make such claim under any such Section in the alternative. Notwithstanding anything herein to the contrary, in the event any Party (or any other indemnitee) is entitled to a payment or other benefit under more than one provision of this Agreement arising out of or resulting from the same set of facts or circumstances and such Person has already been made whole by payment or another benefit under one of those provisions, in no event shall such Person be entitled to receive a subsequent payment or benefit under any other provision of this Agreement (*i.e.*, such Person shall not receive more than its damages). In furtherance of the foregoing, any liability for indemnification hereunder shall be without duplication (*i.e.*, without allowing the claiming Party (or other indemnitee) to receive more than its damages) by reason of the state of facts giving rise to such liability constituting a breach of more than one representation, warranty, covenant or agreement.

9. Tax Matters.

(a) Allocations. With respect to the taxable year that includes the Closing Date, the Seller shall be allocated, in accordance with the Organizational Documents of the Company in effect as of the Closing Date, all items of income, loss, deduction, and credit of the Company for the period prior to and including the Closing Date and the Buyer shall be allocated all remaining items of income, loss, deduction, and credit of the Company. More precisely, with respect to the sale of a portion of the Equity Interest in the Company pursuant to this Agreement, the Buyer and the Seller agree to cause the Company to elect “the closing of the books” method pursuant to the Regulations of Section 706 of the Code.

(b) Post-Closing Tax Returns. The Buyer shall prepare or cause to be prepared and file or cause to be filed any Post-Closing Tax Returns with respect to the Company or the Company Assets. The Buyer shall pay (or cause to be paid) any Taxes due with respect to such Tax Returns.

(c) Pre-Closing Tax Returns. The Seller shall, if applicable, prepare or cause to be prepared and file or cause to be filed all Pre-Closing Tax Returns with respect to the Company or the Company Assets. The Seller shall pay or cause to be paid any Taxes due with respect to those Tax Returns described in this Section 9(c).

(d) Straddle Periods. The Buyer shall be responsible for Taxes of the Company and the Company Assets related to the portion of any Straddle Period occurring (i) after the Closing Date, in the case of income and franchise Taxes and (ii) on or after the Deemed Closing Date, in the case of all other Taxes. The Seller shall be responsible for Taxes of the Company and the Company Assets relating to the portion of any Straddle Period occurring (i) on or before the Closing Date, in the case of income and franchise Taxes and (ii) before the Deemed Closing Date, in the case of all other Taxes. With respect to

any such Straddle Period, to the extent permitted by applicable Law, the Seller or the Buyer shall elect to treat (i) the Closing Date, in the case of income and franchise Taxes and (ii) the close of the day ending immediately prior to the Deemed Closing Date, in the case of all other Taxes, as the last day of the Tax period. If applicable Law shall not permit such date to be the last day of a period, then (i) real or personal property Taxes, if any, with respect to the Company and the Company Assets shall be allocated based on the number of days in the partial period before and after such date, (ii) in the case of all other Taxes based on or in respect of income, the Tax computed on the basis of the taxable income or loss attributable to the Company and the Company Assets for each partial period as determined from their books and records, and (iii) in the case of all other Taxes, on the basis of the actual activities or attributes of the Company and the Company Assets for each partial period as determined from their books and records.

(e) Straddle Returns. The Buyer shall prepare any Straddle Returns. The Buyer shall deliver, at least thirty (30) days prior to the due date for filing such Straddle Return (including any extension) to the Seller a statement setting forth the amount of Tax that the Seller owes, if applicable, including the allocation of taxable income or loss (including a Schedule K-1, if applicable) and Taxes under Section 9(c), and copies of such Straddle Return. The Seller shall have the right to review such Straddle Returns and the allocation of taxable income and liability for Taxes and to suggest to the Buyer any reasonable changes to such Straddle Returns no later than fifteen (15) days prior to the date for the filing of such Straddle Returns. The Seller and the Buyer agree to consult and to attempt to resolve in good faith any issue arising as a result of the review of such Straddle Returns and allocation of taxable income and liability for Taxes and mutually to consent to the filing as promptly as possible of such Straddle Returns. Not later than five (5) days before the due date for the payment of Taxes with respect to such Straddle Returns, if applicable, the Seller shall pay or cause to be paid to the Buyer an amount equal to the Taxes as agreed to by the Buyer and the Seller as being owed by the Seller. If the Buyer and the Seller cannot agree on the amount of Taxes owed by the Seller with respect to a Straddle Return, the Seller shall pay or cause to be paid to the Buyer the amount of Taxes reasonably determined by the Seller to be owed by the Seller. Within ten (10) days after such payment, the Seller and the Buyer shall refer the matter to an independent nationally recognized accounting firm agreed to by the Buyer and the Seller to arbitrate the dispute. The Seller and the Buyer shall equally share the fees and expenses of such accounting firm and its determination as to the amount owing by the Seller with respect to a Straddle Return shall be binding on the Seller and the Buyer. Within five (5) days after the determination by such accounting firm, if necessary, the appropriate Party shall pay the other Party any amount which is determined by such accounting firm to be owed.

