PREFERENCE REQUEST

The waiting lists are organized first by preference points (if applicable to the program(s) for which you are applying), then by date and time of application. Using the preferences that apply, the applicants with the most preference points are placed at the top of the waiting list(s). When there is a tie in the number of preference points, date of application is used to determine waiting list order. Eligibility for preferences is determined as described in the Summary of Preferences page and is verified when an applicant is pulled from a waiting list for screening. **Do you believe you qualify for the preference for:**
