#### **Abstract**

Established in 2004, IJJSS is the premier event in the collaboration between Universitas Indonesia and Chiba University. The 1st IJJSS was held in 2004 at Chiba University, Japan. Now, Universitas Gadjah Mada is the host for the 6th IJJSS that will be held on 28-30 October 2014. This symposium will provide a venue to share and discuss various issues and developments in the multi-field of scientific and technology. The main purposes of this symposium are to provide a meeting that will enforce progress, stimulate growth and advance the state of knowledge between student and researcher from universities in Japan and Indonesia. Also this event provides a forum for discussion of new ideas, research, development and applications, including techniques and methods to stimulate and inspired pioneering works.
