

IRS Form 8821
Tax Information Authorization
Instructions

Supporting Choice. Managing Costs.™

What is the purpose of the IRS Form 8821?

This form allows PPL to discuss your employer withholding account with the IRS. It does not allow these representatives to sign any documents

How is this different than the IRS Power of Attorney form?

The IRS Power of Attorney Form *only* allows PPL's CPA to sign employer tax reports. This form allows three specified PPL representatives, and no one else, to talk and write to the IRS about your employer tax account.

Will PPL be able to discuss my personal tax account with the IRS?

PPL will be able to discuss only the employer tax forms listed in Section 3b. PPL will never be able to obtain or discuss any personal income tax information.

I make all decisions about my life. If I sign this, what decisions can the Fiscal Reporting Agent (FRA) make for me?

This form only lets PPL talk and write to the IRS. PPL cannot make decisions about your personal life.

What portion should I complete?

You must <u>sign and date this form in Section 7.</u> You do not need to complete any other portion; PPL has completed the information for you.
