

Buy A Brick!

A Lasting Gift for Your Senior, A Lasting Gift for Spring Lake Schools!

Dear Parents,

Hundreds of customized bricks honoring Spring Lake students and their families have been placed around the SLHS flagpole. Now it's YOUR chance to let your senior know just how proud you are of their accomplishments with this lasting tribute.

For a \$100 contribution you will receive a 4"x8" brick engraved with up to 3 lines of 14 characters each.

The contributions received from the bricks go to the "Ladders to Literacy" Fund of the Spring Lake Schools Foundation. *Your gift to your own child is also a gift to all the children of Spring Lake, now and into the future!*

The Spring Lake Schools Foundation awards grants from the Ladders to Literacy Fund to create innovative educational opportunities and maintain academic excellence. Recent grants include...

- **Destiny Library Manager Software**, providing media access 24/7!
- **Balance Ball Chairs and Kneeling Chairs** for the special education classroom.
- **And LOTS of new books!** Over 300 award-winning informational texts.

Grandparents, aunts, uncles and siblings are always looking for that "special" gift to give the graduating senior in their family. You may want to suggest to them this wonderful way to give something timeless and meaningful!

Make a lasting mark on the Spring Lake landscape, a lasting mark on your child's heart, a lasting gift for the future of Spring Lake Public Schools...
