Tis the Season Dessert Concert

Monday, December 17th at 7pm

Discovery Middle School Commons

Tickets: \$5

Tis the Season is a concert that the focus level ensembles perform every two years. It is a concert that features many of the members of Men's Ensemble and Acappella singing solos and small ensemble pieces. The wonderful part about this concert is that they chose their own selections, so their performances hold special meaning. Both choirs will sing their own selections and the evening is made extra special with cookies and warm cider, coffee, and tea to enjoy during the performance.

****This concert is a fund-raiser for the choral program** and there is a ticket cost of \$5 (proceeds will go toward Acappella Choir's Fund Raising efforts for their trip to the Windy City Choral Festival and a Men's Ensemble event that will happen in the Spring of 2013). We chose to have the concert in the Discovery Middle School Commons as it can accommodate a large audience and has the ambience that we are looking for for this special event.