(f) Claims for Refund. The Buyer shall not, and shall cause the Company not to, file any claim for refund of Taxes with respect to the Company and the Company Assets for whole or partial taxable periods on or before the Closing Date unless the Seller has requested the Buyer to claim such a refund.

(g) Indemnification. The Buyer agrees to indemnify the Seller Entities against all Taxes of or with respect to the Company and the Company Assets for any Post-Closing Tax Period and the portion of any Straddle Period occurring after the Closing Date or Deemed Closing Date, as applicable. The Seller agrees to indemnify the Buyer against all Taxes of or with respect to the Company and the Company Assets for any Pre-Closing Tax Period and the portion of any Straddle Period occurring on or before the Closing Date or Deemed Closing Date, applicable, including, without limitation, Taxes, if any, imposed on the Company by reason of Treasury Regulation Section 1.1502-6 (a) (or any similar

provision of state, local or foreign Law) by reason of being a member of an “Affiliated Group,” combined group or any similar group before the Closing Date or Deemed Closing Date, as applicable.

(h) Cooperation on Tax Matters.

(i) The Buyer and the Seller shall cooperate fully, as and to the extent reasonably requested by the other Party, in connection with the preparation and filing of Tax Returns pursuant to this Section 9(h) and any audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Buyer and the Seller shall retain all books and records in their possession with respect to Tax matters pertinent to the Company relating to any whole or partial taxable period beginning before the Closing Date until the expiration of the statute of limitations (and, to the extent notified by the Buyer or the Seller, any extensions thereof) of the respective taxable periods (the “**Records**”), and to abide by all record retention agreements entered into with any taxing authority. Following the Closing Date, each Party shall afford the other Party and its accountants, and counsel, during normal business hours, upon reasonable request, full access to the Records and to such Party’s employees to the extent that such access may be requested for purposes of preparing or filing any Tax Return, claiming any refund with respect to Taxes or defending any audit or other proceeding with respect to Taxes at no cost to the Party accessing the Records (other than for reasonable out-of-pocket expenses); provided that such access shall not be construed to require the disclosure of Records that would cause the waiver of any attorney-client, work product, or like privilege or cause the breach of any confidentiality agreement; *provided, further*, that in the event of any litigation nothing herein shall limit either Party’s rights of discovery under applicable Law.

(ii) The Buyer and the Seller further agree, upon request, to use commercially reasonable efforts to obtain any certificate or other document from any Governmental Authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the transactions contemplated hereby).

(iii) The Buyer and the Seller agree, upon request, to provide the other Parties with all information that such other Parties may be required to report pursuant to Sections 751 and 6050K of the Code and all Treasury Department Regulations promulgated thereunder.

(i) Transfer Taxes. The Seller shall file all necessary Tax Returns and other documentation with respect to all transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees resulting from the transactions contemplated by this Agreement, if any, and, if required by applicable Law, the Buyer shall, and shall cause its Affiliates to, join in the execution of any such Tax Returns and other documentation. Buyer shall be responsible for and will indemnify Seller from and against any such Taxes and fees. The Parties shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Taxes and fees.

(j) Confidentiality. Any information shared in connection with Taxes shall be kept confidential, except as may otherwise be necessary in connection with the filing of Tax Returns or reports, refund claims, Tax audits, Tax claims and Tax litigation, or as required by Law.

