

## Household Budget Worksheet

This budget worksheet will calculate your income and expenses. When complete, it will show your monthly Disposable Income, which is the amount remaining (left over) after paying all your expenses. Here's how to determine your financial health:  
 5-10% or more - Financially Healthy!  
 0-5% - Look for ways to lower expenses.  
 <0% (- number) - You may be in serious debt.