(k) Audits. The Seller or the Buyer, as applicable, shall provide prompt written notice to the other Parties of any pending or threatened Tax audit, assessment or proceeding that it becomes aware of related to the Company or the Company Assets for whole or partial periods for which it is indemnified by the other Party hereunder. Such notice shall contain factual information (to the extent known) describing the asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice or other document received from or with any Tax authority in respect of any such matters. If an Indemnified Party has knowledge of an asserted Tax liability with respect to a matter for which it is to be indemnified hereunder and such Party fails to give the Indemnifying Party prompt notice of such asserted Tax liability, then (i) if the Indemnifying Party is precluded by the failure to give prompt notice from contesting the asserted tax liability in any forum, the Indemnifying Party shall have no obligation to indemnify the Indemnified Party for any Taxes arising out of such asserted Tax liability, and (ii) if the Indemnifying Party is not so precluded from contesting, but such failure to give prompt notice results in a detriment to the Indemnifying Party, then any amount which the Indemnifying Party is otherwise required to pay the Indemnified Party pursuant to this Section 9(k) shall be reduced by the amount of such detriment, provided, the Indemnified Party shall nevertheless be entitled to full indemnification hereunder to the extent, and only to the extent, that such Party can establish that the Indemnifying Party was not prejudiced by such failure. This Section 9(k) shall control the procedure for Tax indemnification matters to the extent it is inconsistent with any other provision of this Agreement.

(l) Control of Proceedings. The Party responsible for the Tax under this Agreement shall control audits and disputes related to such Taxes (including action taken to pay, compromise or settle such Taxes). The Seller and the Buyer shall jointly control, in good faith with each other, audits and disputes relating to the Straddle Periods. Reasonable out-of-pocket expenses with respect to such contests shall be borne by the Seller and the Buyer in proportion to their responsibility for such Taxes as set forth in this Agreement. Except as otherwise provided by this Agreement, the noncontrolling party shall be afforded a reasonable opportunity to participate in such proceedings at its own expense.

(m) Powers of Attorney. The Buyer shall, and shall cause the Company and its Affiliates to, provide the Seller and its Affiliates with such powers of attorney or other authorizing documentation as are reasonably necessary to empower them to execute and file returns they are responsible for hereunder, file refund and equivalent claims for Taxes they are responsible for, and contest, settle, and resolve any audits and disputes that they have control over under Section 9(k) (including any refund claims which turn into audits or disputes).

(n) Tax Refunds. If the Buyer or any Affiliate of the Buyer receives a refund of any Taxes that the Seller is responsible for hereunder, or if the Seller or any Affiliate of the Seller receives a refund of any Taxes that the Buyer is responsible for hereunder (including as a result of its direct ownership interest in the Company), the Party receiving such refund shall, within thirty (30) days after receipt of such refund, remit it to the Party who has responsibility for such Taxes hereunder. For the purpose of this Section 9(n), the term “refund” shall include a reduction in Tax and the use of an overpayment as a credit or other Tax offset, and receipt of a refund shall occur upon the filing of a Tax Return or an adjustment thereto using such reduction, overpayment or offset or upon the receipt of cash. Each Party shall promptly notify the other of any right to claim a refund with respect to Taxes for which the other Party is liable pursuant to this Agreement and shall reasonably cooperate (at the expense of the Party entitled to the refund hereunder) in the claim of such refund or other process required to obtain such refund.

(o) Purchase Price Allocation. The Seller and the Buyer agree that the actual Purchase Price allocable to the Company Assets shall be allocated to the Company Assets for all tax purposes as jointly agreed between the Buyer and the Seller in accordance with Code Section 1060 as soon as practicable, but in any event no later than ninety (90) days following the Closing Date. The Buyer, the Seller and their applicable Affiliates shall file all Tax Returns (including amended Tax Returns and claims for refund) and information reports in a manner consistent with such allocation unless otherwise agreed by the Parties or as required by a final determination within the meaning of Code Section 1313.

(p) Closing Tax Certificate. At the Closing, the Seller shall deliver to the Buyer a certificate, in the form of Exhibit E.

(q) Recognition of Tax Treatment. The Parties recognize that Purchaser's purchase of the Equity Interest will be treated for federal income tax purposes as (a) a sale by Seller of the Company Assets and (b) a purchase by Buyer of the Company Assets.

(r) Conflict. In the event of a conflict between the provisions of this Article 9 and any other provision of this Agreement, including Article 8, this Article 9 shall control.

10. Termination.

(a) Termination of Agreement. The Parties may terminate this Agreement, as provided below:

(i) the Buyer and the Seller may terminate this Agreement by mutual written consent at any time before the Closing;

(ii) the Buyer may terminate this Agreement, if the Buyer is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Seller at any time before Closing: (A) in the event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Seller contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality or Company Material Adverse Effect) would, individually or in the aggregate, constitute or result in a Company Material Adverse Effect or materially affect the Seller's ability to consummate the transactions contemplated by this Agreement, (x) the Buyer has notified the Seller of the breach in the manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Buyer's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results from the Buyer breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(b) shall have become incapable of fulfillment on or prior to December 31, 2011;

(iii) the Seller may terminate this Agreement, if the Seller is not in default or breach of any representations, warranties, covenants and agreements contained in this Agreement, by giving written notice to the Buyer at any time before Closing (A) in the

event of any inaccuracy, violation or breach of any representation, warranty or covenant of the Buyer contained in this Agreement if (w) the Adverse Consequences thereof (with respect to the representations and warranties, without giving effect to any qualification as to materiality) or materially affect the Buyer's ability to consummate the transactions contemplated by this Agreement, (x) the Seller has notified the Buyer of the breach in the manner provided for in Section 11(g), (y) the breach has continued without cure for a period of ten (10) business days after receipt of the notice of breach and (z) such breach would result in a failure to satisfy a condition to the Seller's obligation to consummate the transactions contemplated hereby; (B) in the event that the Closing shall not have occurred on or before December 31, 2011 (unless such failure results primarily from the Seller breaching any representation, warranty or covenant contained in this Agreement); or (C) in the event any of the conditions set forth in Section 7(a) or Section 7(c) shall have become incapable of fulfillment on or prior to December 31, 2011; and

(iv) either Party may terminate this Agreement if any court of competent jurisdiction or any governmental, administrative or regulatory authority, agency or body shall have issued an order, decree or ruling or shall have taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated hereby and such order, decree, ruling or other action shall have become final and nonappealable.

(b) Effect of Termination. Except for the provisions of this Article 10 and Article 11, if any Party terminates this Agreement pursuant to Section 10(a), all rights and Obligations of the Parties hereunder shall terminate without any liability of any Party to the other Party and except that termination of this Agreement will not affect any liability of either Party for any breach of this Agreement prior to termination (but, to the extent provided in Section 5(b)(i), giving effect to any New Seller Information or any New Buyer Information, as applicable, for purposes of any breach of any representation and warranty in this Agreement), or any breach at any time of the provisions hereof surviving termination.

11. Miscellaneous.

(a) Expenses. Except as otherwise expressly provided in this Agreement, the Seller, on the one hand, and the Buyer, on the other hand, will each bear its own costs and expenses (including those of Affiliates) incurred in connection with the preparation, execution and performance of this Agreement and the transactions contemplated by this Agreement and the other Transaction Agreements, including all fees and expenses of its agents, representatives, financial advisors, legal counsel and accountants.

(c) Succession. This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. Neither Party may assign this Agreement or any of its rights or Obligations hereunder (except by operation of Law) without the prior written consent of the other Party (which consent may not be unreasonably withheld, delayed or conditioned); *provided, however*, that without the prior approval of the Seller, the Buyer and its permitted successors and assigns may (i) transfer any or all of its rights or interests under this Agreement to a

wholly owned direct or indirect Subsidiary of the Buyer for so long as such Person remains a wholly owned Subsidiary of the Buyer, including designating one or more such Persons to be the assignee of some or any portion of the Assigned Equity Interest; (ii) assign any or all of its rights or interests under this Agreement to another Person in connection with any sale or transfer of all or substantially all of its assets; (iii) make a collateral assignment of its rights hereunder in connection with a bona fide financing transaction; or (iv) transfer any or all of its rights or interests under this Agreement pursuant to any foreclosure or settlement of any such collateral assignment; *provided, further*, that no transfer or assignment under any of the foregoing clauses (i) through (iv) shall result in the release of the Buyer from any of its obligations under this Agreement, and the Buyer shall remain a primary obligor (as opposed to a surety) thereof.

(d) Counterparts. This Agreement may be executed in multiple identical counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

(e) Incorporation of Exhibits and Schedules. The Exhibits and Schedules to this Agreement are incorporated herein by reference and made a part hereof. If there is any conflict or other inconsistency between this Agreement and the Exhibits and Schedules, the terms of the main body of this Agreement shall prevail. To the extent of any ambiguity, inconsistency or conflict between this Agreement and any other Transaction Agreement, the terms of this Agreement will prevail.

No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(j) Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

(k) Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or Law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. The word “including” shall mean including without limitation, unless the context otherwise requires. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural, and vice versa. The terms “herein,” “hereby,” “hereunder,” “hereof,” “hereinafter,” and other equivalent words refer to this Agreement in its entirety and not solely to the particular portion of the Agreement in which such word is used. The words “shall” and “will” are used interchangeably throughout this Agreement and shall accordingly be given the same meaning, regardless of which word is used. The word “or” will have the inclusive meaning represented by the phrase “and/or” unless the context requires otherwise. FOR THE AVOIDANCE OF DOUBT, THIS AGREEMENT SUPERSEDES THE LETTER OF INTENT DATED AS OF AUGUST 12, 2011 BETWEEN THE PARTIES, WHICH SHALL HAVE NO FURTHER FORCE OR EFFECT. UPON CLOSING, THE BUYER SHALL BE RELEASED FROM ALL OF ITS OBLIGATIONS UNDER EACH CONFIDENTIALITY AGREEMENT.

(m) Disclosure Schedules. The Schedules to this Agreement have been arranged in sections corresponding to the numbered Sections contained in this Agreement. Any disclosure of an item in any Schedule shall be deemed to have been disclosed in any other Schedules to which such disclosure is clearly relevant from the text of such disclosure. FOR IMMEDIATE RELEASE
January 4, 2012

**GENESIS ENERGY, L.P. COMPLETES ACQUISITION OF
INTERESTS IN GULF OF MEXICO OIL PIPELINES,
INCLUDING POSEIDON**

HOUSTON – (BUSINESS WIRE) – Genesis Energy, L.P. (NYSE: GEL) announced today that it has acquired from Marathon Oil Company, a wholly-owned subsidiary of Marathon Oil Corporation (NYSE: MRO), interests in several Gulf of Mexico crude oil pipeline systems, including its 28% interest in Poseidon Oil Pipeline Company, L.L.C., its 29% interest in Odyssey Pipeline L.L.C., and its 23% interest in the Eugene Island Pipeline System.

The purchase consideration for all of the assets, subject to usual and customary post closing adjustments for debt, working capital, etc., is \$205.9 million, which includes an estimated \$26 million valuation of crude oil line fill at current market prices owned by the interests to be acquired. Genesis financed the transaction under its revolving credit facility.

The Poseidon system is comprised of a 367-mile network of crude oil pipelines, varying in diameter from 16 to 24 inches, with capacity to deliver approximately 400,000 barrels per day of crude oil from developments in the central and western offshore Gulf of Mexico to other pipelines and terminals onshore and offshore Louisiana. Affiliates of Enterprise Products Partners L.P. and Shell Oil Company each own a 36% interest in Poseidon. An affiliate of Enterprise will continue in its role as operator of Poseidon.

The Odyssey system is comprised of a 120-mile network of crude oil pipelines, varying in diameter from 12 to 20 inches, with capacity to deliver up to 300,000 barrels per day of crude oil from developments in the eastern Gulf of Mexico to other pipelines and terminals onshore Louisiana. An affiliate of Shell owns the remaining 71% interest in Odyssey. An affiliate of Shell will continue to serve as the operator.

The Eugene Island Pipeline System is comprised of a 183-mile network of crude oil pipelines, the main pipeline of which is 20 inches in diameter, with capacity to deliver approximately 200,000 barrels per day of crude oil from developments in the central Gulf of Mexico to other pipelines and terminals onshore Louisiana. Other owners in Eugene Island include affiliates of Exxon-Mobil, Chevron-Texaco, ConocoPhillips and Shell Oil Company. An affiliate of Shell will continue to serve as the operator.

“This acquisition represents another exciting growth opportunity for Genesis,” said Grant Sims, Genesis’ Chief Executive Officer. “These pipelines, especially Poseidon, will complement our existing, and, as we announced this morning in a separate release, our planned infrastructure in the Gulf of Mexico, and enhance our ability to provide attractive capacity and market optionality

to producers for their existing and future developments as well as our refining customers onshore Texas and Louisiana. The Gulf of Mexico is an important and growing resource basin in the U.S. that we are convinced will be safely, responsibly and efficiently developed for many years to come.”
